

Transferring Tips for WSU and EWU

Washington State University

Writing Portfolio

At WSU, completion of the Writing Portfolio is a General Education Requirement for graduation. Students should complete their Writing Portfolio during the first semester of their junior year.

The Writing Portfolio consists of two parts:

1. The student must submit 3 papers (original ones with instructors' remarks), no more than 1 from a single course. Each paper must have a portfolio cover sheet, signed by the instructor of the course.
2. At WSU, the student will sign up for a timed writing exam at the Writing Assessment Office. In addition, students must also complete two writing -in-the-major courses.

Trained and experienced faculty readers will evaluate the student's writing as "Pass with Distinction", "Pass" or "Needs Work". All students must pass the Writing Portfolio before receiving a degree from WSU.
