Have you studied Spanish in the past and feel you have lost much of what you learned due to little practice? Would you like to be able to visit Spanish-speaking countries and see more than the English-speaking tourist areas? Would you like to be able to speak to your Spanish-speaking neighbors right here at home? If so, come practice your Spanish with us for a couple of hours each week. We will practice greetings, talk about our lives and families, ask for and receive directions to stores, hotels and restaurants, as well as how to order meals.
