Welcome to the 2009 Warrior Softball season! In December, our own Coach Staudenmaier was honored by the National Fastpitch Coaches Association for recording the 300th win of his career during this past season. He was named a ‘2008 Easton Victory Club Winner’, having compiled a 317-200 career record in his 11 years as head coach at WWCC. This season, coach Staudenmaier will look to continue the winning tradition of Warrior Softball, as female student-athletes drawn from our four-state region compete at a high level on the field and in the classroom. We look forward to a busy and exciting Spring season and hope to see you at the ballpark supporting our Warriors.

SEASON PREVIEW

The 2009 Warriors look to continue an established tradition of success. Returning three starting sophomores from a season ago and having a talented recruiting class of newcomers, the Warriors will have a great chance to compete for an Eastern Region and NWAACC Title in head coach Mike Staudenmaier’s twelfth season.

Staudenmaier begins this season after a very successful season where the Warriors made it, again, to the NWAACC Championships. This team already has great chemistry and a desire to win two championships this spring. The Warriors know how to win and have a better understanding of how to win the Eastern Region. They have set their sights on the Eastern Region and NWAACC Crowns.

“The players have what it takes to reach our goal this season - to make the NWAACC Championship and win it,” Staudenmaier said. “We know it’s a battle in the East and NWAACC and our players believe in what we’re trying to do”. “We have a disciplined, competitive group of newcomers and our veterans are extremely motivated and proven winners. “This is a good club and it’s going to be a fun season”.

Pitching – One sophomore returns, Makenzie Marchbanks, who had a tremendous work load in the circle last spring by doing the majority of the pitching, winning 18 games in 2008. Marchbanks was a 2nd Team All NWAACC East selection and also made All Tournament Team at the NWAACC Championships. She also plays 1B. Marchbanks is a competitor and we look for her to have a great year this year with the added depth to our staff. Elayna Van Hess was the Warriors top recruit this past year. Van Hess will pitch and also play OF. These two will be both in the top five for best pitchers in the NWAACC. We are looking for good things from them. If they do their jobs, we will win a lot of games.

Catcher – The Warriors return Michelle Newbill who takes care of the staff really well. Newbill also plays 1B. Two freshman catchers were recruited this season and both will see time behind the plate, Shaila Rivers and Kim Brown. These are two good catchers. Both kids compete well and both are excited to be catching two of the best pitchers in the NWAACC. Rivers will do most of the catching and Brown will be more of a utility player, mixing in at OF and 1B.

Infield – Walla Walla’s defense – led by sophomore Emily Anderson (2B). Anderson was an NWAACC All Star. Recruited in were Lyndsey Minnich, Kelsie Didion, Jill Haney and Marisol Pedroza. Minnich (3B) will also hold down the middle of the batting order. She has great power and is a very good player. Didion (SS) is a steady play that lets nothing bother her. Haney (2B) and Pedroza (3B) will be battling for time and are very good players.

Outfield – The Warriors have three sophomores returning in the outfield. They are Tressa Robins, Arielle Gonzales and Megan Kessler. All put in some time last season and look to compete for some time this spring. Recruited in were Natalie Leyland, Fran Leyland, Kathryn Jones, Jadey Jones and Kayla Hutcheson. All will compete for starting spots in the outfield.

Schedule – The NWAACC Eastern Region will again be a grueling year. All of the teams are capable in making it to the NWAACC Championships. But before Walla Walla embarks on the conference schedule, it will spend most of its preseason schedule against great competition, including dates with North Idaho, a team that is a Junior College power house and Eastern Oregon, a four year school the competes in the NAIA.

MIKE STAUDENMAIER – Head Coach (12th Year)
Assistant Coach – Jessie Buehler (6th Year)
Assistant Coach – Katie Buehler (6th Year)
Coach Staudenmaier begins his twelfth season at the helm of the Lady Warriors with a career record of 317W-200L. After five successful seasons as a head assistant coach in the Warriors Baseball program, Coach Staudenmaier continues WWCC’s winning ways on the softball diamond.

In his five years as head assistant coach, Staudenmaier served as the pitching coach for four Eastern Region championship teams. The 1994 Warriors were NWAACC runner up.

Prior to returning to Walla Walla, Mike was part of four straight NAIA District One winners as a coach and player at Whitworth. He registered saves in each Pirate victories during a best-of-three District One playoff series in 1989 and 1990.

In the mid and late 80’s, Mike starred at Walla Walla High School in football and baseball. He was also selected to the NWAACC Eastern Region first team as a pitcher for Walla Walla Community College, where he earned an A.A. degree in 1988.

Staudenmaier’s coaching experience includes two years as WWCC’s assistant women’s basketball coach. Both the 1994-95 and 1995-96 Lady Warriors qualified for the NWAACC Eastern Region playoffs. Away from the field, Mike’s lengthy resume includes his current tenure as head trainer for Warrior athletics, supervisor of WWCC’s athletic facilities, head equipment manager, and instructor of sports medicine classes. Despite the hectic schedule, Mike is setting time aside to pursue a master’s degree in athletic administration.

A positive role model, teacher, and coach, Staudenmaier expects his team to contend for the NWAACC Eastern Division and NWAACC titles. In his first two years with the softball program he tallied two 20 plus win seasons and a 39-8 mark in his third. In 2001, the team went 25-21 and placed fourth at the NWAACC Championship Tournament. The 2002 team went 36-11 overall, and won the Eastern Region Softball title, with a 25-5 league record, for the first time in school history. In 2006, the Warriors made it back to the NWAACC Tournament with a 3rd place finish in the tough NWAACC Eastern Region. In 2007 the Warriors went 39-18 with a 5th place finish at the tournament. Last year the Warriors set a school record with 41 wins and only 17 loses and finishing 4th at the NWAACC tournament. In his eleven years at the helm, he has had twelve NFCA/NWAACC All-Americans, one North Eastern Region MVP, two Eastern Region MVP’s, and two Eastern Region Pitching MVP. He has also had thirty five 1st Team All NWAACC players, twenty 2nd Team All NWAACC players, and 42 sophomore All-Stars. seven of his players have made the All NWAACC Tournament team, and sixteen players have been awarded the NFCA All American Academic award. One catcher has been voted Diamond National Catcher of the Year. Mike was awarded the prestigious Speedline National Coach of the Year award in 2000. The National Fastpitch Coaches Association presented the award in San Antonio, Texas at their National Convention. Coach Staudenmaier has totaled an amazing 317 victories in ten seasons at the helm of the Warriors. With all of these accomplishments, he is most proud of how his players have maintained a team GPA over a 3.0 each quarter for the eleven years he has coached.
Jessie Buehler  
**ASSISTANT COACH**

Jessie enters her sixth year of coaching the Warriors. Jessie played in the 2001 and 2002 seasons, where she started in centerfield her sophomore year. Her team in 2001 ended with an impressive 4th place finish at the NWAACC tournament and the 2002 team finished 36-11, capturing the Eastern Region Title. Jessie finished her career as a Warrior by being selected team MVP, Captain and 1st team All NWAACC (2 yrs.), Eastern Region MVP (2002), Louisville Slugger NWACC All-American (2002) and to the sophomore All Star team in 2002. She then went on to play Div. 1 softball at Troy State University in Alabama. We are very happy to have Jessie’s help this year again. Jessie will coach at first base and work with the outfield. She demonstrates tenacity, loyalty and intensity with everything she teaches to the team. Jessie will use her leadership qualities to encourage this year’s team. Jessie also coaches Varsity Volleyball and Junior Varsity Basketball at Waitsburg-Prescott High School.

Katie Buehler  
**VOLUNTEER ASSISTANT COACH**

Katie enters her sixth year of coaching the Warriors. Katie played in the 2001 and 2003 seasons, where she started at 1B her sophomore year. Her team in 2001 ended with an impressive 4th place finish at the NWAACC tournament and the 2003 team finished 29-14, finishing 5th at the NWAACC tournament. Katie finished her career as a Warrior by being selected MVP, Captain, Big Bat and 1st team All NWAACC (2 yrs.), Louisville Slugger NWACC All-American (2003) and to the sophomore All Star team in 2003. It is great to have Katie’s help again this year. She brings the mental game into the dugout. Katie will work as our bench coach, keeping the kids focused, and also work with the infielders. She is very loyal and works extremely hard at what she does. Katie is also an assistant for Waitsburg - Prescott varsity volleyball.

RINGOR

Revolutionary Technology

Ringor has forever revolutionized the way spikes are made to improve performance on the field.

Comfort, Safety, Performance.

RINGOR increases comfort, safety and performance with the patented circular 4-spike design. Maximum traction at the ball of the foot eliminates "point pressure" and achieves explosive speed and quickness in all directions.

RINGOR puts the proper drop step action in the 2-spike heel design for less risk of twisting injury when stopping.

Molded full length EVA midsole and running shoe style insole provide extra cushioning and comfort.

RINGOR’s Flex point and F.A.S.T.™ arch technology allows your foot to bend naturally reducing stress on the metatarsal bones.

Put this all together in one shoe, and it is easy to feel why RINGOR has revolutionized the way spikes are made.

RINGOR’s innovative sports fabrics for uniforms, apparel, and bags give you maximum comfort, performance, and durability.

RINGOR is a manufacturer focused solely on quality and service. Our aim is to please you, the customer, by providing you with a superior product and excellent customer service.

On October 11, 2008 the Warrior Softball Family welcomed back 17 former players, coaches and a super fan, to participate in the 1st Annual Old Timers Alumni Games. The doubleheader was held in the evening hours to show off the new lights on Warrior Field. The stands were packed with friends and family who witnessed a well played game, eventually won by the 2009 Warriors, 3-1 & 5-0. We are already looking forward to and planning next year’s Alumni Weekend with the baseball team, and are hoping to see many more of the old players. The plan is to add more events to the weekend in the future including a golf tournament.
Light Ceremony

Spearheaded by Walla Walla County Commissioner Greg Tompkins, the baseball and softball fields on the campus of WWCC were lit up for the first time on May 10, 2008. Tompkins, the father of former-Warrior star Michael Tompkins, worked closely with WWCC President Steve Van Ausdle to raise money and awareness for this project. A significant amount of money for this project was also donated by Walla Walla Valley Youth Baseball and Softball Association. The fields will now be used by numerous youth baseball and softball teams from the Walla Walla Valley as well as the WWCC baseball and softball teams. The installation of these lights has expanded the use of these fields as community fields and will allow the community to host state and regional tournaments, which will attract people from all over the state and region to Walla Walla.

We all greatly appreciate the time, effort, and money put forth by Commissioner Tompkins, President Van Ausdle, Walla Walla Valley Youth Baseball and Softball, and all who contributed to and supported achieving the dream of "Turning the Lights on for Youth Baseball and Softball."
Located at the foot of the Blue Mountains in Southeastern Washington, Walla Walla Community College offers a variety of academic transfer programs and over 30 technical and paraprofessional programs. The twin communities of Walla Walla and College Place house a wide variety of agriculture, manufacturing, business and government employers. The communities are also home to Whitman College, Walla Walla College, and Walla Walla Community College, adding an educational base and cultural opportunities to the historic region. Warm Summers, crisp Winters, and beautiful Spring and Fall months provide four distinct seasons to enjoy both indoor and outdoor activities.

Walla Walla Community College is also home to ten varsity sports with highly competitive programs in Men’s and Women’s Soccer, Volleyball, Men’s and Women’s Basketball, Baseball, Softball, Men’s and Women’s Golf, and Rodeo.
