

WALLA WALLA COMMUNITY COLLEGE

ASSOCIATE IN BUSINESS – DTA/MRP

This transfer agreement ensures that a student who completes an Associate in Business – DTA degree will have satisfied the lower division general education (or core) requirements and lower division business requirements at the Washington public baccalaureate institutions, subject to the provisos listed in the ICRC Handbook. Students must earn a cumulative grade point average of at least a 2.0. In addition, students must earn a “C” or above in all courses marked with an asterisk (*). Please note that admission for many business schools is competitive, and higher GPA’s and course grades are often required. It is strongly recommended that students contact the baccalaureate-granting Business School early in their Associate in Business-DTA program to be advised about additional requirements (e.g. GPA) and procedures for admission.

Communication Skills (13-15 credits)

- * ENGL& 101 (5)
- * ENGL& 102 (5)
- CMST& 220 or (5) For CWU or WSU, choose CMST& 220.
