Chad Bodnar has just finished his third season at the helm of the Warrior Men’s Soccer program. The 2009 Warrior Men won the East Region for the fifth time in six years and made it all the way to the NWAACC Championship game finishing with a 14-4-1 record. The 2008 men’s squad finished the season as NWAACC Champions and East Region Champions with a 18-3-2 overall record. The 2007 men’s team finished with a record of 16-4-3 and advanced to the NWAACC Quarterfinals.

In his five seasons in charge of the women’s program at WWCC Bodnar compiled a school best 119-6-3 record and added the programs third, fourth, fifth, sixth, and now seventh consecutive Eastern Region Titles to its belt. This past season, the Warrior Women won their first NWAACC Championship to go along with the East Region crown and finished with a 21-1-0 record. The 2005 Warrior Women, Bodnar’s first season, ran off 26 straight games unbeaten before falling in the NWAACC Championship in Overtime. In 2006 the Warrior women again lost in the final in double overtime after winning the East region Title. The 2007 Warrior squad again won the Eastern Region Championship and reached the NWAACC Championship before falling 2-1. The 2008 season saw the women win 24 straight matches before falling in the NWAACC championship.

Coach Bodnar was named the NE Region Coach of the year in 2005, 2007, and again in 2008 and has placed 11 players combined for the men and women at Division 1 schools in his first four years.

Bodnar worked as an assistant with the Women’s program during the 2001 season in which the Warriors were NWAACC finalists. He then took some time away from the program as he joined the Boise Capitals Soccer Club in Idaho as a Youth Director before he rejoined the Warriors in 2003. Bodnar also assisted the Men’s program at WWCC that went to three consecutive NWAACC Final Four Tournaments.

Prior to his appointment with Walla Walla CC, Bodnar succeeded as the Head Coach of the Pasco High School boys program in the Big Nine 4A Conference in Washington. The Bulldogs qualified for State 4A tournament play multiple times and finished the 2005 season as Washington State finalists after winning the Eastern Regional Tournament and Big Nine Championship. Bodnar was named the 2005 All Region Coach of the Year’ by the Tri-City Herald for his performance.

A former Big Nine All Conference selection and USYSA Western Region IV team selection as a youth player, Bodnar went on to start four years for Wisconsin-Green Bay (NCAA Division I) and earn Midwest Collegiate Conference all-conference honors 2 years. He was named team captain his sophomore through senior seasons and was the team MVP in 1998. Upon completion of his eligibility, Bodnar played professionally for the Stanislaus United Cruisers in the Western Conference USSL League in California and for the Yakima Reds In the PDL League in Washington. Bodnar then came home to finish his schooling and graduated from Washington State University with a degree in Humanities.

Bodnar’s previous coaching experience also includes guiding the Allouez United boys club team to an appearance in the final of the Midwest Regional Championships as well as work in the Wisconsin-Green Bay Soccer Camps and with Ziemer Brothers Soccer Camps in California. Coach Bodnar holds an NSCAA Premier Diploma and a USSF A License as well.

Bodnar is currently a staff coach for Idaho Olympic Development Staff and is the Three Rivers Soccer Club Coaching Director. He has transferred over 30 kids to 4-year schools from WWCC.

Coach Bodnar is married to wife Lindsay and resides in Pasco, WA.

Max Weber begins his third year as a member of the Warrior Soccer staff. Weber will assist both the Men’s and Women’s teams and will focus primarily with on the field training and will be assisting heavily with recruiting for both programs.

Prior to his coaching career Max had a very successful playing career at both WWCC and then Whitman College. A team captain at both colleges, Max was selected as Academic All-Conference in each season. Max was a two-year starter for the Warrior program and led the WWCC Men’s team to a 2nd place finish in the 2005 NWAACC Championships. Max then went on to finish his playing career at Whitman College where he captained the team and led them to one of their best finished in team history.

In his senior season at Whitman, Max received the 2008 R.V. Borleske Trophy for top male athlete.

Quoting Coach Bodnar, “Since Max arrived as a freshman he has been a big part of our program’s success both on and off the field and we look forward to having him back in the program. His influence on the environment here has been tremendous. He’s competitive, responsible, and a very hard working individual who brings a real presence to the locker rooms and field for both teams. We are thrilled to have added such a qualified and proven individual to the WWCC Soccer coaching staff.”

Weber is currently the Technical Director for Three Rivers Soccer Club.
The Warrior Soccer Program is very active in the local Walla Walla community and involved in several outreach programs to work with local youth. Current and former Warrior players will be working again this school year to provide mentors for the local Walla Walla Parks and Recreation community program and also to provide technical coaching for the Blue Mountain Soccer Club. Players are licensed through the National Soccer Coaches Association of America and spend at least one evening a week with the children. In addition, coach Bodnar is an active speaker with the ‘Educational Talent Search’ and ‘Gear Up’ programs which reaches out to children in the elementary and secondary schools in the Walla Walla Valley. Coach Bodnar also hosts local coaching clinics for youth coaches around the Walla Walla Valley.

With a very active scholarship initiative to reach at risk youth, the Warrior camp and academy program attracted over 150 players from ages 5-12 years of age over the 2008-09 school year. With our mentoring program entering its fourth year with Walla Walla Youth Soccer in place for this coming Fall, we hope to effect close to 1000 athletes in the Walla Walla Valley Community.

In addition, Warrior Soccer is home to the Blue Mountain Exchange held every March for girls at the TCYSA Complex in Pasco and for boys in Walla Walla, WA. Held in co-operation with Three Rivers and the Blue Mountain Soccer Club, the Blue Mountain Exchange attracted better than 100 Premier teams to the region from across the Northwest and Canada. The Exchange has grown into an annual event featuring an NCAA Showcase and lively entertainment throughout the weekend to augment the high level of play on the field. The Blue Mountain Exchange has become a vital part of the spring economy in Walla Walla and the Tri Cities and an annual event on the Northwest Soccer calendar.

**2009 Stats:**
Goals-1, Assists-0, Pts-3, YC-0, RC-0
IN BRIEF:
Kayla joins the Warrior program from the University of Idaho and Centennial High School in Boise, Idaho. She played her club soccer for Idaho Rush. Kayla’s pace and athleticism will allow her to compete for several positions on the 2010 Warrior squad as she gets accustomed to the speed of the college game. We are very excited to have Kayla join the program and look for her to do well.

Marianne Johnson joins the Warriors from Pasco High School in Pasco, WA where she had a very successful high school career in leading her Pasco Bulldogs to three consecutive state playoff births. Marianne was a four time CBBN 2nd Team selection. She played her club soccer for Three Rivers Soccer Club of the Tri-Cities. Marianne will bring an energy, constant work rate, and aggressive style of play to the 2010 Warrior midfield. We are very excited to add Marianne and look for her to provide an instant impact to the squad.

IN BRIEF:
Ali is another Warrior product from Mountain View High School. Skogrand is one of the best all-around athletes the Warrior program has seen in recent years. Ali was a two year captain for Mountain View and was recognized as a 2008 All-District selection. Ali led her Mountain View team to its first ever state trophy in 2009 as they took 3rd place. She played her club soccer for Boise Capitals where she was influential in their 2007 Idaho State Championship and quarterfinal run at regionals. Ali was honored as Southern Idaho Conference Academic Award from 2007-2009. In addition, Ali was a 2009 Idaho All-Conference basketball player. We are thrilled with the addition of Ali to the Warrior program and after the 2010 season, where Ali will recover from an ACL tear, we look for her to add to the great line of talent and tradition Boise players have had in the Warrior program.

IN BRIEF:
Jaymie joined the Warrior program from Central Valley High School out of Spokane where she was a two time GSL Honorable Mention selection. In addition to being team captain, Jaymie was a two time MVP for Central Valley. She played her club soccer for River City Soccer Club. Jaymie brought a lot of energy and pace to the 2009 Warrior midfield as a freshman. Dominique led her club team to a state championship in the very competitive Idaho State Club Championships. Dominique was an instant attacking force in the NWAACC as a freshman and added a significant piece the 2009 Warrior attack. We look for her athleticism, pace, and work rate to be a significant scoring threat for the 2010 Warrior squad. Alston was a 2009 NWAACC All-Region as a freshman.

2009 Stats: Goals-6, Assists-6, Pts-18, YC-5, RC-0
Becky Ryerse
Mountain View HS / Boise, ID
Sophomore Midfield

IN BRIEF:
Becky played her high school soccer at Mountain View High School in Boise Idaho before joining the Warrior program. While at Mountain View Becky was a 1st team All Conference selection as a midfielder. In addition, Becky led her Idaho Rush club team to the State Championship in 2008 and was selected as the Idaho Rush Player of the Year that very same year. Becky was an impressive addition to the 2009 Warrior midfield. She will look to anchor the 2010 Warrior midfield as she brings with her the knowledge, technical ability, and leadership. Becky was a 2009 NWAACC All-Star and was invited and participated in the 2009 NWAACC All-Star game.

2009 Stats: Goals-7, Assists-3, Pts-17, YC-1, RC-0

Kara Churchman
Borah HS / Boise, ID
Freshman Fullback

IN BRIEF:
Kara joins the Warrior program from Borah High School in Boise, Idaho. In high school, Kara was a 2008 All-Conference Honorable mention. She played her club soccer for Boise Capitals. Kara was an intimidating force for both her high school and club teams in Boise and we look for her to add that style of play for us. Kara tore her ACL this spring, thus will redshirt this fall, but we look for her to come back strong and compete for a Warrior’s in 2011.

Sami Hansen
Borah HS / Boise, ID
Freshman Forward

IN BRIEF:
Sami is another outstanding product of Borah High School. Hansen was a 2009 All-Conference Selection Honorable Mention. As a senior, Sami was a captain and also was the recipient of the “Work Horse Award” and was a 5A Academic All-Conference honoree. Sami played her club ball for Boise Capitals where in 2007 won an Idaho State Championship and in 2009 a 2nd place finish. We are thrilled to have Sami be a Warrior and expect her to fill a much needed void in the Warrior with the departure of Kati Lucas (Boise State) and Tahlia O’Loughlin (Concordia-Portland). Sami is also a recipient of the WWCC Merit Scholarship.

Justine Jones
Borah HS / Boise, ID
Sophomore Forward

IN BRIEF:
Justine joined the Warrior program after her sister, Shayna, who competed two years for WWCC. Justine comes from Borah High School in Boise Idaho where she was a 2009 Honorable Mention selection at a very competitive forward position. Justine also played for perennial power Les Bois Soccer Club in Boise. Justine added depth to both the Warrior midfield and forward positions as a freshman. She became a significant contributor as she adjusted to the pace of the college game. Justine had a great spring and we look for that to leap her into coming out strong in 2010. Her composure and technical ability will be essential to 2010 Warrior attack as they look to defend their NWAACC title.

2009 Stats: Goals-9, Assists-2, Pts-20, YC-0, RC-0
IN BRIEF:
Amanda came to the Warrior program from Twin Falls High School where she led her squad to its first appearance in the state tournament as a senior. Amanda was an All-Conference Honorable Mention selection. She played her club soccer with Boise Capitals. It took time for Amanda to adjust to the college game, but she has made great strides and in 2010 will look to continue to add depth to the Warrior attack.

2009 Stats: Goals-4, Assists-0, Pts-4, YC-0, RC-0

IN BRIEF:
Jordan joined the Warrior program from perennial powerhouse Bozeman High School in Bozeman, Montana. Jordan’s high school soccer resume was rather impressive as she led her Bozeman High School Hawks to three straight Montana State High School Championships as well as three straight Montana Club Championships with her Bozeman Blitzz Club team. Jordan was a 2008 1st Team All-State Goalkeeper and team captain on her club squad. In addition, Jordan represented Montana in the Shodair Soccer Classic as a senior. Jordan’s athleticism earned her the Warrior 1 goalkeeper position as a freshman and she was honored as an NWAACC All-Star. She also was invited and played in the NWAACC All Star game. We look for Jordan to continue to grow and be an anchor for the Warrior defense in 2010.

2009 Stats: GS- 20, GP-21, Shut Outs-16, GPG- 0.27

IN BRIEF:
Heather comes to the Warrior program from Sentinel High School in Missoula, Montana. During her high school career Heather was a 2009 Montana All-State selection and was 2009 MVP as she led her Sentinel team to the Montana state championship. Her accolades also extend to the classroom where she was an Academic All-State honoree form 2006-2009. She played her club soccer for Missoula Strikers. In addition, Heather represented Montana in the Shodair Soccer Classic as a senior. We are very excited about the addition of Heather and look for her to continue in the strong line of Montana influence in the Warrior program. She brings an incredible amount of pace to the 2010 Warriors and her versatility will allow Heather to compete for several spots.

IN BRIEF:
Annelise joins the Warrior program from Pocatello High School where she was the 2009 Offensive Player of the Year. She played her club soccer for PVSC United in Pocatello. We are excited to have Annelise join the program and look forward to her grasping the pace of the college game and adding depth in a few areas for the Warriors in 2010.
The 2010 Warriors come off their first ever NWAACC Women’s Soccer Championship in 2009 and will look to match the success and carry on a steady tradition of excellence. The 2009 Warriors were Eastern Region Champions for the 7th consecutive season and were NWAACC Finalist for the sixth time in the programs history. The 2009 Warriors sent 5 players to four year schools including three Division-1 (Kati Lucas- Boise State University, Daschia Huff- Eastern Washington University, and Anna Pingree- Idaho State University), one Division-2 transfer in Amanda Brusic (Montana State-Billings), and one NAIA in Tahila O’Loughlin (Concordia University-Portland). The 2009 Warriors also added 6 players to the NWAACC East All-Conference team. The 2010 version will look to continue the success and will be very gifted in terms of ability.

Head Coach Chad Bodnar states, “This is a very well rounded group we have brought in and we will look to continue where we left off last year. There are some definite questions to be answered in terms of team shape and we will have to battle it out on the training field to see who earns minutes where, but we are very fortunate to have such a talented group at this level. We lost a few players to some unfortunate late spring injuries, but will rebound back and defend what took us so long to win.”

### Forwards

Another typically outstanding group of forwards will join WWCC in the attack in 2010. The Warriors lose two of the top three scores in the NWAACC over the past two seasons in Tahila O’Loughlin and Kati Lucas, who between the two of them scored 82 goals during their two year campaigns on the Warrior frontline. Returning to the Warrior attack are Mango Hickman (Mountain View HS / Meridian, ID) who was second in scoring for the 2009 Warriors with 17 goals and 3 assists. Fellow forward, Dominique Alston (Skyview HS / Boise, ID) had a very strong freshman season with 6 goals and 6 assists and was chosen as a NWAACC All-Region selection, was an integral part of the Warrior attack with her pace. Justine Jones (Borah HS / Boise, ID) played in the midfield and upfront for the 2009 Warriors and this year will carry a much larger responsibility in the attack, even after a good freshman year where she had 9 goals and 2 assists. Amanda Kreebler (Twin Falls HS / Twin Falls, ID) added depth to the Warrior attack in 2009 with 4 goals.

The Warriors are excited of the possibilities and depth added with the 2010 recruiting class frontline with a few formidable signings. Kaylie Winston (Pasco HS / Pasco, WA) is a heralded scorer (four-time CBBN 1st Team forward, and WIAA 1st Team All-State forward) who holds the record in goals (23) and assists (44) at Pasco High. The Warriors will look for Kaylie to add immediate goal scoring capability to the 2010 attack. Sami Hansen (Borah HS / Boise, ID) joins the Warrior frontline after a successful high school and club career and we look for her to add her strength and vision to the attack. Shae Yuma (Roseburg HS / Roseburg, OR) will look to bring her athleticism and pace to the Warrior frontline and she will challenge for minutes up front.

“Coach Bodnar states: It will be an interesting dynamic for us in the front line this year. I am curious to see which of the sophomores will step up and embrace that role of scoring goals for us, or whether a freshman will come in and embrace the challenge. We have number of versatile players that can play in the midfield or in the frontline so this will add much needed depth. We have some very talented players- I am hoping to see them play to their full potential”.

### Midfield

The 2010 Warriors will have a very talented and deep midfield with the return of quality players who played a significant role in the 2009 NWAACC Championship mixed with some prominent freshman and a transfer. Anchoring the 2010 midfield will be NWAACC Eastern All-Conference selection Becky Ryersse (Mountain View HS, Boise, ID) who had 7 goals and 3 assists in her freshman campaign. Jaymie Balcom (Central Valley HS, Spokane, WA) played a spark-plug role in the 2009 Warrior midfield and this year will look to add her technical ability and attacking prowess as a consistent figure in the midfield. Joining the Warrior midfield in 2010 is a few heralded freshmen. Marianne Johnson (Pasco HS / Pasco, WA) was a consistent force in the CBBN during her high school career and was a repeat selection as a CBBN All-Conference selection due to her constant work rate and toughness. Ali Skogrand (Mountain View HS / Meridian, ID) is another of the outstanding incoming midfielders who has a very successful high school and club career. Samantha Johnson (University of Nevada-Reno / Woodriver HS / Ketchum, ID) transfers to the Warrior program and will provide an instant attacking presence with her pace. Johnson was a heralded track and soccer player at Woodriver High School where she compiled 64 goals and 72 assists in her career. Heather Krebsbach (Sentinel HS / Missoula, MT) is a Montana stand-out who will be joining the Warrior program and with her pace and athleticism she will be competing for minutes in the midfield and backline. Courtney Walton (Roseburg HS / Roseburg, OR) and Annelise Stewart (Pocatello HS / Pocatello, ID) will look to compete for minutes, add depth, and add different dynamics to the 2010 Warrior midfield.

The 2009 Warriors saw Amanda Brusic (West Valley HS / Yakima, WA), Robbie Jenks (Middleton HS/ Middleton, ID) and Anna Pingree (U. of Montana / Timberline HS / Boise, ID) all graduate, with Brusic moving onto Montana State-Billings and Pingree to Idaho State.

Bodnar states “We are very deep in the middle of the park with a lot of options in terms of what we can do with our shape and adjustments to what the match may require. I am excited about this group of midfielders because there is a great mix of very technical players, and players with motors that don’t stop. I am very curious to see how things shake out in our starting eleven because any one of these players could be on the field on a given day.”

### Defenders

The Warrior back line will be very young this year with the departure of Daschia Huff (Eastern Washington), Katlyin Rosane, Kylee Poznanski, and Nicole Perry, but hope to continue leading the NWAACC in goals against against what they did in 2009 when the Warriors recorded 16 shutouts and only gave up 6 goals all season.

The 2010 backline returns NWAACC East All-Conference centerback and 22 game starter Lena Miraglio (Clarkston HS, Clarkston, WA). Miraglio helped anchor the Warrior defense with her athleticism and pace.

Bodnar states, “Our young backline will again look to Lena for leadership, toughness, and experience.”

In addition, the Warriors return Brittany Lacey (Capital HS / Boise, ID) who played consistent minutes for the 2009 Warriors at outside back. Lacey had an outstanding finish to the 2009 campaign and an even better spring, so she will look to play alongside Miraglio in 2010. Joining the Warrior backline are Heather Case (Ashland HS / Ashland, OR) and Kara Churchman (Borah HS / Boise, ID). Case will look to compete for a starting spot in the Warrior backline with her pace and tenacity as a defender.

“We are a backline with 2 known players and some very young players that will have to find their way a bit. The nice thing is this group is incredibly versatile and has moveable parts all over. We will move players around and try to fit the pieces of the puzzle. Lena and Britney will have to lead by example to strengthen the group. But we should be very strong in the back as usual.”

### Goal Keepers

The 2010 Warrior Goalkeeping position may be the strongest in the school’s history with returning NWAACC East All-Conference Jordan Simkins (Bozeman HS, Bozeman, MT). Simkins started 20 games as a freshman and earned 16 shutouts. We look for Jordan to continue to improve every practice and bring her leadership and experience from her goalkeeping position. Joining Simkins is Courtney Hancock (Southridge HS / Kennewick, WA) where she was a two-time All CBBN goalkeeper and WIAA 2nd team All-State.

“Jordan will be pushed for minutes this year. Courtney is a very strong goalkeeper with an incredible work rate. I think the addition of Courtney will not only make Jordan better but will make us better in training and a better team over all. Both Goalkeepers are starting goalkeepers and it will be fun to see them compete and make our team better.”

**Head Coach:** Chad Bodnar (BA, Wisconsin Green Bay- Washington State, 2002)

**Assistant Coach:** Max Weber (WWCC 2005, Whitman College, 2008)

**Athletic Director:** Jeff Reinland
In Brief:
Josh joins the Warrior program from Boise High School where he was an outstanding 4 sport athlete. In soccer, Josh was a 5A Idaho 1st Team All-Conference as a senior and was invited to the 2009 All-Idaho Soccer All-Star Team. Josh continued his outstanding high school athletic career in being a 2nd Team 5A Idaho All-Conference defensive end and also participated in rugby and wrestling. Josh played his club soccer for Boise Nationals. We are extremely excited about the addition of Josh to the Warrior program. The Warrior’s have continued to land the top goalkeepers from Idaho since 2003 and Josh is another in that heritage. His strength, work rate, and coach-ability are second to none and we look for Josh to come in and fill the void left by NWAACC Final Four MVP Joey Pagan (Eagle HS / Boise, ID).

In Brief:
Austin joins the Warrior program from Selah High School where he had an award filled career. As a senior 2009, Austin was honored as the CWAC Conference MVP. He was a two-time 1st Team All-Conference performer and was a two year captain for his high school. Austin played his club soccer for Sun City Strikers in Yakima, WA and also was a member of the Yakima Reds Super Y League Team in addition to Washington State ODP. We are excited about the addition of Austin into our program as he brings a lot of pace and hard work. We look forward to Austin adapting to physicality and pace of the college game and competing for minutes as a freshman.

In Brief:
Nick joins the Warrior program from Richland High School where he was the centerpiece for his junior and senior seasons. Wood was a CBBN 1st Team All-Conference selection as a senior forward and also a Tri-City Herald All-Area Team. He also captained Richland his junior and senior seasons. Nick’s pace and style of play will be something to watch as we look for him to compete for minutes up front in the 2010 Warrior attack and continue his goal scoring abilities from high school. We are thrilled to have Nick be a Warrior and look for him to have a good career as a Warrior.

In Brief:
Mikey joins the Warrior program from Boise Idaho where he played his high school ball at Meridian High School. Mikey had an outstanding high school and club soccer career. Luhrs was a 5A Idaho All-Conference 1st Team selection as a senior and a second team selection as a junior. Mikey played his club soccer for the powerful Boise Capital Soccer Club where he captained his team for 5 years and lead them to 5 consecutive Idaho State Championships. We are very excited to have the dynamic ability of Mikey join the Warrior program and look for him to challenge for minutes in the very deep and talented Warrior midfield.

In Brief:
Tyler joined a series of other Mountain View products to presently be a part of the Warrior program. Tyler led his Mountain View team to two consecutive runner up honors at the Idaho State Championships. His efforts were awarded as Tyler was an 1st Team All-Conference selection at midfield. He played his club soccer for Boise Capitals and played an integral role in four Club State Championships. Tyler was also a four-time Academic All-Conference selection. Tyler made an immediate impact into the 2009 NWACC Finalist Warriors where he was a consistent starter in the backline and was a NWACC East Region All-Star. Lawton was invited and participated in the NWACC All-Star game. We look forward to Tyler’s sophomore campaign with his pace and athleticism.

In Brief:  
Another product of the dominate Pasco High School soccer program, Brady was the undeniable leader of the team that held a national ranking and placed 2nd in WIAA State. He was a part of three League, District, and Regional Championships at Pasco High. Brady was a unanimous 1st Team All Conference as a junior and senior, 2009 Herald All-Area Team, and 1st Team All-State as a senior. Brady provided instant impact as a freshman for the Warrior backline as a freshman. His work rate, knowledge of the game, and leadership will be looked upon greatly as the Warriors look again find themselves in the NWAACC Championship as they have done in both 2008 and 2009. Brady captained the 2009 Warriors and again will hold that position as a sophomore. He is the player and person who can define a program and we are thrilled to have him back for sophomore season. Another product of the dominate Pasco High School soccer program, Martin was the centerpiece of the 2009 Pasco midfield. He was a part of two League, District, and Regional Championships at Pasco High. Martin was a unanimous CBBN 1st Team All-Conference as a senior, 2009 Herald All-Area Team, and 2nd Team WIAA All-State performer as a senior. Again, WWCC will see another strong Pasco High player enter the program with high hopes as Martin joins the Warrior midfield in 2010. Martin is technically gifted and reads the game so well. He will look to vie for minutes as a freshman and we are very excited to have him as a Warrior.

Mikey joined the Warrior program from University High School where he was a standout midfielder during his four year career. Mikey is one of the most exciting signees for the Warrior program as his talent and work rate are difficult to match. Mikey was a two-time 1st Team All GSL and was the Greater Spokane League’s offensive MVP his senior season. He was a 2nd Team WIAA All-State selection his senior year. Mikey was selected as a NWAACC East Region All-Star as a freshman and also was an invitee and participant in the NWAACC All-Star game. Ramos captained the 2009 Warriors and will again hold that title this year as the Warriors look to again be in the NWAACC Final. We look forward to Mikey’s sophomore season and look for him to be consistently one of the most dominate players in the NWAACC. Mikey finished the 2009 season as the NWAACC second leading goal scorer and leading assist man.

In Brief:
Forrest joins the Warrior program from CDA High School where he had a tremendous high school career. Walker was a Rookie of the Year as a freshman and was a two-time All-Northwest Idaho 1st Team selection. He led his high school team to Idaho runner up in 2007 as a sophomore. In addition, Walker was a part of the Idaho ODP team for many years and played his club soccer for Coeur d’Alene Sting. We are very excited to add such a versatile player in Forrest who can come in and compete for the 2010 Warrior squad in a few different positions. We look forward to Forrest acclimating to the collegiate game and becoming a very good player for us.

Jose was 5A 2nd Team All Idaho selection as a senior and Honororable Mention as a junior and his teams Player of the Year as he served as captain his senior season. Jose played his club soccer for Boise Nationals. We are very excited to add another great Idaho standout to the Warrior squad. Jose’s versatility, pace, and ability will allow him to compete for minutes as he adjusts to the collegiate game.

In Brief:
Rene is a local product from Walla Walla who joins the program after leading Walla Walla High School to their first ever Big Nine Championship. Rene was chosen as a CBBN 2nd Team All-Conference forward as a senior. We are very excited to add Rene to the Warrior program as we know his work rate and engine will always keep him vying for minutes on the Warrior frontline. Rene is also a WWCC Foundation Scholarship winner at WWCC for his academic success.

Tony was a outstanding two-sport athlete in high school as he was a 5A Idaho All-Conference selection in both soccer and football for Borah. Tony played his club soccer for Boise Capitals Soccer Club and won 5 consecutive Idaho State Championships. We are thrilled to add such a physical centerback to the Warrior program for the 2010 campaign. We look for Tony to come in and adjust to the speed of the collegiate game and become a presence in the Warrior backline as a freshman.

Griffen was a four year Varsity starter, two year captain, and as a senior was the teams MVP. In addition, Griffen earned Inland Empire 1st Team honors both junior and senior season. He was also selected to the All North-west Idaho Team as a senior. Griffen played his club soccer for Coeur d’Alene Sting. Griffen’s freshman year was very promising as he came in and earned himself a consistent starting role for the Warriors through his physical playing style and hard work. We again look for Griffen to be one of the centerpieces of the 2010 Warrior squad with his experience and leadership.

Talon led Century to 4th place honors as a junior and senior. He was also team captain as a senior. Talon brought technical ability and size to a Warrior midfield in 2009. Talon was honored as a NWAACC All-Region player as a freshman and we look for Talon to continue to bringing the work rate and energy to 2010 Warrior midfield.

Emmanuel is another standout from Pasco High School where he has been the constant presence in the net for the Bulldogs since his sophomore season. Martinez is a 2009 ESPN High Rise Soccer Selection and we are thrilled to add such an accomplished goalkeeper to the Warrior program. At Pasco, Martinez was a two-time CBB 1st Team All-Conference selection and in 2009 was the WIAA 1st Team All-State goalkeeper. He was a part of the 2007 Pasco High School State Championship team. Emmanuel will come in and compete for the starting role for the 2010 Warriors.

Jacob Gibson

Jacob joins the Warriors after having a very successful playing career at Molalla High School where he led his team to a 3rd place finish in 2009 Oregon State Championships. Jacob played his club soccer for Eastside United and was a part of an Oregon State Championship team while playing. We are very excited to add another tall, physical defender in Jacob for the 2010 Warrior backline. We look for Jacob to need time to adjust to the speed of the collegiate game, but should provide depth for the Warriors. Jacob will also participate in Rodeo at WWCC.

Evgeny Potanin
Sentinel HS / Missoula, MT
Freshman
Forward

In Brief:
Evgeny joins the Warrior program from Sentinel High School in Missoula, Montana where he was selected as Honorable Mention. Evgeny played his club soccer for the Missoula Striker Soccer Club and was a standout goal scorer for his team that won 5 Montana State Championships. It will take time for Evgeny to adjust to the collegiate game, but we look for him to continue to develop into a good player for our program.
The 2010 Warrior Men return 8 players from a 2009 squad that was 14-4-1, Eastern Region Champions for the 5th time in six years, and NWAACC Finalists. The 2010 Warrior Men will also be happy to host 5 returning All-Conference and All-Region honorees. The WWCC men will also include 19 new faces that join the squad and will look to make an impact right away for the Warriors. The blend of some experienced returners and the addition of new faces will leave the 2010 Warrior men with the task of finding their new identity, continuing the success of the program, and qualifying for the third consecutive final four and final birth.

“We have some very solid returners and some players who saw a ton of action last year, and we have some guy’s fresh off their high school season that will have to adjust to the pace of college soccer. We have some work to do to be where we need to be at the end of the season, but we are looking forward to the challenge” (Coach Bodnar)

Forwards
The Warrior frontline will look very similar to a year ago as the Warriors graduate none of their frontline players and add some very talented freshman. Leading the charge for the 2010 campaign will be high school teammates Marco Acevedo (Pasco HS / Pasco, WA) and Paul Herrera (Pasco HS / Pasco, WA). Acevedo was one of the most honored high school forwards in Washington State during his high school career earning repeat All-Conference and WIAA 1st team All-State accomplishments. In his freshman campaign he tallied 11 goals and 6 assists and was chosen as a NWAACC East Region All-Star forward. We look for Marco to become more of a consistent force and again be a scoring threat every time he touches the ball. Herrera had a decent freshman year providing depth for the Warriors while scoring 2 goals and 1 assist. In addition, the Warriors are excited about the incoming group of frontrunners led by Nick Wood (Richland HS / Richland, WA). Wood was consistently one of the best forwards in the CBBN during his high school career and WWCC will look for his pace to add a different dynamic to the 2010 Warrior attack. Evengeny Potanin (Sentinel HS / Missoula, MT) and Erik Vught (Timberline HS / Boise, ID) are two big target forwards who have scoring histories in their club and high school careers. The two will look to compete for minutes upfront and add much needed depth in the attack. Rene Saldana (Walla Walla HS / Walla Walla, WA) will also look to find minutes and compete for time on the frontline with his speed.

“We have a definite goal scoring threat in Marco up top. I am curious to see who can push him, and pair with him, and hopefully provide another dangerous player up top other teams will have to deal with defending. There are a lot of guys competing for a few spots. I am excited to see what happens and definitely think it will make us a better team.”

Midfield
The 2010 Warrior midfield is one of extreme talent and depth which is very exciting seeing as the Warriors do not lose one starter from the 2009 NWAACC Finalist squad. Anchoing the midfield is NWAACC East All-Star Mikey Ramos (University HS / Spokane, WA). As a freshman, Ramos led the Warriors in scoring with 16 goals and led the league in assist with 10. In addition, consistent starters Talon Wyatt (Century HS / Pocatello, ID) and Griffen Hoerner (Post Falls HS / Post Falls, ID) also return. Wyatt was a 2009 NWAACC All-Region selection while Hoemer is a battle tested leader in the Warrior midfield whose work ethic is contagious and who also provided 3 goals last year.

Joining the Warrior midfield is an exciting group of midfielders. Leading the way are Martin Ramirez (Pasco HS / Pasco, WA) and Mikey Luhrs (Meridian HS / Meridian, ID). Ramirez heralds from Pasco High and is another outstanding talent who will look to compete immediately for the Warriors. Luhrs has a vast array of skills which could allow him to join the midfield in a few different positions. Additional midfielders arriving to the program and competing for playing time right away are, Jose Lazo (Caldwell HS / Caldwell, ID), Forrest Walker (Coeur d’Alene HS / Coeur d’Alene, ID), and Josh Bates (Walla Walla HS / Walla Walla, WA) who have all have impressive playing backgrounds and who we look for to each bring a different dynamic to the midfield.

Coach Bodnar states, “We are very excited about the size, athleticism, and overall talent of our 2010 Warrior midfield. There will be a lot of talented guys competing for minutes and our depth will allow us to do a variety of different things with shape and attacking preferences. Returning the players we do in the middle of the park and adding the technical and athletic first year players should make for a very strong midfield.”

Defenders
The 2010 Warrior backline returns a duo from the 2009 backline that allowed the 2nd fewest goals in the NWAACC, led by two NWAACC performers. Captain Brady Espinoza (Pasco HS / Pasco, WA) was a NWAACC East All-Star centerback who started 17 games as a freshman. Alongside Espinoza is Tyler Lawton (Mountain View HS / Boise, ID) another NWAACC All-Star who started every game as a freshman on the Warrior backline. Brady and Tyler bring a ton of experience having played the entirety of the 2009 NWAACC final and look for the both to do the same during the 2010 season. Their leadership and toughness are essential if the Warriors look to claim another East Region title. Joining the Warrior backline are some talented young men who have accomplished high school and club careers. Leading the way are Jesse Macias (Pasco HS / Pasco, WA), Austin Radebaugh (Selah HS / Selah, WA), Louis Poeppel (Pasco HS / Pasco, WA), Tony Garey (Boise HS / Boise, ID), Charlie Redline (Post Falls HS / Post Falls, ID), and Jacob Gibson (Molalla HS / Canby, OR). Macias will be a great talent for the Warriors in the years to come, but will spend this season recovering from a knee injury he sustained his final high school game. Macias and high school teammate, Poeppel, both are from Pasco High School and have won a Washington State Championship. Poeppel started in the back for the Bulldogs for 3 years including playing during 2 state championship games. Radebaugh was a CWAC Co-MVP and Defensive Player of the Year and will look to vie for minutes as a fullback in the squad. Furthermore, Garey and Gibson are both big, physical centerbacks who will look to impose their will into the lineup.

“We have a mix of returners and new faces that will anchor the backline for us this year. They are all very experienced in terms of having played in very high level club games, and high school finals. Espinoza is going to have to anchor this group until the young ones get their feet wet, but I am positive we will be very solid after we get some experience. The one thing we have added this year that was missing last year was some size in our backline. I am hoping this makes us a more rounded group.”

Goal Keepers
The 2010 Goalkeeping shoes will be hard to fill after the departure of Joey Pagan (Eagle HS / Boise, ID) who was a two-time NWAACC All-Star performer and 2008 NWAACC Final Four MVP. The new crop of WWCC goalkeepers are Josh Lindsay (Boise HS / Boise, ID) and Emmanuel Martinez (Pasco HS / Pasco, WA). Both have had tremendous high school and club careers. Josh is a big, physical, athletic goalkeeper who with some refining technically can be a very steady presence between the pipes. He led his high school team to a state final and was a 5A Idaho 1st Team All-Conference performer. Martinez has every accolade that a goalkeeper can receive in the state, region, and country. He was selected to ESPN High Rise High School All-Stars as a senior and is a two-time WIAA All-State performer at Pasco High School. Martinez won a state championship in goal as a freshman and led his team to another final as a junior. The battle will be fierce and will make each goalkeeper better.

**Duffy Second Warrior To Choose CsU-Pueblo**

Candice Duffy has committed to D-II CSU-Pueblo. The Thunderwolves are part of the Rocky Mountain Athletic Conference. She joins teammate Taylor Sinclair who committed a few weeks ago. As a freshman Duffy earned All-Conference honors as a forward when she scored 20 goals and had 13 assists. Her sophomore season she was named East Region MVP as she led the NWAACC in goals scored with 32 and contributed 9 assists. In high school, Duffy was a 2-time player of the year for her 5A Conference at Idaho Falls HS in Idaho Falls, ID.

“I was really impressed by Candice because she can score goals, but she also does a nice job setting up other people. She’s another woman who is a great fit for our program as well as a brilliant attacking player,” says CSU-Pueblo head coach Dave Morris.

**Neal Chooses BYU-Hawaii**

Sophomore midfielder Bryan Neal has chosen to continue his soccer career at Division II BYU-Hawaii. Neal was a vital part of the first Warrior Men’s team to make a final four appearance. In 2004 Neal started 20 games and was the anchor of the Warrior midfield before going on his mission in England for 2 years. He contributed 2 goals and 3 assists for the 2007 Warrior squad that finished 15-4-3. Neal was a Big Nine all conference selection 3 years at Eisenhower High School and was a member of the Yakima Reds in the PDL League.

**Foster Signs Letter Of Intent**

Kyle Foster (West Valley HS ’05 / Walla Walla CC) signed his letter of intent to play at The Evergreen State College in 2008. As a defender, where he started 18 games, Foster played at fellow Cascade Conference member school Northwest University in Kirkland during the 2005 season. In 2007 he transferred to Walla Walla Community College and was elected captain of the team.

During the 2007 season Foster scored 2 goals and 2 assists for WWCC. He helped lead the Warriors to a 13-3-2 record and was named to the NWAACC All-Star Team in the midfielder category.

In his prep years, Foster was a three year all-conference player at West Valley High and currently he has been player of the week twice for the Yakima Reds Professional Development Summer League.

Head coach John Purttman is enthusiastic about signing Kyle, an excellent defender, to the program. “Kyle is a top level player who will bring some grit to the Evergreen midfield”.

Foster will enroll as a junior at Evergreen during the fall quarter of ’08.

**Griffiths Decides On College Of Idaho**

Brian Griffiths has committed to NAIA College of Idaho (formerly known as Albertsons College). The Coyotes are a part of the Cascade Collegiate Conference. The Cavaliers finished last season as Cascade Collegiate Conference Champions for a sixth straight year with a 16-4-0 record.
TRANSFER ATHLETES

CLASS OF 2005

Milligan Signs with Thunderbirds

Warrior sophomore Courtney Milligan has signed a letter of intent to play for NCAA Division I Southern Utah University and head coach Brian Stock. Stock guided the Thunderbirds to a 7W-4L-6T mark in 2005 and a semifinal appearance in the Mid-Continent Conference Tournament. Milligan is the fifth Warrior to sign for a Division I program this Spring. Brittney Dugger has signed at Boise State, while Ashley Renz, Shelly Ikerd, and Carrie Conners have all committed to play at Eastern Washington University next Fall. In addition, Alyss Ginkel has committed to Whitman College (NCAA D3) for next Fall.

Milligan was a two time NWAACC All-Conference selection in the midfield and was a part of two Northeast Conference winning teams in her two years in Walla Walla. The Warriors were 39W-3L-4T in her two seasons. She is also an NWAACC Academic All-Conference selection, a President’s List Student, and named to the National Honor Roll. Milligan was also a Foundation Scholar recipient at Walla Walla CC. Milligan scored four goals and added 21 assists in 46 starts in her two year career in Walla Walla.

As a youth player, Milligan won an Idaho State Championship as a member of Boise Capitals SC and represented Idaho ODP for five years. She played her high school soccer for Skyview in Idaho Falls and is a product of FC Extreme. She was the Post Falls Register Player of the Year in 2004.

Comments from Brian Stock, SUU Head Coach:

‘We are excited to add a player like Courtney to our squad. She is solid on the ball and distributes well. She also has a great work ethic and will win the challenges in the middle third. We are pleased to add a player with two years of college soccer experience under her belt. The staff at Walla Walla do a great job of preparing their players for success at higher levels and Courtney will fit well into the team concept we are building at SUU.’

Comments from Chad Bodnar, WWCC Head Coach:

‘We are Glad to see Courtney go on to the next level after a successful tenure here at Walla Walla Community College. It’s an exciting opportunity for her and we hope she does well with it.’

Eagles Ink Warrior Trio

Eastern Washington University have announced the signing of three members of Walla Walla Community College’s women’s soccer team: Goalkeeper Ashley Renz, Defender Carrie Conners, and Forward Shelly Ikerd. Eastern Washington play in the Big Sky Conference at an NCAA Division I standard and are coached by George Hageage. The trio are part of a sophomore class that won two Conference Championships with the Warriors while winning 39 games in their two seasons in Walla Walla.

Renz, a Pasco HS product, is a two time NWAACC All-Conference selection as a goalkeeper and garnered recognition as an NWAACC Academic All-Conference nominee and President’s List Student. She is also a National Honor Roll nominee. Renz rewrote the Warrior record book in her two seasons with the Warriors as she holds program marks for wins in a season (22), career (32), shutouts in a season (16), career (24), minutes played in a season (2030) and career (3200), and Goals Against per Game for a season (0.49). Renz played her club soccer for Three Rivers Utd.

Conners came to Walla Walla out of Great Falls HS in Montana. A two year starter and All-Conference selection as a defender, Carrie was a sophomore captain for the Warriors while starting 47 straight games. She compiled 13 goals and 16 assists in her two years as a Warrior. Conners was also recognized as an NWAACC Academic All-Conference selection as well as being a President’s List student and nominated to the National Honor Roll. A two sport athlete for the Warriors, Conners was also named an All-Conference and Academic All-Conference performer for her performance on the diamond and was recently named an Academic All-American by the National Fastpitch Association.

Ikerd is a two time NWAACC All-Conference selection and was the NWAACC Player of the Year in 2004 as a freshman. She led the NWAACC in goal scoring both of her seasons in Walla Walla and holds program marks for goals in a season (45 as a freshman) and career (75) as well as points in a season (89) and career (165). She was also named the All-Conference game MVP in 2004. Ikerd is a product of Boise HS and Boise Capitals SC and represented Idaho ODP for five years prior to coming to Walla Walla. In the classroom, Ikerd is a Biology major who was named to the President’s List and National Honor Roll as a freshman.

Comments from WWCC Head Coach Coach Bodnar

We are very excited about sending these three kids to such a quality D-1 program. All three of these players have accomplished things that may never be matched in terms of records on the field. They are equally impressive in the classroom and George is getting three very solid people. Our wish is for them to go in and represent the college well by competing and doing well on the field and in the classroom at Eastern. Replacing all three of these kids will be very difficult as they all bring there own special dynamics to the program. We are glad to be sending them on.

Comments from EWU Head Coach George Hageage

Chad, and John before him, have done a great job with their players. They are one of the few coaching staffs at the CC level which consistently develop their players so that they are better after two years at Walla Walla than when they first started. I can’t underscore enough how rare that is at their level.

Ashley - Perhaps one of the most important additions to our squad, Ashley will be able to come in and use your athleticism and experience to push for a starting spot. Ashley reminds us of Tiera Como in her presence and ability. We are extremely lucky to have Ashley join us for next year and are quite excited to see her in Eagle red!

Carrie - Carrie versatility, athleticism and ability to read the game will give us the ability to try some different systems of play next year. I see Carrie as an integral part of next years squad either as a defender or up top. I am excited to have the opportunity to coach Carrie next fall!

Shelly - Shelly is a tremendous goal scorer!! She has proven herself at every level. Her quickness and ability to strike shots with either her right or left foot will finally give us a player who is a threat to score at anytime!

Dugger Signs With Broncos

Boise State Head Coach Steve Lucas announced the signing of Warrior midifelder Brittney Dugger to a National Letter of Intent to play for the Broncos. Boise State play in the Western Athletic Conference and finished their 2005 campaign with a 10-8-2 record. Dugger is the third Warrior to suit up for the Broncos following Christy Messenger and Julie Allen.

As a Warrior, Dugger compiled impressive numbers in her sophomore season. She captained a team that went 23W-1L-2T and won their third consecutive conference crown while starting in all 26 matches. She was named an NWAACC All-Conference selection and notched 16 goals to go with 11 assists. In the classroom, she was recognized as an Academic All-Conference selection and was named to the Dean’s List at Walla Walla CC. Dugger was a transfer from the College of St. Rose, an NCAA D2 institution in New York. Dugger was the Washington State 4A and Big Nine Player of the Year in her junior and senior seasons as Richland High School captured a state title. She played her club soccer for Three Rivers Utd and represented Washington ODP.

Comments from WWCC Head Coach Coach Bodnar

Our program was very excited to bring in Brit with the hopes of placing her somewhere she would be happy after being in New York her freshman year. She came in and was a vital part of a very special team last year. We are very excited about Brit heading to BSU. She is going to have to work hard in the off season to compete for a role, but definitely has the potential to add a special dimension to Steve’s squad. BSU is a program on the rise and we are very happy to be able to add a great person to their roster.

Comments from BSU Head Coach Steve Lucas

We are very excited to have Brittny join our program. She will fit in to our style of play on the field. We expect her to come in and make an immediate impact on our team.
Ginkel Heads To Missionaries
Alysse Ginkel has committed to play for Whitman College and Head Coach Scott Shields for next season. Ginkel, who scored 15 goals and added 11 assists in her two years in Walla Walla, will move across town to join a Missionary team that went 10W-6L-3T last season and were ranked Regionally most of the Fall.

Ginkel was a part of two Conference champion teams in Walla Walla and won an Idaho State 5A Championship with Boise High School her senior season. A product of Boise Capitals Soccer Club, Ginkel was also a three time Idaho ODP State selection as a youth player.

Asano Bound For Canada
Ryosuke Asano, who spent three years in the Warrior program, has transferred to play for St. Mary’s University in Nova Scotia. Asano, who red-shirted his freshman season, joins a Husky program coached by Stuart Galloway that has been to the Canadian Championships the past three seasons and been consistently ranked in the top six nationally in Canada.

Comments from Warrior Head Coach John Charman:
Ryo will have to adjust to the physical nature of play in Eastern Canada but he’s developed tremendously here the past three years and has really learned to use his technical tools within the context of a collegiate speed of play. He’ll get to play his home contests on an artificial surface and that will be a great advantage to him.

Gentle Joins ‘Yotes
Jared Gentle has signed to play for Head Coach Brian Smith and Albertson College next Fall after compiling a 13W-2L-2T record as a sophomore with the Warriors. Gentle, who was an All-Conference selection, secured nine shutouts as a sophomore in leading the Warriors to their second straight Conference title and to the NWAACC Championship game. Gentle holds Warrior records for wins in a season (13) and career (22), shutouts in a season (9) and career (13.5), goals against per game in a season (0.76) and minutes played in a season (1530). Gentle will compete with former Warrior Robbie Erichson for time in the ’Yote goal.

Comments from Warrior Head Coach John Charman:
It’s a great opportunity for Jared. He’s developed into a very good college goalkeeper in the last two seasons and I’m confident he and Robbie will battle day in and day out for the starting role at Albertson. They train very well together and have a good relationship so I would think it’s a very good situation for the both of them.

Hilgart Heading To California
Ian Hilgart will be joining Chico State next Fall. The Wildcats are coached by Mike O’Malley and have been a consistent power on the west coast at the NCAA Division II level for many years. Hilgart tallied five goals and added 10 assists his sophomore season in Walla Walla despite missing most of the first half of the year due to injury. A skillful attacking player, Hilgart will compete for minutes in the Wildcat midfield.

Comments from Warrior Head Coach John Charman:
Ian’s sophomore season was disrupted by injury but when he regained fitness halfway through the year, he really demonstrated the tremendous potential he possesses. He’s a quick, technical player with good attacking instincts and a competitive nature that I feel will do very well at Chico State. He can play in many different places and that should eb an asset for him as he tries to work his way into the Wildcat lineup.

Munoz And Kempe Join Truman State In Missouri
Aldo Munoz and Gavin Kempe will be heading to the Midwest to join Truman State in Missouri. The Bulldogs, coached by Duke Cochran, reached the second round of the NCAA Division II tournament last Fall and are perennially Nationally ranked in the top 20 in the country. Munoz, who was an All-Conference selection as a sophomore, tallied seven goals while adding a pair of assists this past Fall while holding the midfield and captaining the team. Kempe shares a career record with Munoz for most starts in two years with 49 and has been a fixture in the Warrior back three both seasons in Walla Walla.

Comments from Warrior Head Coach John Charman:
It’s an exciting and interesting opportunity for both Aldo and Gavin. Truman State has done very well on the field and is a good academic environment for both of them to complete their college careers. Aldo’s been a great leader here in his two years and brings a calming presence to the field. I’m sure that will translate well for Truman State next Fall. Gavin’s never really stepped out of the starting lineup since he arrived here and is one of the most consistent defenders I’ve worked with. He’s strong in the tackle and very good in the air and I feel has all the tools required to be a good player in the Midwest.

Weber Becomes A Missionary
Max Weber heads across town to join Whitman College and former Warrior teammates Cole Sherman and Jesus Reyes on the Missionary roster. Weber spent three years in Walla Walla after spending much of his second season recovering from injury. Weber captained the Warriors his sophomore season while holding down a regular spot in the midfield.
