Please note: This information is a guideline only. Please check with your transfer institution to obtain the most up-to-date information. Additionally, visit the Transfer Center, located in the Student Development Center, to obtain answers to your specific questions.

Things to remember

- Many Washington state universities and colleges require: **TWO** years of a single foreign language taken in high school or **TWO** quarters at a community college for admission.
- Depending on your major, you may need a third quarter to graduate with your bachelor's degree.
- Be a competitive applicant. If your major requires it, finish the third quarter here at WWCC before transferring. It will look great on your transcript.
- Any student who can demonstrate he/she is bilingual may meet the foreign language admission and graduation requirements. Consult your school(s) of choice for verification.
