EXPERIENCE THE BLUE MOUNTAIN EXCHANGE

The Blue Mountain Exchange Tournament is a unique Invitational Tournament set in the shadows of the Blue Mountains. Entering into our ninth year of hosting the event, we work hard to follow the original ideals with which the event was founded – affordable out of region competition, a high standard of play, sportsmanship, and an opportunity to begin Spring play in a friendly and hospitable venue. The Blue Mountain Exchange has a well earned reputation of being a user friendly event that is enjoyable for the players, coaches, and parents. We strive to improve the event every year . . . WE WANT YOU TO ENJOY YOURSELVES – AND TO COME BACK!

Hosted at the TCYSA Complex in Pasco, WA, the Blue Mountain Exchange is played on well maintained, full-sized, grass surfaces. During our previous eight years, the Exchange has grown from a small, four team Exchange, into an annual gathering of 60 of the Northwest's finest Premier club and ODP teams every March. We have also begun to attract a significant following amongst college coaches – who enjoy the small size of the brackets, the hospitality, and the convenience of the location. This year we expect to attract over 25 college coaches and feature an NCAA Showcase which will include Boise State (WAC), Montana (BIG SKY), Seattle Univ., and Idaho (WAC).

I hope you will accept our invitation to play in the 9th Annual Blue Mountain Exchange in Walla Walla. We are excited about this coming Spring's event and committed to making it a positive and enjoyable experience for all our guests.

Chad Bodnar
Tournament Director

2010 BLUE MOUNTAIN EXCHANGE
