Welcome to the 2011 Warrior Softball season! Last year’s Warriors garnered numerous individual honors, with three women named NFCA NWAAC All-Americans and six named NFCA NWAAC Academic All-Americans. The Warriors finished second in the East Division and participated in the tournament. This year, the Warriors bring experience and a strong desire to once again be in the championship game the end of May 2011. Our freshmen have been recruited to complement a strong returning lineup and Coach Staudenmaier will once again be challenging his team to continue the winning tradition of Warrior Softball, as female student-athletes compete at a high level on the field and in the classroom. We look forward to a busy and exciting season and hope to see you at the ballpark supporting our Warriors.

The 2011 Warriors look to continue an established tradition of success. Returning 1 starting sophomore from a season ago and having a very talented recruiting class of newcomers, the Warriors, even though very young, will have a great chance to compete for an Eastern Region and NWAACC Title in head coach Mike Staudenaier’s 14th season.

Staudenaier begins this season after a very successful season where the Warriors made it, again, to the NWAACC Championships. This very young team already has great chemistry and a desire to win two championships this spring. The Warriors know how to win and have a better understanding of how to win the Eastern Region. They have set their sights on the Eastern Region and NWAACC Crowns.

“The players have what it takes to reach our goal this season - To win the Eastern Region Championship and to make the NWAACC Championship and win it,” Staudenaier said. “We know it’s a battle in the East and NWAACC and our players believe in what we’re trying to do”. “We have a disciplined, competitive group of newcomers and our veterans are extremely motivated and proven winners. “This is a good club, great coaching staff and it’s going to be a fun season”.

Pitching – One sophomore returns, Alexis Bobadilla (RHP/OF), who pitched in the circle last spring, winning 12 games in 2010. Bobadilla was a 1st Team All NWAACC East selection, NFCA NWAACC Louisville Slugger All American, and made the sophomore all Star Team this fall. She also plays CF. Bobadilla is a competitor and we look for her to have a great year this year with the added depth to our staff. Dara Kosanke (RHP/OF) was one of the Warriors top recruits this past year. Kosanke will pitch and also play OF. Katie Martell (RHP/DP) is an off speed pitcher who will add depth to our staff. These three will be at the top of the list for best pitchers in the NWAACC. We are looking for good things from them. If they do their jobs, we will win a lot of games.

Catcher – The Warriors return Oshana Sampson who takes care of the staff really well. Summer DeSpain and Kaylie Winston (INF/C) were freshmen catchers recruited this season and will see some time behind the plate. Winston also will see time at 3rd base. These are three good catchers. All three compete well and are excited to be catching three of the top pitchers in the NWAACC.

Infield – Walla Walla’s defense -- Sophomore Shelby King (2B) made the fall All Star game. Sarah Weekes (1B) and Abbey Reardon (3B) transfer in and are very good athletes who will see time. Recruited in are Freshman Alicia Baker (SS), Jill McDaniels (2B), Courtney Hancock (SS) and Dani DeVleming (1B). These are all very exciting players to watch and will see action this spring.

Outfield – The Warriors have two sophomores returning in the outfield. They are Alaura Seley and Ramey Chambers. Both contributed in some games last year and have improved a lot. Both made the sophomore All Star game last fall. Recruited in were Mercedes Pearson (OF/INF), Sami Verity (OF/INF) and Josi Verity. Both Pearson and S. Verity will play some INF as well.

Schedule – The NWAACC Eastern Region will again be a grueling year. All of the teams are capable in making it to the NWAACC Championships. Before Walla Walla embarks on the conference schedule, it will spend most of its preseason schedule against great competition, including home dates with Chemeketa, Everett and 2 tournaments on the road.

**MIKE STAUDENMAIER – Head Coach (14th Year)**

Assistant Coach – Jessie Buehler (8th Year)

Assistant Coach – Katie Buehler (8th Year)

Assistant Coach – Tressa Robins (2nd Year)
In his five years as head assistant coach, Coach Staudenmaier served as the pitching coach for four Eastern Region championship teams. The 1994 Warriors were NWAACC runner up.

Prior to returning to Walla Walla, Coach Staudenmaier was part of four straight NAIA District One winners as a coach and player at Whitworth. He registered saves in each Pirate victories during a best-of-three District One playoff series in 1989 and 1990.

In the mid and late 80’s, Coach Staudenmaier starred at Walla Walla High School in football and baseball. He was also selected to the NWAACC Eastern Region first team as a pitcher for Walla Walla Community College, where he earned an A.A. degree in 1988.

Coach Staudenmaier’s coaching experience includes two years as WWCC’s assistant women’s basketball coach. The 1994-95 and 1995-96 Lady Warriors qualified for the NWAACC Eastern Region playoffs. Away from the field, Coach Staudenmaier’s lengthy resume includes his current tenure as head trainer for Warrior athletics, supervisor of WWCC’s athletic facilities, head equipment manager, and instructor of sports medicine classes. Despite the hectic schedule, Coach Staudenmaier is setting time aside to pursue a master’s degree in athletic administration.

A positive role model, teacher, and coach, Coach Staudenmaier expects his team to contend for the NWAACC Eastern Division and NWAACC titles. In his first two years with the softball program he tallied two 20 plus win seasons and the 2000 club had a 39-8 mark in his third year. In 2001, the team went 25-9 and placed fourth at the NWAACC Championship Tournament. The 2002 team went 36-11 overall, and won the Eastern Region Softball title, with a 25-5 league record, for the first time in school history and placed 5th at the NWAACC Tournament. The Warriors went to the NWAACC Tournament in 2003 (5th place), 2005 (3rd place) and 2006 (5th place). In 2007 the Warriors went 39-18 with a 5th place finish at the tournament. The 2008 Warriors set a school record with 41 wins and only 17 losses and finishing 4th at the NWAACC tournament. In 2009 the Warriors went 37-19 and finished 2nd at the NWAACC Championships, the programs highest finish ever. Last year’s 2010 squad made the NWAACC Tournament and ended up 28-18 overall. Coach Staudenmaier’s teams compete and are very prepared at the NWAACC Championship Tournaments. In his thirteen years at the helm, he has had 19 NFCA/NWAACC All-Americans, 1 North Eastern Region MVP, 3 Eastern Region MVP’s, and 3 Eastern Region Pitching MVP’s. He has also had 45 1st Team All NWAACC players, 25 2nd Team All NWAACC players, and 60 sophomore All-Stars. 11 of his players have made the All NWAACC Tournament team, and 99 players have been awarded the NFCA All American Academic award. Two catchers have been voted Diamond National Catcher of the Year. Coach Staudenmaier was awarded the prestigious Speedline National Coach of the Year award in 2000. The National Fastpitch Coaches Association presented the award in San Antonio, Texas at their National Convention. In October of 2009, Coach Staudenmaier and the Warrior Softball program had a featured article done on them by the National Fastpitch Delivery, a publication by the National Fastpitch Coaches Association. Coach Staudenmaier has totaled an amazing 382 victories in 13 seasons at the helm of the Warriors. With all of these accomplishments, he is also very proud of how his players have maintained a team GPA over a 3.0 each quarter for the 13 years he has coached.
Jessie Buehler
ASSISTANT COACH

Year: 8th Year
Jessie enters her 8th year of coaching the Warriors. Jessie played in the 2001 and 2002 seasons, where she started in rightfield her freshman year and in centerfield her sophomore year. Her team in 2001 ended with an impressive 4th place finish at the NWAACC tournament and the 2002 team finished 36-11, capturing the Eastern Region Title. Jessie finished her career as a Warrior by being selected team MVP, Captain and 1st team All NWAACC (2 yrs.), Eastern Region MVP (2002), Louisville Slugger NWACC All-American (2002) and to the sophomore All Star team in 2002. She then went on to play Div. 1 softball at Troy State University in Alabama where she started every game in all outfield positions and batted second. We are very happy to have Jessie’s help this year again. Jessie will coach at first base and work with the outfield. She demonstrates tenacity, loyalty and intensity with everything she teaches to the team. Jessie will use her leadership qualities to encourage this year’s team. Jessie is also the head Varsity Volleyball at Waitsburg-Prescott High School.

Katie Buehler
VOLUNTEER ASSISTANT COACH

Year: 8th Year
Katie enters her 8th year of coaching the Warriors. Katie played in the 2001 and 2003 seasons, where she started at shortstop and leftfield her freshman year and first base her sophomore year. Katie finished her career as a Warrior by being selected MVP, Captain, Big Bat and 1st team All NWAACC (2 yrs.), Louisville Slugger NWACC All-American (2003) and to the sophomore All Star team in 2002. It is great to have Katie’s help again this year. She brings mental toughness into the field and dugout. Katie will work as our Infield coach, and the bench coach to keep the kids focused and learning. She is very loyal and works extremely hard at what she does. Katie is also an assistant for Waitsburg-Prescott varsity Volleyball.

Tressa Robins
VOLUNTEER STUDENT ASST. COACH

Year: 2nd Year

Her 2009 team went 37-19 and finished 2nd at the NWAACC Championships, which was the highest finish ever for a Warrior Softball team. We are very excited to have Tressa come out and help and learn to become a college coach.

WWCC softball player Natalie Leyland to play for British national team

Walla Walla Community College center fielder Natalie Leyland has been tabbed to play on Great Britain’s national softball team playing in the world championships in Venezuela this summer.

DAN GROOM
Walla Walla Union-Bulletin

WALLA WALLA - One of the top 16 softball players in the nation plays for Walla Walla Community College.

Yes, in the nation.
No, not this nation.
The other Red, White and Blue. The Union Jack. Great Britain.

And who is this player, you might ask?
Natalie Leyland. Of Richland.
Confused?

Let Leyland straighten you out.

“I’m from the northwest of England,” she said.
“It’s a village called Goswood, between Liverpool and Manchester. My dad works for Hampshire, the nuclear power plant. He used to travel all over. For a while he worked in Norway.
Then he got a job out here, so my family and I decided to come out here to live with him.”

Leyland, a 2008 Richland High graduate and WWCC’s starting center fielder, recently got the ultimate call-up from her birth country.

The British Softball Federation announced March 6 that Leyland and 15 others were chosen for the national team that will represent Great Britain at the 12th International Softball Federation Women’s Fastpitch World Championships in Caracas, Venezuela. The tournament, which runs from June 23-July 2, includes the world’s top teams, including the USA, Japan, China and Chinese Taipei.

“I’m so excited,” Leyland said. “I’m going to fly out on the 12th (of June) to Florida for training camp for a week. We’ll play around Orlando and scrimmage teams down there. Then, I fly out to Venezuela and my first game is against Japan.

“The one thing I’m really looking forward to is playing the Olympic champions (Japan). I’m hoping to get in there and at least foul off one ball from their pitcher,” Leyland, a .556 hitter, said, laughing.

This isn’t the first go-round for the 20-year-old on Her Majesty’s softball squad. When she was 17, her family returned to Britain, and the high school senior-to-be became the youngest member of the 2007 national team.

Because of the distance, the British coaches had to rely on what they remembered of Leyland - and on the word of her current WWCC coach, Mike Staudenmaier - in determining her ability to play again at the national level.

In that area, Leyland said, Staudenmaier helped her immensely.

“They knew she was a good player,” Staudenmaier said. “But they called me and wanted to know how she had developed.”

“I’m pretty honest with people, so I told them how it was,” he said. “She’s worked really hard in the weight room and developed her game and is getting stronger, so that she can put balls in the gap now. Coming out of high school, she was a little bit weak in putting the balls out there a little farther.”

“Just told her coach, that for me or for Seattle University (where Leyland is planning to attend next year), she’s going to play center field,” Staudenmaier said. “Being on a national team, playing against the United States or Japan, you’re probably going to have to have her out in left (field). That’s probably her biggest weakness - her (lack of) arm strength in being able to throw somebody out from center. She would probably fit better in left where she can cover a lot of ground, but still get the ball in.”

For now, Leyland is enjoying the moment playing for Staudenmaier and with her older sister, Francesca. Fran, who helped convince Natalie to join her at WWCC with mutual friend and, now Warrior alum, Liz Homer, has no doubts about who the better player is.

“At softball, she’s a way better player than I am, I’ll tell you that one,” Fran said with a quick and easy chuckle. “We have that relationship where we’re close in age, but sometimes we have those fights. We’re the only two on the team that coaches Jesse (Buehler) and Katie (Buehler) say that, if they fight, it’s OK in the dugout.

“But when things go wrong, we’re really close,” Fran continued. “I am so happy for her (to make the team). She deserves it, that’s for sure.”

Sadly, the World Championships are the highest level Natalie Leyland and softballers from around the world are now allowed to play. As of 2008, the International Olympic Committee dropped softball as an Olympic event. That hits Natalie and her fellow Brits especially hard.

“It really sucks, because the 2012 Olympics are in London,” she said. “The home team gets an automatic berth, so we would have been the team that got to go to the Olympics. We would have been playing in our home country, and I would have been an Olympic athlete. It’s a bummer that you don’t get the opportunity to do that.

“I think it’s kind of funny, because some of the sports that are left in the Olympics are definitely not as much of a sport as softball.”

Her college coach believes she’s Olympic material even if the IOC doesn’t.

“Defensively, she covers lots of ground,” Staudenmaier said. “A ball hit in the gap that you wouldn’t see most kids in the NWAACC get to, she goes and gets. That’s why she’s going to the next level. That’s why she’s on the British National Team.

“Her offense speaks for itself,” he said. “She’s so fast and has such good hand-eye coordination. She’s only struck out once this year. She only struck out twice last year. That’s big. And her baserunning - she had 20 stolen bases last year.”

The Warriors, who are off to a disappointing 7-10 start, will need more of that superior play from Leyland and fellow stars Alexis Bobadilla, Shaila Rivers, Danyelle Hutchison and Lyndsey Minnich if they hope to compete for a NWAACC tournament title at the end of May.

But whether they do or don’t, Leyland faces a whole new season come June. A battle against Pac-10 seniors and militarily drilled 30-year-olds from Asia, on a playfield situated in a multi-million-person metropolis, with a tropical climate, in a sometimes dangerous Third World nation, awaits.

“I got an e-mail saying Venezuela is known for kidnappings and muggings, and we might have a military escort or police escorts,” Leyland said.

“That part made me a little bit nervous.”

Those nerves, though, will certainly fade away in her first appearance at the plate.

And the first pitch coming off the arm of that Japanese pitcher?
Slap hit through the left of the infield and a huge smile standing at first.

Count on it.
Light Ceremony

Spearheaded by Walla Walla County Commissioner Greg Tompkins, the baseball and softball fields on the campus of WWCC were lit up for the first time on May 10, 2008. Tompkins, the father of former-Warrior star Michael Tompkins, worked closely with WWCC President Steve Van Ausdle to raise money and awareness for this project. A significant amount of money for this project was also donated by Walla Walla Valley Youth Baseball and Softball Association. The fields will now be used by numerous youth baseball and softball teams from the Walla Walla Valley as well as the WWCC baseball and softball teams. The installation of these lights has expanded the use of these fields as community fields and will allow the community to host state and regional tournaments, which will attract people from all over the state and region to Walla Walla.

We all greatly appreciate the time, effort, and money put forth by Commissioner Tompkins, President Van Ausdle, Walla Walla Valley Youth Baseball and Softball, and all who contributed to and supported achieving the dream of “Turning the Lights on for Youth Baseball and Softball.”

1st Annual Old Timers Alumni Game

On October 11, 2008 the Warrior Softball Family welcomed back 17 former players, coaches and a super fan, to participate in the 1st Annual Old Timers Alumni Games. The doubleheader was held in the evening hours to show off the new lights on Warrior Field. The stands were packed with friends and family who witnessed a well played game, eventually won by the 2009 Warriors, 3-1 & 5-0. We are already looking forward to and planning next year’s Alumni Weekend with the baseball team, and are hoping to see many more of the old players. The plan is to add more events to the weekend in the future including a golf tournament.
Located at the foot of the Blue Mountains in Southeastern Washington, Walla Walla Community College offers a variety of academic transfer programs and over 30 technical and paraprofessional programs. The twin communities of Walla Walla and College Place house a wide variety of agriculture, manufacturing, business and government employers. The communities are also home to Whitman College, Walla Walla College, and Walla Walla Community College, adding an educational base and cultural opportunities to the historic region. Warm Summers, crisp Winters, and beautiful Spring and Fall months provide four distinct seasons to enjoy both indoor and outdoor activities.

Walla Walla Community College is also home to ten varsity sports with highly competitive programs in Men’s and Women’s Soccer, Volleyball, Men’s and Women’s Basketball, Baseball, Softball, Men’s and Women’s Golf, and Rodeo.
