DESCRIPTION: This is a free elective course offered to TRiO students, designed to help students develop strategies to adjust to the college experience. This course is comprised of a variety of skills workshop topics centered on academic, personal, and career success.

LEARNING OUTCOMES: Varies by workshop; specific learning outcomes will be shared at the beginning of each workshop. Students will complete a workshop evaluation and learning assessment at the conclusion of each workshop, which provides an opportunity to demonstrate knowledge mastery and offer feedback to assist the instructor in improving the workshop.

FORMAT: Varies by workshop. Workshops are taught face-to-face in classroom settings, online via CANVAS, or are offered in both formats. Students must meet with their TRiO Advisor prior to attending their first workshop to discuss and identify the 10 workshops that will best assist the student in attaining his or her academic, personal, and career goals. Additionally, students are expected to maintain weekly contact with their advisor regarding their workshop progress.

SCHEDULE: Varies by quarter. See advisor for list of current workshop dates, times, and topics.

MATERIALS: No textbook is required. Students should bring a pen or pencil to classroom sessions, as handouts and paper activities may be distributed. Students will need Internet access for online workshops.

ACCOMMODATIONS: To request accommodations related to a disability, Walla Walla campus students can contact Claudia Angus, Ph.D., Coordinator of Disability Support Services, at 509.527.4262 or claudia.angus@wwcc.edu. Clarkston campus students can see the Disabilities Coordinator located in Student Services.

CREDITS: 1 elective credit earned after successfully completing 10 workshops within one quarter.

GRADING: A final, cumulative letter grade is awarded at the end of the quarter after successful completion of all designated activities, assignments, quizzes, discussion posts, evaluations, and/or learning assessments. The grading scale is as follows:
