Additional comments from Tim Toon * WWCC Volleyball Coach

“This has been a long week of volleyball. Play on Wednesday and Thursday was outstanding. We really saw how good we could be. On Friday and Saturday, we took a couple of steps backward. The key skills for our team are our jump serving and serve receive. When those areas start to break down, we struggle.

The Crossover Tournament featured some really tough teams. The losses to Tacoma and Chemeketa are easier to take because they are high quality opponents. The loss to Southwestern Oregon is one I’d like to replay. We should beat them 9 out of 10 times. To their credit, they improved every match of the tournament.

Tacoma beat Blue Mountain 20-18 in the tournaments finals. Those teams will probably be ranked #1 & #2 in the next Coaches Poll.

Overall, some good things happened this weekend. We will now settle into a steady line-up and see if we can win some important conference matches. This is a tough stretch because our next three conference opponents are Treasure Valley, Spokane and Wenatchee. After these matches, we’ll find out if WWCC is a contender or pretender.”
