“has put together several quality matches in a row”

**Noelle Carstens**                        4 kills, 4 blocks

### Comments from Tim Toon \* WWCC Volleyball Coach

“We were able to carry momentum from last night’s performance against CBC into this match. Walla Walla College played in a mixed lineup because of illness. They will be a much stronger team on Monday night.

I was pleased with our serving and defense. Also, our setters continue to put up quality balls. At this stage in the season, we need to work towards getting ready for the playoffs. All indications point toward a late season peak for this team.
