Wireless Network Configuration for iOS (iPhone, iPod Touch, iPad) – Faculty and Staff

To forget old login credentials:
If you have previously logged in you may need to forget the network and re-enter your login credentials. For instructions on how to do that, see below:

1. Tap Settings

2. Tap Wi-Fi
3. Tap the i that is on the right

4. Tap Forget This Network

5. Tap Forget

6. Tap Wi-Fi to go back to the list of available networks

Once you have done that, see the steps below on how to re-join the network.

Procedure:

1. Tap Settings
2. Tap **Wi-Fi**

3. Slide Wi-Fi **ON** (if off)

4. Tap **WWCC-Staff**

5. Enter your Username with WWCC\ in front (**WWCC\NetID**) and **Password**.

6. Tap **Join**

7. Tap **Accept**

*Congratulations! Your device is now configured to use the WWCC wireless network*
