Item #	Instructor	Required or Suggested	Supplies
4202	Babbitt, H.	Required	Students will need to bring a lunch.
4203	Dewitt, V.	Required	Student should already have a kevlar (or similar) glove and an understanding of carving safety techniques, sharpening techniques, and blade edge maintenance. A familiarity with wood grain characteristics will also help the student during the carving process. A method of clamping or holding the wood blank such as a square of gripping shelf liner material and/or a bench hook will be required to improve safety. A selection of knives and gouges will be required. The instructor will make a power sharpener available during each class for supervised use by the student.
4204	Poolman, R. & McAlvey, G.	Required	Red pencil and protective glove. Student should have some understanding of wood grain. (Suggested: bring any carving tools you may have). Materials will be supplied and tools will be loaned until students decide to purchase their own tools.
4209	Robinson, R.	Required	Yoga mats. Yoga props (blocks & straps) provided by instructor.
4401	Cafferky, M.	Required	Note taking paper or notebook, Course packet from WWCC Warrior's Locker (bookstore)
4404	Rood, W.	Required	Supply list to be given on the first day of class. Will include a small plastic sheet and two part epoxy.
4406	Huff, A.	Required	Pen or pencil. Bring a laptop if you have one.
4409	Figgins, J.	Required	Course packet from WWCC Warrior's Locker (bookstore).
4410	Plemon, D.	Required	Headphones.
4411	Harley, J.	Required	Bring your own photographs, drawing paper, pencils, tape, and a ruler.
