Walla Walla Community College
Associate in Elementary Education – DTA/MRP

This degree is applicable to students planning to major in Elementary Education. Baccalaureate institutions party to this agreement are: CWU, EWU, WSU, Western Washington University, City University, Gonzaga, Heritage, Pacific Lutheran, St. Martin’s, Seattle Pacific, Walla Walla University, and Whitworth.

Students must earn a minimum of 90 college-level credits with a minimum cumulative GPA of 2.0. Meeting the minimum requirements does not guarantee admission to baccalaureate programs. **Note:** When a student applies for an endorsement program at the baccalaureate school, only course work in which an individual received a grade of C (2.0) or higher or a grade of pass on a pass-fail system of grading shall be counted toward the course work required for the approved endorsement program.

It is strongly recommended that students contact the baccalaureate granting education school early in their **Associate in Elementary Education – DTA** program to be advised about additional requirements and procedures for admission. Students must take the WEST-B in order to apply to teacher preparation programs in Washington State.

**Communication Skills [C]**
