I. INTRODUCTION

A. Walla Walla Community College (WWCC) is committed to the health and safety of its faculty and staff, and in maintaining a safe and efficient workplace where any special situations are managed with safety as a primary concern. Among these concerns are interruptions to normal operations when it is determined that public safety, health, or property is jeopardized due to emergency conditions.

II. PROCEDURE

A. WWCC is committed to keeping its facilities open and continuing its operations without disruption, except for the most severe weather conditions, natural disasters or other significant emergency events.
B. The President or designee is the only WWCC official with authority to suspend operations or cancel WWCC classes.
C. The Vice Presidents are responsible for developing specific internal notification protocols necessary to effectively implement suspension or cancellation decisions.

III. DECLARATION OF SUSPENDED OPERATIONS/CANCELLATION OF CLASSES

A. When it has been determined that public safety, health, or property is jeopardized due to emergency conditions, the President or designee may suspend operations or cancel classes for the entire district or any portion of the district.
B. If operations are suspended, selected employees in key operational departments or work units may be directed to report to work to perform emergency tasks.

IV. NOTIFICATION OF SUSPENDED OPERATIONS/CANCELLATION OF CLASSES

A. The public information officer (Vice President of Student Services) is responsible for notifying students, faculty, staff and the general public through appropriate communication channels as identified in the Emergency Procedures Handbook.

V. IMPACT ON EMPLOYEE PAY AND LEAVE DURING SUSPENDED OPERATIONS

A. Represented Faculty and Classified Staff – Represented employees shall be compensated consistent with the terms and conditions of their applicable collective bargaining agreements.
B. Part-Time Hourly/Student Employees – As part-time hourly and student employees must work to get paid regardless of the operational status of the college.

C. Exempt/Administrative Staff –
   A. When prior notification of suspended operations has not been given, employees released until further notice from the work site, after reporting to work, will be compensated for hours worked on the first day of the closure and, at the discretion of the President, may be released to go home without a loss in pay for that day.
   B. If suspended operations continue beyond the first day, exempt employees normally scheduled to work but who do not work due to suspended operations, will be required to use leave. Employees shall be allowed to use their personal holiday, accrued vacation leave, or leave without pay to account for the time lost due to suspended operations. With advanced Vice President approval, employees may:
      a) Perform work at an alternate worksite (i.e. home); or,
      b) Adjust work hours to ensure 40 hours are worked in the workweek.

C. When an employee is required to work during the period of suspended operations, the employee will receive their regular pay for work performed.

D. Overtime worked by overtime eligible staff during the closure will be compensated at their regular overtime rate.

E. Employees with prior approved leave for that day shall take leave for that day as scheduled.

F. Employees not scheduled to work that day shall remain in unpaid status (for example, a non-contract day or an alternate work schedule where the day is considered a “weekend”).

VI. DEFINITIONS

A. The following definitions are specific to the terms of this Administrative Procedure and do not modify or revise similar terms as used in related procedures or collective bargaining agreements.

A. Suspended Operations: determination made by the President in consultation the College Vice Presidents that either all or a portion of the WWCC facilities and operations will be closed and students/personnel advised to stay at home, except for employees performing emergency tasks.

B. Cancellation of Classes: determination made by the President in consultation with the College Vice Presidents that due to severe weather, natural disasters or other significant emergency events either all or a portion of WWCC classes and instructional services will be closed and students will be directed to remain at or go home. Faculty and staff are expected to remain on or report to duty.

C. Severe Weather: regional or local weather conditions that are severe enough to pose safety concerns for transport or operations.

D. Natural Disaster: disaster caused by natural forces including, but not limited to, storms, floods, earthquakes, wind, ice conditions.

E. Significant Emergency Events: situations including, but not limited to, hazardous material spills, immediate or imminent violence, bomb threat, civil disturbance, aircraft crash.
VII.  AUTHORITY

The authority for this Administrative Procedure comes from the Board of Trustees Delegation of Authority Policy approved April 20, 2005.
