Comments from Tim Toon * WWCC Volleyball Coach

“In round 2, Clackamas bounced us into the loser’s bracket. It was a tough road to make it back to the finals. We played more matches than any other team in the gym. I’m proud of the way we competed this weekend. Although we were unable to win the tournament, we solidified ourselves as the #4 team in the NWAACC. That makes us dangerous at the Championship Tournament in 2 weeks.”
