Approval of Agenda.

Mr. Sanchez moved and Dr. Schirman seconded to approve the agenda for the January 15, 2014 Board of Trustees meeting as presented. *Motion carried*.

Interim Winter Quarter Enrollment Report. Mr. Delgadillo reviewed the Interim Winter Quarter Enrollment report noting, compared to the previous year, net enrollment in state-supported classes was up 1.1% and total enrollment across all funding sources was down slightly.

December Budget Status Report. Mrs. Fogg reviewed the December Budget Status Report noting there were no changes to the Revenue Budget. The Expenditure Budget included a \$5,000 decrease to the Salaries and Wages line which was a net of several routine changes; the changes to Instruction and Academic Administration are due to a recent system-wide recoding requirement, whereby the salary expense for a faculty member on sabbatical is moved from the Instruction line to the Academic Administration line. Total Actual Expenditures were at 46.72% vs. 46.76% the previous year and Total Actual Revenues were at 52.83% vs. 54.78% the previous year. Mrs. Fogg reported Grants and Contracts totaled \$11.5 million compared to \$11.1 million the previous year, with a \$6,345 increase to the Community Network grant and a \$42,570 increase to the Bonneville Power Administration (Snake River Salmon Recovery Board) grant, with 47.3% expended vs. 48% the previous year.

Instruction Report.

Corrections Education Report. Denise Kammers, Corrections Education Academic Coordinator at the Washington State Penitentiary, and Dr. Joe Small, Dean of Corrections Education, provided an overview of the Corrections Education program, including the programs available to students, private funding sources such as the Sunshine Lady Foundation and the Open Society Foundation, and the 2013 completions for both the Washington State Penitentiary and the Coyote Ridge Corrections Center.

Student Services Report.

Associated Student Body Activity Reports. Walla Walla ASB President Sam Robillard highlighted recent activities, including the sale of discounted bus passes, free donuts and coffee for opening day, and plans for intramural basketball. On behalf of the Clarkston ASB, Dr. Danley reported on welcome activities for the start of the Winter Quarter, efforts to organize a karaoke night, selection of a community service project for the quarter, and assisting with college fairs.

Disability Services Report. Disability Services Coordinator Dr. Claudia Angus reported on WWCC's commitment to providing fair access to students with disabilities, including faculty training for access and accommodations, the services available through Disability Support Services, such as adaptive furniture, faculty support, alternative format textbooks, and the coordinated campus-wide effort to assist all students with disabilities. Dr. Angus introduced two students who reported on the efforts made by and the positive results from the assistance they received through the College's Disability Support Services.

For Information Only: 2014-15 Instructional Calendar. Dr. Ramsey presented the proposed 2014-15 Instructional Calendar, noting the major changes for Summer Quarter: Summer Quarter would be extended one week in length to eight weeks (June 23 to August 14) and a three-week intensive session would be added (August 18 to September 5). Dr. Ramsey explained the three-week intensive session would be for five three-credit classes and was being attached to Summer Quarter due to financial aid regulations.

WWCC Foundation Activities Report. Mr. Bayne reported a year-end total in grants and gifts of just over \$800,000, efforts continued to build the donor base, and during the next month numerous scholarship presentations would be made to high school senior classes.

Personnel.

Appointments. Mrs. Hartford reviewed the qualifications and background information for the appointment of Michael Ayres, Nursing Instructor at the Clarkston Campus.

Resignations/Retirements. Mrs. Hartford reported on the resignations of Mike Staudenmaier, Head Softball Coach/Athletic Trainer/Athletic Facilities Coordinator, and Fernando Villagomez, CTE Advisor/Worker Retraining, and on the retirement of Dr. David Chase, Director of Student Activities.

Personnel Update. Mrs. Hartford reported the Fresh Air Campus Challenge Committee was meeting regularly, had coordinated the offering of free on-campus smoking-cessation classes, and planned to soon present a proposal for a tobacco-free campus policy.

Strategic Planning Update. Dr. Velluzzi reviewed the most recent iterations of the proposed Vision Statement, Mission Statement, and Planning Assumptions, noting they would be presented for Board approval at the next regular meeting.

Facility Master Plan Update. Jeff Warner of ALSC Architects reviewed the progress on the Facility Master Plan and the Project Request Reports for the two projects proposed for submission to the State Board for the 2015-17 Capital Budget Request, i.e., the STEM building on the Walla Walla campus and a Replacement Project for the Clarkston Campus. Mr. Warner noted additional information would be presented at the February 5, 2014 Board Work Session.

New and Unscheduled Business. Dr. VanAusdle reported the Chamber of Commerce had contacted the College about the possibility of holding the 2014 Night Glow portion of the Balloon Stampede on the campus.
