### Additional Comments from Tim Toon \* WWCC Volleyball Coach

“We absolutely killed Yakima with the middle set tonight. Our serve receive was the best of the season. Lauren Davis, Stacy Andersen and Danielle Porter were nearly perfect. Our two setters, Amy Small and Sara Shelton knew where the hot hitters were and fed them some great sets. Jennifer Muzzall and Sarah Rusch put up dominate numbers from the middle attacker positions.”

“This win puts us solidly in 2<sup>nd</sup> place as the regular season draws to a close. One more conference win or a Blue Mountain loss will secure that position going into the NWAACC Tournament.”

“All the top teams will be participating in the Mt. Hood Halloween Classic this weekend. We hope to compete well, but also want to save some gas in the tank so we can finish out our conference season on a strong note.”
