Comments from Tim Toon * WWCC Volleyball Coach

“I feel so lucky to have Amanda in our program. She was on top of every school's recruit list. She absolutely pounds the ball as an outside hitter and has great ball control skills. Her jump serve will tear teams apart. It won't take long for Amanda to establish herself as one of the premier outside hitters in the NWAACC (Oregon & Washington). Her classroom performance is just as impressive. The girl from Curlew has it all.”
