All-Tournament Team for WWCC

- Danielle Porter “The best Libero in the gym. She makes spectacular plays look routine.”
- Ivy Audrain “Ivy is riding an amazing hot streaks right now. I hope the streak doesn’t end until after the NWAACC Tournament.”
- Amanda Grumbach “The most complete player on the team. She shows her balance by posting huge numbers in a bunch of statistical categories.”

Additional Comments from Tim Toon * WWCC Volleyball Coach

“I am thrilled with the result of this tournament. Our players are pretty proud of the Dome and defend the home court with all they have. The significant wins came against Tacoma and Treasure Valley. They are two teams that will make it to the post season. Unfortunately, we lost Lauren Davis to an ankle injury. She was playing very well and will probably miss a couple weeks.”
