This degree is applicable to students planning to prepare for an upper division Elementary Education major. As of January 2006 this document represents a new agreement between the following baccalaureate institutions offering Elementary Education bachelor’s degrees and the community and technical colleges system. Baccalaureate institutions party to this agreement are: CWU, EWU, WSU, WWU, City University, Gonzaga, Heritage, PLU, SMU, SPU, Walla Walla University, and Whitworth.

Students must earn a minimum of 90 credits and a cumulative GPA of at least a 2.0. Minimum grade-point average requirements are established by each institution. Meeting the minimum requirements does not guarantee admission. Note: Only course work in which an individual received a grade of C (2.0) or higher or a grade of pass on a pass-fail system of grading shall be counted toward the course work required for the approved endorsement program.

It is strongly recommended that students contact the baccalaureate granting education school early in their Associate in Elementary Education – DTA program to be advised about additional requirements (e.g. GPA) and procedures for admission. Students must take the WEST-B in order to apply to teacher preparation programs in Washington State.
