**Student Code of Conduct**

**Rules of Conduct and Procedures of Enforcement**

**PURPOSE**
Walla Walla Community College, as a state supported institution of higher education, has a mission of providing excellence of instruction, responsiveness to community and individual needs, and open communication in a collegiate atmosphere to citizens of Walla Walla, Garfield, Asotin, and Columbia counties. Sharing responsibility for this common mission, students and college personnel are joined in a voluntary college community.

Walla Walla Community College students are both citizens and members of the college community. As citizens, students shall enjoy the same freedoms that other citizens enjoy. As members of the college community, they are subject to those responsibilities which accrue to them by virtue of this membership.

Admission to Walla Walla Community College carries with it the expectation that students will conduct themselves as responsible members of the college community, that they will comply with established rules and regulations of the College, maintain high standards of honesty and integrity, and respect the rights, privileges, and property of other members of the college community.

Walla Walla Community College expects that students will conform to the laws of the greater society and regulations established to assure the orderly conduct of the affairs of the College.

The student is at once a member of the community at large and the college community. As such, the student is subject to the rights, responsibilities, laws, and regulations of each community and accountable to both.

PURPOSE OF SUMMARY SUSPENSION RULES
The Board of Trustees of Washington State Community College District No. 20 recognizes the need to provide the administration with a summary system of student discipline which can quickly and fairly respond to immediate disorder. Summary suspension rules are not to be construed to supplant provisions of the student conduct code or usual disciplinary procedures. Rather, it should supplement the student conduct code by providing an emergency method of suspension for purposes of investigation, reviewing the tension of the student body due to a serious infraction of student behavior standards, or removing a threat to the well-being of the students and/or the good order of the College which would prevent the continued normal conduct of the academic community.
INITIATION OF SUMMARY SUSPENSION
The President or designee, or Vice President of Student Services, may suspend any student for not more than twenty instructional days pending investigation, action, or prosecution on charges of an alleged student conduct code violation if there is reason to believe the student's physical or emotional safety and well-being, or the safety and well-being of other college community members, or the safety and well-being of the College or its functioning renders the normal disciplinary process ineffectual and commands such suspension.

NOTICE OF SUMMARY PROCEEDINGS
(1) If the President or designee, or the Vice President of Student Services, desires to initiate summary suspension proceedings against a student, the student will be notified by registered or certified mail to the student's last known address.
(2) The notice shall be entitled "Notice of Summary Suspension Proceedings" and shall state:
(a) The charges against the student, including the reference to the law and/or Rules of Student Conduct involved; and

PROCEDURES OF SUMMARY SUSPENSION HEARING
(1) At the summary suspension hearing, the accused student shall have the opportunity of proving to the Vice President of Student Services or the President or designee that there is no cause to believe that the violations cited on the notice of summary suspension did occur.
(2) The student may offer oral testimony of himself or herself or of any person, submit any statement sworn or affidavit on his own behalf, examine any sworn affidavit and cross examine any witness who may appear against him.
(3) In making the determination, the Vice President of Student Services or the President or designee may only consider the sworn affidavits or oral testimony of persons who have alleged that the student charged has committed a violation of law or of the Rules of Student Conduct and the oral testimony and sworn affidavits submitted by the student charged.

DECISION
On the conclusion of the summary suspension hearing and review of evidence and testimony presented therein, the Vice President of Student Services or the President or designee may exercise a range of actions that include, but are not limited to the following:
(1) Sustain the summary suspension for its duration or portion thereof, subject to disciplinary actions which may be brought under the code of student conduct following the suspension.
(2) Stay the summary suspension and impose any disciplinary action(s). Following the summary suspension hearing, the student shall be provided written notification of findings, conclusions, and disciplinary action, if any.

NOTICE OF SUSPENSION
(1) The student suspended pursuant to the authority of this rule shall be served a copy of the notice of suspension by personal service or by registered mail. Notice by mail shall be sent to said student's last known address within three working days following the conclusion of the summary suspension hearing.
(2) The notice of suspension shall stipulate the duration of the suspension and conditions under which the suspension may be terminated.

During the period of summary suspension, the suspended student shall not enter the campus except by written permission of the Vice President of Student Services or the President or designee.

NATURE OF THE PROCEEDINGS

(1) The summary suspension proceeding shall in no way substitute for the disciplinary proceeding provided for in the Rules of Student Conduct. At the end of the suspension, the student shall be reinstated to full rights and privileges as a student, subject to whatever sanctions may have been or may be in the future imposed pursuant to the Rules of Student Conduct or these Rules of Summary Suspension.

(2) Any records made and evidence presented during the course of any facet of a summary suspension proceeding shall be available for the use of the student and the College in any disciplinary proceeding which may be initiated after a student is reinstated from summary suspension.
