Chad Bodnar
Head Coach
Men’s and Women’s Soccer
BA, Washington State, 2003

Chad Bodnar is entering his third season at the helm of the Warrior Soccer program. In his first season Bodnar compiled a school best 24-1-2 record and added the programs third consecutive Eastern Region Title to its belt. The Warrior Women ran off 26 straight games unbeaten in 2005 before falling in the NWAACC Championship in Overtime. The 2006 Warrior squad again reached the final under Coach Bodnar and finished with a 23-2- record. Coach Bodnar was named the NE Region Coach of the year in 2005 in just his first season in charge and has placed 6 players to Division 1 schools in his two years. Bodnar worked as an assistant with the Women’s program during the 2001 season in which the Warriors were NWAACC finalists. He then took some time away from the program as he joined the Boise Capitals Soccer Club in Idaho as a Youth Director before he rejoined the Warriors in 2003. Bodnar also took over the Men’s program at WWCC that has been to three consecutive NWAACC Final Four Tournaments. Prior to his appointment with Walla Walla CC, Bodnar succeeded Coach Pardini as the Head Coach of the Pasco High School boys program in the Big Nine 4A Conference in Washington. The Bulldogs qualified for State 4A tournament play the past two seasons and finished the 2005 season as Washington State finalists after winning the Eastern Regional Tournament and Big Nine Championship. Bodnar was named the 2005 ‘All Region Coach of the Year’ by the Tri-City Herald for his performance.

A former Big Nine All Conference selection and USYSA Western Region IV team selection as a youth player, Bodnar went on to start four years for Wisconsin-Green Bay (NCAA Division I) and earn Midwest Collegiate Conference all-conference honors 2 years. He was named team captain his sophomore through senior seasons and was the team MVP in 1998. Upon completion of his eligibility, Bodnar was a 1st season

Greg Preciado
1st Season
Assistant Coach
Men’s & Women’s Soccer

Greg Preciado is entering his first year as a member of the Warrior Soccer staff. Preciado will assist both the Men’s and Women’s teams and will focus primarily with on field training and will be assisting heavily with recruiting for both programs.

Prior to his coaching career Greg had an outstanding playing career at both WWCC and then Evergreen College. An all-conference player at both colleges Greg led the Geoducks to a National Final Four appearance his senior year. Greg then went on to Play professionally in Mexico where he spent a year playing and training. Greg has also been a member of the PDL Indiana Invaders.

Quoting Coach Bodnar,’ Having worked with Greg as a player, I know he possesses a great deal of pride in what he does. He is a hard working individual and will be a great asset to our program. I look forward to having Greg on staff this fall’.

Aldo Munoz
1st Season

Coach Munoz enters the 2007 season as an assistant to the Warriors for the first time. Munoz will assist the Warriors with on field training and handle all travel duties.

Munoz, another ex-Warrior player moved on to play at Truman State in Missouri before coming back to join the WWCC staff. A state champion in high school at Wahluke, Aldo was an all conference performer everywhere he went. Munoz joined the Warrior staff in the spring and has been a valuable asset to training.

Quoting Coach Bodnar, “Aldo will be a huge addition to the staff this fall. His knowledge of the game is tremendous, and he is an incredible addition to us in terms of on and off field preparations. I am glad we get a chance to welcome him back to the program and hope he sticks around for a long time”.

Mike Pardini
1st season

Coach Pardini enters the first year of his stint on the WWCC staff with great knowledge of Coach Bodnar’s philosophy. A former assistant to Bodnar at Pasco high school, Pardini led the Bulldogs to a State Title in 2007. Pardini’s duties will primarily focus on Match day preparations and recruiting.

Pardini was an All Conference performer at Pasco HS with Bodnar and then moved on to play at Seattle Pacific University where he starred for four years. Coach Pardini was drafted by the Seattle Sounders and had a brief stint with them before coming home. Pardini was named Washington State HS coach of the year in 2007.

Quoting Coach Bodnar,” Mike is a valued asset to our program. I have worked with him previously, and appreciate his knowledge for the game as a player and as a coach. We share a very similar philosophy and have shared a lot of success together. I am very glad to have him as a part of our program and look forward to working with him again”

Coach Bodnar is married to wife Lindsay and resides in Pasco, WA.
Kyle Vierck
1st Season (Goal Keepers)

Coach Vierck joins the Warrior staff this fall with an incredible amount of knowledge in dealing with Goalkeepers.

A former All Conference performer and player at Montana State and Butler University, Vierck will focus his attention in to molding WWCC goalkeepers in to all conference performers. The Warriors have a valued tradition of good goalkeeping and Vierck will look to continue the success.

Vierck has been a Head high school coach at Southridge HS in Kennewick WA, and Hanford HS in Richland WA.

Quoting Coach Bodnar, “Kyle likes to work hard and push people to reach their highest potential. He has great experience as an assistant and a head coach and will be a valuable asset to the WWCC goalkeepers. I am glad we have a chance to have Kyle as a part of our program”.

The Warrior Soccer Program is very active in the local Walla Walla community and involved in several outreach programs to work with local youth. Current and former Warrior players will be working again this school year to provide mentors for the local Walla Walla Parks and Recreation community program and also to provide technical coaching for the Blue Mountain Soccer Club. Players are licensed through the National Soccer Coaches Association of America and spend at least one evening a week with the children. In addition, coach Bodnar is an active speaker with the ‘Educational Talent Search’ and ‘Gear Up’ programs which reaches out to children in the elementary and secondary schools in the Walla Walla Valley. Coach Bodnar also hosts local coaching clinics for youth coaches around the Walla Walla Valley.

With a very active scholarship initiative to reach at risk youth, the Warrior camp and academy program attracted over 150 players from ages 5-12 years of age over the 2006-07 school year. With our mentoring program entering its third year with Walla Walla Youth Soccer in place for this coming Fall, we hope to effect close to 1000 athletes in the Walla Walla Valley Community.

In addition, Warrior Soccer is home to the Blue Mountain Exchange held every March for girls at the TCYSA Complex in Pasco and for boys in Walla Walla, WA. Held in co-operation with Three Rivers and the Blue Mountain Soccer Club, the Blue Mountain Exchange attracted better than 100 Premier teams to the region from across the Northwest and Canada. The Exchange has grown into an annual event featuring an NCAA Showcase and lively entertainment throughout the weekend to augment the high level of play on the field. The Blue Mountain Exchange has become a vital part of the spring economy in Walla Walla and the Tri Cities and an annual event on the Northwest Soccer calendar.

Shayna Jones
Borah HS, Borah, ID
Freshman
Fullback/ Midfield

IN BRIEF
An all conference performer as a midfielder at Borah High in Boise, Shayna is a very talented athlete. Jones played with the Boise Capitals soccer club and was a member of Idaho odp. With her tenacity and work rate Shayna will compete for a starting spot right away and will add a tremendous amount of depth for the Warriors in 2007.

Sidonia Davin
Kamiakin HS, Kennewick, WA
Freshman
Midfield

IN BRIEF
Sidonia Davin is an All conference midfielder out of highly touted Kamiakin high school in Kennewick Wa. Davin won a Mid Valley league championship while at Kamiakin and helped guide the Braves in to a state quarterfinal appearance. Her pace and athleticism will add a needed dimension in the midfield and up top for the Warriors in 2007, and she will look to play valuable minutes.
With the addition of some quality freshman and the returning of 12 from last year’s NE Champion and NWAACC Runners up, the Warrior Women look to be very strong again in 2007. After winning the Division Title the last four years in a row, this year's group has a strong tradition and high expectations coming in to the 2007 season. With quality speed all over the field and a mix of experience and technical ability, the Warriors will look to make a run deep in to the post season once again this year. "I am always very excited and optimistic when I look at the quality of student-athlete we get to be a part of our program here at WWCC. We work very hard in the off season to bring in good people, and this year’s class will be no different. With good leadership and hard work, I am confident we will be contenders again this year when the end of the season rolls around." (Warriors Coach Chad Bodnar)

FORWARDS
The 2007 Warrior front runners will look to once again be one of the most dangerous front lines in the conference, despite losing NWAACC MVP Lauryn Koeitzer. With returning all conference performers Candice Duffy and Corrie McNeill and a pair of returners in Hailey Hohnet and Danielle Rodriguez who both hit double digits in goals last year, there is no fire power lacking. Justine Jones and Alli Krous also saw time up front last season when goals were needed. A lot of experience and explosiveness from this group should lead to problems for many teams in the NWAACC. "This is an exciting group to have back. There are six or seven girls fighting for two or three spots up top, and all of them are dangerous. I am looking forward to seeing a lot of balls hit the back of the net this season"

Midfield
Experience, once again describes the midfield of the Warriors in 2007. All NWAACC performers Jones and Krous will anchor the middle of the park, and Tori Almaras will return after having gained a ton of experience in 2006. Jennifer Finders and Sidonia Davin will add a lot of technical ability and pace after coming of very successful high school and club careers. Finders won two state titles as a high school player at Boise HS in Idaho and multiple Club state Championships anchoring the middle of the park. Davin helped lead Kamiakin HS to a CBL title and will look to add depth and quickness to the midfield. "Losing Welch and Nebeker last year hurts, but Jones and Krous ran the midfield for us in 2006. McNeill can pop in and out of the Midfield, and Davin and Finders were two of the first kids I went after last fall. They are both very good players and will make an impact right away. We are very solid in the Midfield, and the depth allows us to pop in and out of a few different shapes to give our opponents some different looks."

Backs
The 2007 backline will be very similar to the 2006 backline for the Warriors with returning ALL Conference centerback Taylor Sinclair anchoring the middle. Captain Tana Renz and returning starter Ellie Weber will be joined by Newcomer Arielle Gonzalez and Shayna Jones who will both be competing for the fourth spot. This group will miss Lydia Beyerlein to NCAA D-1 U. Wisconsin Green Bay, but will add some depth in Gonzales and Jones. "We have some options in what we do in the back with the three returning players we have. Jones could see some time as a fullback, or in the Midfield for the Warriors and Arielle was an Idaho All State Selection. I am very confident in the abilities and the work rates of Renz, Weber, and Sinclair. With the goal keeping we have and this group of players in front of them, we should be very strong again in 2007. After winning the Division Title the last four years in a row, this year's group has a strong tradition and high expectations coming in to the 2007 season. With quality speed all over the field and a mix of experience and technical ability, the Warriors will look to make a run deep in to the post season once again this year. "I am always very excited and optimistic when I look at the quality of student-athlete we get to be a part of our program here at WWCC. We work very hard in the off season to bring in good people, and this year’s class will be no different. With good leadership and hard work, I am confident we will be contenders again this year when the end of the season rolls around." (Warriors Coach Chad Bodnar)

GOALKEEPERS
The Warriors have had All Conference goal keepers the last five years and this year looks to be no different. The 2007 duo of returning NWAACC NE All Conference selection Sharee Fitzgerald, and MVL All Conference Selection Liz Homer look to be one of the best duos in the NWAACC. Fitzgerald comes in healthy this year after fighting mono last summer and still being selected all conference. Homer has the size and ability to be a very good college player and will push Fitzgerald for minutes all year. "I thought the depth at the goalkeeping position last year let us down a little and wanted to fix it this fall. We've definitely added depth in Liz. She is extremely athletic, and has a great physique for a goalkeeper. Sharee will be pushed this year, which will make her better in the long run. I am excited about having these two in training all year."

IN BRIEF
Homer joins the 2007 edition of the Warriors as an all conference performer and all state selection in Idaho. Gonzalez captained her Middleton High school squad that was very successful in 2006. Her strength and work rate will add depth to a strong Warrior backline and Arielle will look to adjust to the college game quickly.

Jennifer Finders
Boise HS, Boise, ID
Freshman
Midfield

IN BRIEF
Finders comes to WWCC from Boise High School in Boise Idaho. An all conference performer while at Boise, Jenn also competed for the Boise Captials soccer club and was a member of Idaho opd. Finders helped lead Boise High to a State title in 2005 before injuring her knee and missing the 2006 season. Jenn is fit and ready to play and will be very valuable in the Warrior midfield in 2007. Jenn's sister Dana was a member of the 2003 and 2004 WWCC team.

IN BRIEF
Homer comes to Walla Walla from Hanford High School in Richland Wa. Liz was an all conference goalkeeper while at Hanford and helped lead the team to two mid Valley league championships. A very athletic and tall goalkeeper, Homer will look to challenge Sharee Fitzgerald for time in goal. The Warriors will be blessed with two goalkeepers who could start on any team in the NWAACC.

IN BRIEF
Arielle joins the 2007 edition of the Warriors as an all conference performer and all state selection in Idaho. Gonzalez captained her Middleton High school squad that was very successful in 2006. Her strength and work rate will add depth to a strong Warrior backline and Arielle will look to adjust to the college game quickly.

Walla Walla Community College Men’s Soccer enter the 2007 season eager to return to the NWAACC Final Four and win the program’s first Northwest title. The Warriors return 10 sophomores in 2007 and hopes are high that the returning players, along with a strong incoming group of freshmen, can return Walla Walla to the Final Four. The Warrior’s freshman class includes 6 Washington state all- state selections and three Idaho state all state selections along with all conference and ODP players.

GOALKEEPERS

Jason Schadler returns for his sophomore season after posting impressive numbers his first year in Walla Walla. Schadler posted a 11W-1L-1T record while conceding only eight goals and earning three shutouts. He’s joined by incoming freshmen Jeremiah Robinson (Lewiston HS). Schadler was an All-State selection in Washington his senior year after backstopping the Bulldogs to a District title and the 4A State Final and led the Warriors to the best record in program history in 2006.

Coach’s Comments: ‘I’m excited at the quality of our goalkeeping for this upcoming season. In Schadler, we return an experienced starter who has proven himself to be capable of performing at a high level in a big game. Both Jason and Jeremiah have big game experience and their contrasting styles – Schadler being a big, positional goalkeeper while Robinson is a more agile shot stopper – provide us with good options in goal. Add to that a new goalkeeper coach in Kyle Vierck, and I feel very confident we’ll continue to have excellent goalkeeping.’

DEFENDERS

NWAACC All-Conference selection Franky Licon is the only returning starter from last year’s team that allowed only 18 goals in 26 matches. Licon can play in the middle or on the edges of the back three and will be counted on to provide some experience. In addition the Warriors will add All-State selections Rafael Sanchez (Wahluke HS), and Sherlock Holmes (E. Valley HS) both who led their teams to state titles in Washington. The outside of the back line could see Jordan Hacker (W. Valley HS), Jake Underwood (Timberline HS), and returning sophomore Jimmy Merkley (Pocatello) all battling for time as well.

Coach’s Comments: ‘This will be an interesting situation in the back depending on how we figure things out shape wise. If we play with a three back- there is going to be some fierce competition in terms of who is on the field. We have a very good mix of speed and athleticism, and big physical players who are good in the air. I am very confident this will be a very good backbone.’

MIDFIELD

Walla Walla sees the return of 2005 star midfielder Bryan Neal back from his mission in 2007. Neal led the Warriors to their first final four appearance in school history before leaving for his mission. Also returning for the Warriors is Brian Griffiths who saw action in 19 games in the middle of the park and scored two goals and played some very important minutes.

FORWARDS

The Warriors return two of their top three goal scorers from 2006 in Leo Diaz and Julio Morales. Diaz tallied 19 goals playing up top while Morales played in the midfield and up top and still managed to score 10 goals for the Warriors. The Warriors will also add two all state selections from 4A state champion Pasco High School in Rocky Snyder and Bryce Wilson, and one all state selection from 2a Prosser in Louis Mendoza. All three could fill roles in the Midfield and up top for the Warriors. Brock Ogami will also fill a role either up top or in the midfield and will fight his way in to a packed line up. The Warriors also return Milton Freewater star Victor Corona who found the net several times in 2006 and Alex Young who is scary with the ball in open space.

Coach’s Comments: ‘With Julio, Victor, Alex, and Leo all returning, we have some established players that should be compatible with our midfield and our style of play. Leo had a dominant year as a freshman and was consistently dangerous no matter where we played him. In Julio, we have a player who impacted several important games with his offensive punch and technical ability. The addition of Bryce, Rocky, Brock, and Louis and having guys like Victor and Alex back will definitely provide us with a lot of options and a ton of firepower.’

Beyerlein signs with UW-Green Bay

Warrior Sophomore Lydia Beyerlein has signed a letter of intent to continue her soccer career at the University of Wisconsin-Green Bay. UW-Green Bay is a Division I program that is headed by Quinn Ross, and Green Bay is the former home of Warrior Coach Chad Bodnar who was a standout on the soccer team there. While coach Bodnar was a member of the Phoenix, he was coached by Coach Ross.

Beyerlein is part of an impressive recruiting class for the Phoenix. “You never really know the impact of a recruiting class until two or three years into the process, but this is definitely one of the deepest we have signed,” said Ross. UW-Green Bay finished the 2006 campaign with an 8-7-2 record.

Beyerlein was a 2-time All-Conference selection as a defender while a member of the Warriors. She was credited with 6 goals her freshmen year and 2 assists as a sophomore. A 3-time All-Conference selection at Moscow High School in Idaho, Lydia was a Defensive MVP of the league her senior year and an Idaho ODP selection.

Coach Bodnar’s Comments:
“I am extremely proud to send an athlete like Lydia to UWGB. I had a great experience as a Phoenix athlete and love coach Ross. He will enjoy having Lydia, and although I am sad to see her leave WWCC, I am excited for her future.”

Koelzer becomes 4th Warrior in 2 years for EWU

Warrior Sophomore Forward Lauryn Koelzer has chosen Eastern Washington University and signed a letter of intent to play for the Eagles. She will join 3 Warriors from the Class of 2005 on the Eagle roster; Forward Shelly Ikerd, Goalkeeper Ashley Renz, and Defender Carrie Conners.

Koelzer had an amazing 2 years at WWCC as she was a 2-time All-Conference selection and was named NWAACC MVP in 2005 when she notched 31 goals and 21 assists, a Warrior freshmen record.

Koelzer added 21 goals and 9 assists for the Warriors in 2006 as they reached the NWAACC Championship Game for the 2nd straight year.

Coach George Hageage comments on Lauryn: “Lauryn has a tremendous work rate and will be able to plug in up top or as an attacking center midfielder. She was a late addition to our recruiting class; however, I am reminded about the saying, “saving the best for last.” Lauryn could be a huge impact on our ability to score goals and gives us the best depth up top we have ever had.”

Koelzer was a 2-time 2A Washington State player of the year in high school and helped lead Connell to 2 state championships.

Coach Bodnar’s Comments:
“Lauryn is one of my favorite athletes I have ever coached and I am excited for her to have the opportunity to get to play D-1 soccer. Coming from such a small high school, I feel good about the fact she came here and has a chance to enter the big stage and see what she can do. If she approaches things right, she will be on the field a lot this fall.”

Crim signs with Chico State

Sophomore Midfielder Zach Crim has signed a letter of intent to play at Chico State University, a Division II program in Chico, CA. Crim will join former Warrior Ian Hilgert with the Wildcats who are coached by Mike O’Malley. “We are very excited about acquiring Zac,” O’Malley said. “He’s very strong in the air all over the field. His athleticism and fitness allow him to compete at a high level.”

Crim was a 2006 All-Conference selection for the Warriors when he scored 5 goals and tallied 21 assists. He scored 15 goals to go with 7 assists in a strong freshmen season.

Crim has several records for WWCC. He holds season and career records for assists with 28 and 21 respectively. He also holds the record for total career starts and consecutive starts with 51.

Coach Bodnar’s comments:
“Zac is a good player with a ton of ability. It is good to see him go to such a quality program. He will enjoy his time in Chico, and I fully expect him to be a valuable asset to their program.”

Pulse to join S. Florida College

Daniel Pulse will play at South Florida College next year. Pulse played in 21 games as a freshman in 2004 and scored 1 goal from his midfield position. He missed the entire year in 2005 due to an injury. In 2006, Pulse played in 23 games and started 19 as he recorded 1 goal and 2 assists. Pulse was a All-Conference selection and a senior captain for 4A Eisenhower HS in Yakima, WA.

Sinclair to play at D-I Maine University

Warrior Sophomore Corey Sinclair has signed a national letter of intent to further his soccer career at NCAA Division I University of Maine. The Black Bears are coached by Pat Laughlin. “Corey is an outstanding athlete who brings experience and collegiate success with him to Maine,” said Laughlin. “I expect him to come in and make a contribution immediately.”

Sinclair started in all 25 games for the Warriors from his centerback position. Sinclair was a transfer from Northwest University where he started 13 games and played in 14 for the Eagles as a freshman. A product of Richland HS, he was a 2-time All-Conference selection, named to the Tri-City Herald’s All-Area team, and a Co-MVP his senior season.

Coach Bodnar’s comments:
“I am glad Corey gets the opportunity after being unhappy with his first four year college choice. It makes me feel good to give a kid another chance, and a chance at the highest level of collegiate soccer in the US. I hope Corey goes in and works hard and does well for himself.”
Milligan Signs with Thunderbirds

Warrior sophomore Courtney Milligan has signed a letter of intent to play for NCAA Division I Southern Utah University and head coach Brian Stock. Stock guided the Thunderbirds to a 7W-4L-6T mark in 2005 and a semifinal appearance in the Mid-Continent Conference Tournament. Milligan is the fifth Warrior to sign for a Division I program this Spring. Brittnie Dugger has signed at Boise State, while Ashley Renz, Shelly Ikerd, and Carrie Conners have all committed to play at Eastern Washington University next Fall. In addition, Alyssie Ginkel has committed to Whitman College (NCAA D3) for next Fall.

Milligan was a two time NWAACC All-Conference selection in the midfield and was a part of two Northeast Conference winning teams in her two years in Walla Walla. The Warriors were 39W-3L-4T in her two seasons. She is also an NWAACC Academic All-Conference selection, a President’s List Student, and named to the National Honor Roll. Milligan was also a Foundation Scholar recipient at Walla Walla CC. Milligan scored four goals and added 21 assists in 46 starts in her two year career in Walla Walla.

As a youth player, Milligan won an Idaho State Championship as a member of Boise Capitals SC and represented Idaho ODP for five years. She played her high school soccer for Skyview in Idaho Falls and is a product of FC Extreme. She was the Post Falls Register Player of the Year in 2004.

Comments from Brian Stock, SUU Head Coach:

'We are excited to add a player like Courtney to our squad. She is solid on the ball and distributes well. She also has a great work ethic and will win the challenges in the middle third. We are pleased to add a player with two years of college soccer experience under her belt. The staff at Walla Walla do a great job of preparing their players for success at higher levels and Courtney will fit well into the team concept we are building at SUU.'

Comments from Chad Bodnar, WWCC Head Coach:

'We are Glad to see Courtney go on to the next level after a successful tenure here at Walla Walla Community College. It’s an exciting opportunity for her and we hope she does well with it.'

Milligan is a two time NWAACC All-Conference selection and was the NWAACC Player of the Year in 2004 as a freshman. She led the NWAACC in goal scoring both of her seasons in Walla Walla and holds program marks for goals in a season (45 as a freshman) and career (75) as well as points in a season (89) and career (165). She was also named the All-Conference game MVP in 2004. Ikerd is a product of Boise HS and Boise Capitals SC and represented Idaho ODP for five years prior to coming to Walla Walla. In the classroom, Ikerd is a Biology major who was named to the President’s List and National Honor Roll as a freshman.

Comments from EWU Head Coach George Hageage

Chad, and John before him, have done a great job with their players. They are one of the few coaching staffs at the CC level which consistently develop their players so that they are better after two years at Walla Walla than when they first started. I can’t underscore enough how rare that is at their level.

Ashley - Perhaps one of the most important additions to our squad, Ashley will be able to come in and use your athleticism and experience to push for a starting spot. Ashley reminds us of Tiera Como in her presence and ability. We are extremely lucky to have Ashley join us for next year and are quite excited to see her in Eagle red!

Carrie - Carrie versatility, athleticism and ability to read the game will give us the ability to try some different systems of play next year. I see Carrie as an integral part of next years squad either as a defender or up top. I am excited to have the opportunity to coach Carrie next fall!

Shelly - Shelly is a tremendous goal scorer!! She has proven herself at every level. Her quickness and ability to strike shots with either her right or left foot will finally give us a player who is a threat to score at anytime!

DUGGER SIGNS WITH BRONCOS

Boise State Head Coach Steve Lucas announced the signing of Warrior midfielder Brittnie Dugger to a National Letter of Intent to play for the Broncos. Boise State play in the Western Athletic Conference and finished their 2005 campaign with a 10-8-2 record. As a Warrior, Dugger compiled impressive numbers in her sophomore season. She captained a team that went 23W-1L-2T and won their third consecutive conference crown while starting in all 26 matches. She was named an NWAACC All-Conference selection and notched 16 goals to go with 11 assists. In the classroom, she was
recognized as an Academic All-Conference selection and was named to the Dean’s List at Walla Walla CC. Dugger was a transfer from the College of St. Rose, an NCAA D2 institution in New York. Dugger was the Washington State 4A and Big Nine Player of the Year in her junior and senior seasons as Richland High School captured a state title. She played her club soccer for Three Rivers Utd and represented Washington ODP.

Comments from WWCC Head Coach Coach Bodnar
Our program was very excited to bring in Brit with the hopes of placing her somewhere she would be happy after being in New York her freshman year. She came in and was a vital part of a very special team last year. We are very excited about Brit heading to BSU. She is going to have to work hard in the off season to compete for a role, but definitely has the potential to add a special dimension to Steve’s squad. BSU is a program on the rise and we are very happy to be able to add a great person to their roster.

Comments from BSU Head Coach Steve Lucas
We are very excited to have Brittney join our program. She will fit in to our style of play on the field. We expect her to come in and make an immediate impact on our team.

GINKEL HEADS TO MISSIONARIES
Alysse Ginkel has committed to play for Whitman College and Head Coach Scott Shields for next season. Ginkel, who scored 15 goals and added 11 assists in her two years in Walla Walla, will move across town to join a Missionary team that went 10W-6L-3T last season and were ranked Regionally most of the Fall.

Ginkel was a part of two Conference champion teams in Walla Walla and won an Idaho State 5A Championship with Boise High School her senior season. A product of Boise Capital's Soccer Club, Ginkel was also a three time Idaho ODP State selection as a youth player.

ASANO BOUND FOR CANADA
Ryosuke Asano, who spent three years in the Warrior program, has transferred to play for St. Mary’s University in Nova Scotia. Asano, who red-shirted his freshman season, joins a Husky program coached by Stuart Galloway that has been to the Canadian Championships the past three seasons and been consistently ranked in the top six nationally in Canada.

Comments from Warrior Head Coach John Charman: Ryo will have to adjust to the physical nature of play in Eastern Canada but he’s developed tremendously here the past three years and has really learned to use his technical tools within the context of a collegiate speed of play. He’ll get to play his home contests on an artificial surface and that will be a great advantage to him.

MUNOZ AND KEMPE JOIN TRUMAN STATE IN MISSOURI!
Aldo Munoz and Gavin Kempe will be heading to the Midwest to join Truman State in Missouri. The Bulldogs, coached by Duke Cochran, reached the second round of the NCAA Division II tournament last Fall and are perennially Nationally ranked in the top 20 in the country. Munoz, who was an All-Conference selection as a sophomore, tallied seven goals while adding a pair of assists this past Fall while holding the midfield and captaining the team. Kempe shares a career record with Munoz for most starts in two years with 49 and has been a fixture in the Warrior back three both seasons in Walla Walla.

Comments from Warrior Head Coach John Charman: It’s an exciting and interesting opportunity for both Aldo and Gavin. Truman State has done very well on the field and is a good academic environment for both of them to complete their college careers. Aldo’s been a great leader here in his two years and brings a calming presence to the field. I’m sure that will translate well for Truman State next Fall. Gavin’s never really stepped out of the starting lineup since he arrived here and is one of the most consistent defenders I’ve worked with. He’s strong in the tackle and very good in the air and I feel has all the tools required to be a good player in the Midwest.

HILGART HEADING TO CALIFORNIA
Ian Hilgart will be joining Chico State next Fall. The Wildcats are coached by Mike O’Malley and have been a consistent power on the west coast at the NCAA Division II level for many years. Hilgart tallied five goals and added 10 assists his sophomore season in Walla Walla despite missing most of the first half of the year due to injury. A skillful attacking player, Hilgart will compete for minutes in the Wildcat midfield.

Comments from Warrior Head Coach John Charman: Ian’s sophomore season was disrupted by injury but when he regained fitness halfway through the year, he really demonstrated the tremendous potential he possesses. He’s a quick, technical player with good attacking instincts and a competitive nature that I feel will do very well at Chico State. He can play in many different places and that should be an asset for him as he tries to work his way into the Wildcat lineup.

GENTLE JOINS ‘YOTES
Jared Gentle has signed to play for Head Coach Brian Smith and Albertson College next Fall after compiling a 13W-2L-2T record as a sophomore with the Warriors. Gentle, who was an All-Conference selection, secured nine shutouts as a sophomore in leading the Warriors to their second straight Conference title and to the NWAACC Championship game. Gentle holds Warrior records for wins in a season (13) and career (22), shutouts in a season (9) and career (13.5), goals against per game in a season (0.76) and minutes played in a season (1530). Gentle will compete with former Warrior Robbie Erickson for time in the ‘Yote goal.

Comments from Warrior Head Coach John Charman: Jared is a great opportunity for Jared. He’s developed into a very good college goalkeeper in the last two seasons and I’m confident he and Robbie will battle day in and day out for the starting role at Albertson. They train very well together and have a good relationship so I would think it’s a very good situation for the both of them.

Warriors. Gentle, who was a two time Idaho ODP State selection as a youth player.

Comments from Warrior Head Coach John Charman: Jared’s never really stepped out of the starting lineup since he arrived here and is one of the most consistent defenders I’ve worked with. He’s strong in the tackle and very good in the air and I feel has all the tools required to be a good player in the Midwest.
