Sara Shelton	31 assists, 11 digs, 3 aces
Danielle Porter	35 digs

Comments from Tim Toon * WWCC Volleyball Coach

“Blue Mountain was really tough on their home floor. They are well coached and are the most improved team in the NWAACC.

All season, we’ve been able to pull out close games. Tonight we couldn’t. We had a chance to win game one and were ahead 6-2 in game 5, but were unable to finish. I’m pleased that we played hard and had a chance to win, but disappointed with the overall result. It looks like defending our East Region title is over, and we’ll have to win a few more conference games to hang onto the #2 seed going into the NWAACC Tournament.

Our serve receive was excellent. We played outstanding defense. Unfortunately, we attacked the ball poorly at the net.

The good news is that three out of our last four conference games are at home. This team has a lot more wins to collect before the season is over. The loss to Blue Mountain is just a little speed bump compared to the overall success we’ve had thus far in 2006.”
