Professional Golf Management

The Industry

The demand for male and female professional golf managers and teachers has increased steadily with golf's ever expanding popularity. Professional golf managers work as club professionals, equipment manufacturer representatives, general managers, and golf instructors or coaches. Utilizing their knowledge of their sport, physiology, and corrective techniques, professional golf instructors work with golfers of all experience levels to improve their game. They determine the type and level of difficulty of exercises, prescribe specific drills, and evaluate the golfer's games.

Career Opportunities

- Club Professional
- Equipment Manufacturer Representative
- General Manager
- Golf Instructor/Coach
- Golf Director
- Assistant Golf Director

WWCC's Degree Options

WWCC offers an **Associate in Applied Arts and Sciences (AAAS) Degree in Professional Golf Management** upon completion of the two-year program of study, including a two-quarter cooperative training internship at an approved golf facility. A one year **Certificate in Professional Golf Management** is available upon completion of the first year of the program.

Associate in Applied Arts and Sciences Degree in Professional Golf Management

This schedule lists courses required for degree completion but the actual order and specific coursework may vary depending on student placement, start date, and quarter. Please check with your advisor prior to any substitutions.

The required related instruction is noted in bold print. The letter in the parenthesis indicates which category of related instruction is represented by the given course as follows:

(W)- Written Communications
(M)- Computation/Mathematics

(O)- Oral Communications
(J)- Job Seeking Skills

(R)- Human Relations
(L)- Leadership
