EXTENDED LEARNING

at Walla Walla Community College

SUMMER 2017

June 26, 2017 – August 31, 2017

Registration is open NOW!

Wine Service & Etiquette

Item # 4201 Max Students: 25 \$55.00

This class will cover the basics of our valley, the history of wine and grape growing, what makes it so special, and why it has developed into a world-class wine region. We will then get into the basics of wine production, including the different styles of wine and how they are made, basic fundamentals of wine chemistry, the flavor/taste components of the various styles of wine, how those components interact with food, some simple fundamentals of food and wine pairing, and proper wine service and etiquette.

Ned Morris Room: 1609 – E&V Bldg. T
July 17 Monday, 5:00PM-9:00PM

Nori 101

Item # 4500 Max Students: 12 \$45.00

Japanese cuisine is some of the most beautiful of all cuisine. The art of rolling nori is surprisingly easy to master and also happens to be delicious. In this class you will learn how to make foto maki (large rolls), hosomaki (thin rolls), uramaki (inside out rolls), and nigari. Upon completion you will be able to make an impressive platter of sushi that will have your guest asking who you hired to cater your party. Summer is right around the corner and sushi is perfect summer food!

Robin Leventhal Room: 140 – Titus Creek Kitchen
July 8 Saturday, 1:00PM-3:00PM

Nutruring a Healthy Wine Business

Item # 4501 Max Students: 25 \$95.00

With the right business models, strong people, and effective systems and processes, Walla Walla winery leaders can become even more profitable. You will learn how to build a more sustainable winery as well as assess

the health of your wine business. Explore concrete, alternative winery business models, discuss best practices, and examine similarities and differences with other wine regions. **LUNCH INCLUDED**

Deborah Steintal Room: 1609 – E&V Bldg. T
August 14 Monday, 10:00AM-1:00PM

Musical Theatre Experience at the Pavilion

Max Students: Unlimited \$150.00

A Performing Arts Program sponsored by Walla Walla Community College Arts & Sciences

Individualized coaching to include: acting, voice, movement, musicianship. In this class you will build community, gain confidence, collaborate, and build auditioning skills. You will receive professional level training for people of all experience backgrounds. Come and explore your individual potential. A performance will be held on the last weekend.

Instructors: Kristin Vining: Piano Collaborator & Music Coach, Kevin Loomer: Acting Coach, Julie Jones: Voice Coach, Anna Newbury: Acting/Movement Coach/Choreographer

For questions and scholarship information contact Julie Jones at julie.jones@wwcc.edu or Laura Wooster at 509-529-5553.

Creating WordPress Websites

John Agress **\$95.00**

Learn how to create attractive, sophisticated blogs and websites—without any coding! WordPress is the world's most popular website publisher, powering more than 25% of all sites on the Internet. WordPress is an easy-to-use solution that will help you put your site on the Web in far less time than by coding, and at a much lower cost than hiring a professional. In these lessons, you'll get hands-on experience with this powerful tool as you create your own WordPress.org site and blog. By the end of this course, you'll be able to confidently use WordPress to create a blog or a personal, business, or organizational website.

July 12 - August 16
August 16 - September 20

Introduction to Microsoft Access

Laurie Fuller **\$95.00**

Take control of your data! Through easy-to-follow, step-by-step instructions, this course will help you master Access and put it to creative, confident use. You'll develop not only strong Access skills, but a solid understanding of good database design concepts. By the time you've finished the course, you'll know how to organize and assemble an effective database for any kind of information you need to store, document, and manage. More classes with several versions of Access (2010-2016) are available through the Ed2Go website.

June 14 - July 19 **100% Online**
July 12 - August 16
August 16 - September 20

Intermediate Microsoft Access

Ken Cook **\$95.00**

Do you want to take your Microsoft Access 2013 skills to the next level? In this course, you'll learn how to use this program's advanced features to build a fully functional database from scratch. From building reports to using conditional formatting, you'll see how to present your data and gain techniques for using Visual Basic to automate common tasks. Finally, you'll build a navigation form to make it easy for your users to find their way around your database. By the time you've completed the course, you'll have a fully functional database that tracks customer and order information. More classes with several versions of Access (2010-2016) are available through the Ed2Go website.

June 14 - July 19 **100% Online**
July 12 - August 16
August 16 - September 20

Discover Sign Language

Jennifer Carmean **\$95.00**

In this course, you'll discover how to use this graceful, expressive language to communicate with Deaf people. You'll begin with an introduction to the language itself, and learn to create the signs for the alphabet and numbers. Along the way you'll learn to sign colors, numbers, where you live, family, the activities you like to do, etc. Throughout, you'll learn by watching videos that demonstrate how to make the signs and how to incorporate facial expressions to communicate in this beautiful language.

www.wvcc.edu/community

Nonprofit Learning Center

The Nonprofit Learning Center provides ongoing training, resources, and education to current and prospective leaders, staff, and board members of local nonprofits. Sponsored by Walla Walla Community College and the Sherwood Trust, the Nonprofit Learning Center focuses on current and challenging issues as well as encourages peer networks that foster sharing and collaboration among local members of our nonprofit community.

Sessions take place at the William A. Grant Water & Environmental Center (Bldg. R) at WVCC. Register online at www.wvcc.edu/community.

Finance Unlocked for Nonprofits

Why, what, who, and how of nonprofit finance. Through this interactive, hands-on workshop, we will work through the why, what, who, and how of nonprofit finance. We will dig deeper into two key reports - balance sheets and income statements - and then cover what board members need to know about IRS Form 990, the intersection of finance and fundraising, and oversight. Healthy finance practice can be habit-forming when people are working within their comfort zones, so we will discuss how to get your organization there. And no finance training is complete without a hearty game of BINGO!

Wed., 11:00AM-2:00PM

Ask, Thank, Report, Repeat: How to raise money

You, along with your board and fundraising leadership team, need a fundraising plan and rhythm that honors your donor's giving hearts and raises more money for your cause and mission. Ask, Thank, Report, Repeat is the answer. Come learn the secrets behind their four simple yet powerful words. By the end of our session you will know how to build an annual fundraising plan that is measurable, repeatable and successful. This workshop is designed for those new to fundraising.
