prohibited activities shall be subject to disciplinary action, pursuant to applicable rules, regulations and employment contracts, which may result in suspension or termination. All students engaged in athletic or intramural activity shall be covered by insurance provided by the University. Smoking on College facilities or at College-related activities shall be prohibited. Use of tobacco products is restricted to areas outside College facilities and vehicles.

Illicit Drugs and the Abuse of Alcohol

Drugs are any substances or preparations (except tobacco) that can affect the body. The effects of drugs depend on the substance, the dose, and the individual user. The law prohibits the use of most drugs. The abuse of alcohol and tobacco is also prohibited. Tobacco and alcohol create serious health problems and interfere with the safety and success of students. Both substances are highly addictive and are contraband on public college property. The use of alcohol and tobacco on public college property is prohibited.
