- Western Washington University

Reasons Jenna Selected WWCC

- Steady program with a great record
- Liked the coach and other players

Comments from Tim Toon * WWCC Volleyball Coach

"Jenna is a ball control monster. Her serve receive and defense are exceptional and she has a very tough jump serve. I thought I was done with my recruiting for next year's team, but realized late in the process that we needed more back row help. Jenna will fill that need very nicely. Jenna is also very competitive in the classroom, and I like that."
