Comments from Tim Toon * WWCC Volleyball Coach

“This result has exceeded all of our expectations. With only 3 sophomores and 10 freshmen, we had hoped to just compete with the elite teams in the NWAACC. While surpassing that expectation, we became one of the elite teams. We are way ahead of where I thought we’d be at this point in the season.

The tournament highlight was beating Mt. Hood in a rematch of last year’s NWAACC final.

In the final, we made too many errors and Clackamas was exceptionally steady. We’ll be ready to compete better with them late in the season.

Another goal of this tournament was to be better prepared for our conference opener against Spokane. It’s a tough way to start the season, but we’re ready.”
