### **Annual Reporting of Crime Statistics**

In 1998, the Federal Government passed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This law requires that colleges and universities receiving federal funding disclose reported instances of criminal activities on campuses. In addition to the disclosure of campus crime statistics, the act requires timely warnings of criminal activity to the campus community as well as the disclosure of various campus policies. For more information on this legislation, please visit the Clery website at <u>www.clerycenter.org</u>. This report is prepared in cooperation with Student Affairs, Business Services (Risk Reporting), and local law enforcement agencies. Campus crime, arrest, and referral statistics include those reported to designated campus officials and local law enforcement agencies. Each year, an email notification is made to all WWCC enrolled students and employees that provides the web site to access this report.

#### **Campus Safety and Security Education**

Information on personal safety, crime prevention, reporting, and campus regulations are shared with students through New Student Orientation and via a yearly email notification. The online training provided to students is available 24-7 via web access. Similar information is presented to new employees and access information is shared via email from Human Resources. The Safety and Security Committee and/or designee also meets with campus departments and personnel to assist with planning related to crime prevention, safety, and security. The Safety and Security Committee meetings are open to the college community and welcome interested campus groups, student organizations, and others to discuss similar issues. All crime prevention education materials are also shared through the <u>New Employee Safety</u> <u>Orientation</u> and additional information can also be obtained by accessing the <u>Walla Walla</u> <u>Police Department Crime Prevention</u> website. WWCC provides a wide range of training opportunities for students, employees, and members of the community to participate in. These training materials can be found on the <u>Campus Safety and Security Training</u> website.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware and responsible for their own security and the security of others. Students and employees must also be aware of their responsibility to protect their personal property and property belonging to the college. Information is disseminated to students and employees through crime prevention awareness pamphlets, e-mails, security alert posters, displays, articles in the student newspaper, and specific student awareness programs. When time is of the essence, information is released to the college community through emergency notifications, timely warnings, and security alerts posted prominently throughout campus.

#### **Incident Reporting & Timely Warnings**

WWCC encourages all incidents to be reported in a timely fashion. The College community may report any incident that may have occurred on WWCC campus to any responsible employee. A *responsible employee* is any College employee who: has the authority to take action to redress misconduct; has been given the duty of reporting incidents of misconduct; or that could be reasonably perceived by students to have this authority or duty.

#### Incidents (including crimes and emergencies) should be reported to the following offices:

#### **Timely Warnings**

In the event that a situation arises on campus that in the judgment of the College President, Public Information Officer, Vice Presidents, and/or Director of Facility Services, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college email system and the emergency notification system to students and employees. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community, the notice may also be posted on the College's website at <u>www.wwcc.edu</u>.

Per the Clery Act, timely warnings can be issued for the following crimes if: (1) the crime is reported to campus security authorities, (2) the crime is determined to pose a serious or continuing threat to WWCC students, employees, and/or visitors, and (3) the crime occurred on campus, in or on non-campus buildings or property owned by WWCC, or on public property that is within the campus or immediately adjacent to campus:

- Sex Offenses (includes forcible sex offenses and non-forcible sex offenses)
- Robbery
- Aggravated Assault
- Burglary
- Arson
- Motor Vehicle Theft
- Arrests or Referrals for Disciplinary Action for Liquor Law Violations, Drug Law Violations, and Illegal Weapons Possession

- Hate Crimes, including the following listed below if such crime manifests evidence that the victim was intentionally selected because of the victim's actual or perceived race, gender, religion, sexual orientation, gender, gender identity, ethnicity, or disability:
  - Any crime listed above, as defined by the Clery Act;
  - Crimes of larceny-theft, simple assault, intimidation, and destruction/ damage/vandalism of property; or
  - Any other crime involving bodily injury

A timely warning may be issued for any other crime or incident as deemed necessary or appropriate. The <u>Timely Warning Notification Policy</u> may be accessed through the College website.

#### Voluntary Confidential Reporting

If you are the victim of a crime on campus and do not want to pursue action within the College system or the criminal justice system, you may still consider making a confidential report. With your permission, the College will file a report on the details of the incident without revealing your identity to the public. Depending on the severity of the incident, the College may determine to proceed with an investigation if the reported offense has the potential to significantly impact the College or others within the College community. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep accurate records of the number of incidents, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution. See the <u>Non-Discrimination & Harassment Grievance Procedure</u> for reference.

#### Confidential Reporting to a College Counselor

You are encouraged to speak to the counselors located in the Student Development Center at WWCC to report any incidents involving misconduct, sexual or non-sexual. Student/Client confidentiality is protected under Washington law (<u>RCW 18.225.100</u>) and information cannot be released except (<u>RCW 18.225.105</u>):

- 1. With the written authorization of that person or, in the case of death or disability, the person's personal representative;
- 2. If the person waives the privilege by bringing charges against the person licensed under this chapter;
- 3. In response to a subpoena from the secretary. The secretary may subpoena only records related to a complaint or report under <u>RCW 18.130.050</u>;
- 4. As required under chapter 26.44 or 74.34 RCW or RCW 71.05.360 (8) and (9); or
- 5. To any individual if the person licensed under this chapter reasonably believes that disclosure will avoid or minimize an imminent danger to the health or safety of the individual or any other individual; however, there is no obligation on the part of the provider to so disclose.

See <u>Counseling Disclosure of Information Policy</u> for reference.

# **Emergency Response and Evacuation Procedures**

WWCC's <u>Emergency Action Plan</u> (EAP-Clarkston Campus) and <u>Emergency Procedures Handbook</u> (EPH-Clarkston Campus) includes information about operating status parameters; incident priorities and performance expectations; shelter-in-place and evacuation guidelines; and local contingency and continuity planning requirements. WWCC conducts emergency response exercises each year and tests of the emergency notification systems on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually the Incident Commander or his/her designee and emergency services as deemed appropriate and work together to manage the incident. Depending on the nature of the incident, other WWCC departments and other local or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures for WWCC can be found in the <u>Emergency Action Plan (EAP-Clarkston Campus</u>) and is publicized via email notification to the campus community annually. If WWCC confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the WWCC community, the College President, PIO, Vice Presidents and/or Director of Facility Services will collaborate to determine the content of the message and will use some or all of the systems described below to communicate the threat to the WWCC community or to the appropriate segment of the community if the threat is limited to a particular building or segment of the population. The College President, PIO, Vice Presidents and/or Director of Facility Services will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system unless issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

In the event of a serious incident that poses an immediate threat to members of the WWCC community, the college has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the WWCC campus community. These methods of communication include phone calls, emails, and text messages. Individuals can sign up for this service on the <u>Campus Safety</u> and <u>Security Alerts</u> website.

# **Facility Security and Access**

During business hours, the College will be open to students, employees, and the community. During non-business hours, access to all college facilities is by key. Emergencies may necessitate changes or alterations to any posted schedules. Facility Services employees are alert to any breaches of security observed during the normal course of their duties. The buildings and grounds are periodically patrolled and breaches of security are reported to Facility Services. Individuals violating the building use rules adopted by the College may be subject to disciplinary proceedings and/or criminal prosecution. WWCC has no resident facilities and buildings are locked when the campus and grounds are closed and/or when the building is not used. Although WWCC does not have campus law enforcement personnel, close coordination with local law enforcement agencies is maintained on a 24-hour basis. Local law enforcement agencies communicate regularly on the scene of incidents that occur in and around the College and exchange information as deemed necessary. In addition, security cameras are installed in and around college facilities. Presently, WWCC is in the process of finalizing a written memorandum of understanding between the College and local law enforcement agencies to formalize a commitment to work together to provide support required to aid in the prevention and resolution of sexual assault at the College.

# **Drug and Alcohol Policies**

Drug and alcohol dependency is a very serious problem for abusers and their families. Confidential help is available from counselors located in the Student Development Center, in addition to various resources within the Walla Walla community. Information on referral, assessment, support groups, and treatment services may be found on the <u>WWCC Counseling</u> <u>Resources</u> website.

The College maintains a drug and alcohol free environment in accordance with Federal and State policies, in addition to a <u>Tobacco Free Campus</u>. In accordance with the <u>Student Code of</u> <u>Conduct Policy</u>, student discipline may be imposed for violation of the following alcohol and drug related offenses:

- The actual possession, use, sale, manufacture, consumption, or being under the influence of alcohol or intoxicating beverages, regardless of age, in classrooms, buildings, laboratories, auditoriums, library buildings, faculty and administrative offices, intercollegiate and intramural athletic facilities, parking lots, or any other college property or premises;
- The actual possession, use, sale, manufacture, consumption, or being under the influence of alcohol or intoxicating beverages, regardless of age, at any college sponsored activity, on or off campus;
- Public intoxication or being under the influence of alcohol or intoxicating beverages, or appearing in a state of intoxication;
- Violation of other College policy while under the influence of alcohol;
- Other violations of any College alcohol policies;
- Intent to or the actual possession, use, sale, manufacture and/or consumption of alcohol may only be allowed as part of the requirements of an academic program or with prior approval from the college President or designee.
- The use, possession, manufacture, delivery, sale, or being observably under the influence of any legend drug, including anabolic steroids, androgens, or human growth hormones as defined in <u>RCW 69.41</u>, or any other controlled substance under <u>RCW</u> <u>69.50</u>, except as prescribed for a student's use by a licensed practitioner;
- The use or possession of prescription drugs or medications belonging to another person;
- The misuse or abuse of prescription drugs or medications;
- The manufacture, transmission, or sale of an illegal drug, controlled substance, prescription drug or medication, or other prohibited substances described in <u>RCW</u> <u>69.41</u>;

• The use, possession, control, manufacture, transmission, or sale of drug paraphernalia; The use, possession, delivery, sale, or being observably under the influence of marijuana or the psychoactive compounds found in marijuana and intended for human consumption, regardless of form.

See additionally WWCC's <u>Drug Free Workplace Policy</u> and <u>Alcohol and Controlled Substance</u> <u>Testing Program Policy</u> applicable to employees and campus visitors.

# Sex Offenses and Registered Sex Offenders

WWCC educates the college community about sexual assaults and date rape through online training available 24-7. Literature on date rape education, risk education, and College response is available through the Student Development Center.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. WWCC strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation.

Incidents should be reported directly to local law enforcement and/or to the WWCC Title IX officer and/or to a student counselor. Filing a report with college personnel will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. Filing a report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam);
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the <u>Student Code of Conduct Policy</u> and in the <u>Student Conduct</u> <u>Process</u>. A student found responsible for violating the College's sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the College for the first offense. Student victims have the option to change their academic situations after an alleged sexual assault, if such changes are reasonably available.

In accordance with the <u>Student Conduct Process</u>, WWCC will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, WWCC will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

#### **Registered Sex Offenders**

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Clery Act and the Family Educational Rights and Privacy Act of 1974, WWCC provides links to the Walla Walla and Asotin County Sheriff's Office Sex Offender Registries on the <u>Student's Right to Know and Campus Security</u> website. Information concerning registered sex offenders in the Walla Walla and Clarkston valleys can also be obtained at the <u>Washington Association of Sheriffs and Police Chiefs</u> website. Any questions can be directed to the Walla Walla County Sheriff's Office at (509) 524-5400 or the Asotin County Sheriff's Office at (509) 243-4717.

In the state of Washington, sex offenders who are enrolled in a public or private institution of higher education are required to notify the local county sheriff's office immediately. The Vice President of Student Affairs at WWCC provides information to departments on campus of any Level 3 sex offenders who are registered students. Use of this public information to threaten, intimidate, or harass sex offenders will not be tolerated by the College or law enforcement agencies. In addition, any student violating this provision could be subject to disciplinary action pursuant to the <u>Student Code of Conduct Policy</u>.

# Violence Against Women's Act (VAWA)

The Violence Against Women's Act (VAWA) is a federal law enacted to improve the criminal justice and community-based responses to domestic violence, dating violence, sexual assault, and stalking and has imposed new reporting requirements. The Clery Act requires annual reporting of statistics for various criminal offenses, including forcible and non-forcible sex offenses and aggravated assault. The VAWA provision adds **domestic violence**, **dating violence**, and **stalking** to the categories. If the incident was reported to a campus authority or local police agency, it must be reported under Clery.

The following describes each of the new reportable offenses:

• *Domestic Violence* - asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

Washington laws provide protection to people who are subjected to abuse. Washington law defines domestic violence as: physical harm, bodily injury, assault, including sexual assault, stalking, or the infliction of fear of imminent physical harm, bodily injury or assault. This includes a wide variety of abusive behavior. Pushing, shoving, hitting, slapping, biting, choking or other conduct which causes harm or puts you in fear of being hurt can be domestic violence. These actions must occur between family or household members. Under the domestic violence law, this includes:

- Spouses;
- Former spouses;
- Persons who have a child in common whether or not they have been married or have lived together at any time;
- Adult persons related by blood or marriage;

- Adult persons residing together now or who have resided together in the past who reside together now or have in the past;
- Persons 16 years of age or older who are residing together now or have resided together in the past and who have or had a dating relationship;
- Persons 16 years of age or older who have or had a dating relationship;
- Persons who have a biological or legal parent-child relationship, including stepparents and step-children and grandparents and grandchildren.
- Dating Violence violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction between the persons involved in the relationship.
- Stalking Intentional and repeated harassment or following of another person which places that person in reasonable fear that the perpetrator intends to injure, intimidate, or harass that person. Stalking also includes instances where the perpetrator knows or reasonably should know that the person is frightened, intimidated, or harassed, even if the perpetrator lacks such intent.

WWCC's <u>Student Code of Conduct Policy</u> prohibits dating violence, domestic violence, sexual assault, and stalking as they are defined for purposes of the Clery Act and also prohibits the following: assault, physical abuse, verbal abuse, threat, intimidation, harassment, bullying, or other conduct which harms, threatens, or is reasonably perceived as threatening the health or safety of another person or another person's property.

# **Annual Crime Report Statistics**

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, WWCC prepares and distributes campus crime statistics annually for the most recent three-year period for Clery Act crimes, VAWA offenses, and arrests/referrals for disciplinary action for weapons, drug abuse, and liquor law violations.

The annual crime statistics are compiled from data provided by local law enforcement agencies and campus authorities in both the Walla Walla and Clarkston valley's. If you have questions regarding the statistics published in this report, please contact the Vice President of Student Affairs at Walla Walla Walla Community College.

#### The Hierarchy Rule

Per Clery Act requirements, when counting multiple offenses, WWCC uses the FBI's Uniform Crime Report Hierarchy Rule. This rule requires the College to count only the most serious offense when more than one offense was committed during a single incident. A single incident means that the offenses were committed at the same time and place. That is, the time interval between the offenses and the distance between the locations where they occurred were insignificant. Beginning with the most serious offense, the following list shows the hierarchy for Clery Act reporting:

- 1. Murder and Non-negligent Manslaughter
- 2. Negligent Manslaughter
- 3. Forcible Sex Offenses
- 4. Non-Forcible Sex Offenses
- 5. Robbery
- 6. Aggravated Assault
- 7. Burglary
- 8. Motor Vehicle Theft
- 9. Arrests
- 10. Referrals for Disciplinary Action

> Timely Warning Notification Administrative Policy

#### Policy Background/Purpose

Walla Walla Community College is committed to ensuring the safety of faculty, staff, students and campus visitors. In the event that a situation arises on campus that, in the judgment of the College President, Public Information Officer, Vice Presidents, and/or Director of Facility Services, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college email system and the emergency notification system to students, employees, and campus visitors. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the notice may also be posted on the College's web site at: <a href="https://www.wwcc.edu">www.wwcc.edu</a>

#### Authority

In 1998, the Federal Government passed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. In addition to the disclosure of campus crime statistics the act requires timely warnings of criminal activity to the campus community as well as the disclosure of various campus policies.
