Men won the East Region for the fifth time in six years and made it all the way to the NWAACC Championship game finishing with a 14-4-1 record. The 2008 men’s squad finished the season as NWAACC Champions and East Region Champions with a 18-3-2 overall record. The 2007 men’s team finished with a record of 16-4-3 and advanced to the NWAACC Quarterfinals.

In his seven seasons in charge of the women’s program at WWCC Bodnar compiled a school best 139-6-5 record and added the programs third, fourth, fifth, sixth, seventh, and now eighth consecutive Eastern Region Titles to its belt. This past season, the Warrior Women won their second consecutive NWAACC Championship to go along with the programs first NWAACC Championship in 2009. The 2010 finished with a 22-0-2 record. The 2005 Warrior Women, Bodnar’s first season, ran off 26 straight games unbeaten before falling in the NWAACC Championship in Overtime. In 2006 the Warrior women again lost in the final in double overtime after winning the East region Title. The 2007 Warrior squad again won the Eastern Region Championship and reached the NWAACC Championship before falling 2-1. The 2008 season saw the women win 24 straight matches before falling in the NWAACC championship. Coach Bodnar was named the NE Region Coach of the year in 2005, 2007, and again in 2008 and has placed 11 players combined for the men and women at Division 1 schools in his first four years.

Chad Bodnar has just finished his fourth season at the helm of the Warrior Men’s Soccer program. The 2010 program finished 9-5-3. The 2009 Warrior Men won the East Region for the fifth time in six years and made it all the way to the NWAACC Championship game finishing with a 14-4-1 record. The 2008 men’s squad finished the season as NWAACC Champions and East Region Champions with a 18-3-2 overall record. Coach Bodnar was named the NE Region Coach of the year in 2005, 2007, and again in 2008 and has placed 11 players combined for the men and women at Division 1 schools in his first four years.

Bodnar worked as an assistant with the Women’s program during the 2001 season in which the Warriors were NWAACC finalists. He then took some time away from the program as he joined the Boise Capitals Soccer Club in Idaho as a Youth Director before he rejoined the Warriors in 2003. Bodnar also assisted the Men’s program at WWCC that went to three consecutive NWAACC Final Four Tournaments.

Prior to his appointment with Walla Walla CC, Bodnar succeeded as the Head Coach of the Pasco High School boys program in the Big Nine 4A Conference in Washington. The Bulldogs qualified for State 4A tournament play multiple times and finished the 2005 season as Washington State finalists after winning the Eastern Regional Tournament and Big Nine Championship. Bodnar was named the 2005 ‘All Region Coach of the Year’ by the Tri-City Herald for his performance.

A former Big Nine All Conference selection and USYSA Western Region IV team selection as a youth player, Bodnar went on to start four years for Wisconsin-Green Bay (NCAA Division I) and earn Midwest Collegiate Conference all-conference honors 2 years. He was named team captain his sophomore through senior seasons and was the team MVP in 1998. Upon completion of his eligibility, Bodnar played professionally for the Stanislaus United Cruisers in the Western Conference USSL League in California and for the Yakima Reds In the PDL League in Washington. Bodnar then came home to finish his schooling and graduated from Washington State University with a degree in Humanities. Bodnar’s previous coaching experience also includes guiding the Allouez United boys club team to an appearance in the final of the Midwest Regional Championships as well as work in the Wisconsin-Green Bay Soccer Camps and with Ziemer Brothers Soccer Camps in California. Coach Bodnar holds an NSCAA Premier Diploma and a USSF A License as well.

Bodnar is currently a staff coach for Idaho Olympic Development Staff and is the Three Rivers Soccer Club Coaching Director. He has transferred over 30 kids to 4-year schools from WWCC. Coach Bodnar is married to wife Lindsay and resides in Pasco, WA.

Max Weber begins his fourth year as a member of the Warrior Men’s and Women’s Soccer staff. Weber will assist both the Men’s and Women’s teams and will focus primarily with on the field training and will be assisting heavily with recruiting for both programs.

Prior to his coaching career Max had a very successful playing career at both WWCC and then Whitman College. A team captain at both colleges, Max was selected as Academic All-Conference in each season. Max was a two-year starter for the Warrior program and led the WWCC Men’s team to a 2nd place finish in the 2005 NWAACC Championships. Max then went on to finish his playing career at Whitman College where he captained the team and led them to one of their best finished in team history. In his senior season at Whitman, Max received the 2008 R.V. Borleske Trophy for top male athlete.

Quoting Coach Bodnar, “Since Max arrived as a freshman he has been a big part of our program’s success both on and off the field and we look forward to having him back in the program. His influence on the environment here has been tremendous. He’s competitive, responsible, and a very hard working individual who brings a real presence to the locker rooms and field for both teams. We are thrilled to have added such a qualified and proven individual to the WWCC Soccer coaching staff.”

Weber is currently the Technical Director for Three Rivers Soccer Club.
The Warrior Soccer Program is very active in the local Walla Walla community and involved in several outreach programs to work with local youth. Current and former Warrior players will be working again this school year to provide mentors for the local Walla Walla Parks and Recreation community program and also to provide technical coaching for the Blue Mountain Soccer Club. Players are licensed through the National Soccer Coaches Association of America and spend at least one evening a week with the children. In addition, coach Bodnar is an active speaker with the ‘Educational Talent Search’ and ‘Gear Up’ programs which reaches out to children in the elementary and secondary schools in the Walla Walla Valley. Coach Bodnar also hosts local coaching clinics for youth coaches around the Walla Walla Valley.

With a very active scholarship initiative to reach at risk youth, the Warrior camp and academy program attracted over 150 players from ages 5-12 years of age over the 2008-09 school year. With our mentoring program entering its fourth year with Walla Walla Youth Soccer in place for this coming Fall, we hope to effect close to 1000 athletes in the Walla Walla Valley Community.

In addition, Warrior Soccer is home to the Blue Mountain Exchange held every March for girls at the TCYSA Complex in Pasco and for boys in Walla Walla, WA. Held in co-operation with Three Rivers and the Blue Mountain Soccer Club, the Blue Mountain Exchange attracted better than 100 Premier teams to the region from across the Northwest and Canada. The Exchange has grown into an annual event featuring an NCAA Showcase and lively entertainment throughout the weekend to augment the high level of play on the field. The Blue Mountain Exchange has become a vital part of the spring economy in Walla Walla and the Tri Cities and an annual event on the Northwest Soccer calendar.

Sophomore Goalkeeper

**In Brief:**
Courtney joined the Warrior program from Southridge High School where she was a CBBN 1st Team All-Conference selection in 2007 and 2008. In addition, in 2008 Courtney was honored as a WIAA All-State 2nd team selection. She was also a Tri-City Herald All-Area 1st Team honoree. Courtney’s athleticism and work rate are difficult to find in goalkeepers and we look for her to improve and adjust to the collegiate game quickly and become a standout goalkeeper for the Warrior program. She had a very solid freshman campaign as she backed up sophomore Jordan Simkins in the Warrior net. We look for Courtney to continue the legacy of outstanding Warrior goalkeepers during her sophomore year.

**In Brief:**
Marie joins the Warrior program from perennial powerhouse Boise High School. At Ashland, Marie was a consistent contributor to a team that won two Idaho State Championships. Marie played her club soccer for FC Nova in Boise where she played significant roles in two consecutive State Cup Championships. Marie’s attacking prowess, strength, and technical ability will allow her to contribute to both the Warrior frontline and midfield.

---

**In Brief:**
Shae heralds from Roseburg, Oregon where she attended Roseburg High School and was a decorated student-athlete. As a senior, Shae was a 6A Oregon Southwest Conference 1st Team All-Conference selection and in 2008 she was a 2nd team All-Conference honoree. As a senior, Shae was a captain and also an Athletic Achievement Award winner for her outstanding achievements in and out of the classroom. We are very excited about the addition of Shae as we look for her to grasp the pace of the college game and compete for a spot on the Warrior frontline.

Jordan played an integral role in leading her high school team to two 3rd place finishes at the Idaho State Championships, a 2nd place finish, and as a junior to a State Championship. We look forward to the addition of Jordan to the Warrior attack and look for her athleticism, pace, and goal scoring ability to be a fixture for the Warriors as she adjusts to the speed of the college game. Jordan will look to fill some of the void left by the graduation of Margo Hickman and Justine Jones from the 2010 Warrior frontline.

**2010 Stats:** Goals-7, Assists-1, Pts-15, YC-0, RC-0

---

**In Brief:**
Heather came to the Warrior program from Sentinel High School in Missoula, Montana. During her high school career Heather was a 2009 Montana All-State selection and was 2009 MVP as she led her Sentinel team to the Montana State Championship. Her accolades also extend to the classroom where she was an Academic All-State honoree form 2006-2009. She played her club soccer for Missoula Strikers. In addition, Heather represented Montana in the Shodair Soccer Classic as a senior. Heather continued in the strong line of Montana influence for the Warrior program as a freshman. She started every game for the Warriors and was selected as an Eastern Region All-Region defender. She was an anchor to a Warrior backline that only gave up 10 goals in 2010 and went on to win a NWAACC Championship. Heather’s athleticism, leadership, and experience will be looked to anchor the 2011 Warrior backline.

She helped lead her soccer team to three first-place conference finishes and a conference track title in 2007. She scored 64 goals and recorded 72 assists during her high school career. Johnson is a four-time MVP in soccer and a three-time All-Conference selection. She also holds school records in the 100m dash and the 200m dash. She was an anchor to a Warrior backline that only gave up 10 goals in 2010 and won a NWAACC Championship. Sam was recognized for her outstanding freshman campaign with a North-East Region All-Star as a defender. We will again look for Sam to anchor the Warrior backline and provide her experience and quality to the defending NWAACC Champions.

Ali was honored as Southern Idaho Conference Academic Award from 2007-2009. In addition, Ali was a 2009 Idaho All-Conference basketball player. 2010 saw Ali recover from an ACL tear, but we are thrilled of the steps Ali has made and look for her to contribute to the 2011 Warrior mid-field. Ali is another player in the great line of talent and tradition Boise players have had in the Warrior program. Her leadership and work ethic will allow Ali to be back in form during the 2011 campaign.

**IN BRIEF:**
Kaylie joined the Warrior program from Pasco High School where she was one of the most decorated female athletes. Kaylie holds the school record for goals (23) and assists (44) at Pasco High School. Kaylie had an incredible high school career and we which she carried into her collegiate career. She was awarded North East Division All-Star recognition as a forward as a freshman. Her technically ability and goal scoring prowess added immediate impact to the 2010 Warrior squad. As a sophomore, we will again look to Kaylie for her leadership and goal scoring ability as she will compete for the NWAACC lead in goals and assists.

IN BRIEF:
Kara joined the Warrior program from Borah High School in Boise, Idaho. In high school, Kara was a 2008 All-Conference Honorable mention. She played her club soccer for Boise Capitals. Kara was an intimidating force for both her high school and club teams in Boise and we look for her to add that style of play for us. Kara tore her ACL and red-shirted as she healed in 2010. Kara looks to bounce back from her injury and add depth to the Warrior midfield.

IN BRIEF:
Emily joins the Warrior program from University High School, where she played for Warrior Alumni Megan Poulson. Emily was a Golden Boot award winner as a freshman and was a 4 year letter winner for University High. Emily played her club soccer for Spokane Soccer Club, where she won Regional’s and played in Nationals at Virginia Beach. We are very excited to add another solid Spokane player as we have with the signing of Emily. Her versatility and technical ability will allow Emily to provide depth for a few different roles for the 2011 Warriors.

IN BRIEF:
Peyton joins the Warrior program from Skyview where she was teammates with Warrior alumni, Dominique Alston (Boise State). Peyton had a much heralded high school career. As a senior, Peyton was honored as a 4A 1st Team All-Conference Midfielder. As a junior, she was a 4A 1st Team All-Conference forward and a 1st Team All-Conference defender as a sophomore. She was a team MVP and SIC All-Area Athlete as a senior, led her Skyview team to a 2007 State Runner-Up placing and 3rd place as a junior. In addition, she was selected as “Top 5 Players to Watch” as a senior heading into the State Championships and was a four year Southern Idaho Conference Academic Award selection. Peyton played her club soccer for powerhouse FC Nova and is another Nova product the Warrior program is excited to have. She was a key member to two State Cup Championships for FC Nova. She also was an Idaho ODP player and Girl’s Region IV pool player. We look for Peyton to adjust to the college game quickly with her athleticism and continue in the line of outstanding forwards for the Warriors.

IN BRIEF:
Sami is another outstanding product of Borah High School. Hansen was a 2009 All-Conference Selection Honorable Mention. As a senior, Sami was a captain and also was the recipient of the “Work Horse Award” and was a 5A Academic All-Conference honoree. Sami played her club ball for Boise Capitals where in 2007 won a Idaho State Championship and in 2009 a 2nd place finish. Sami had an outstanding beginning to her Warrior career last season as she was a starting player upfront for the Warriors before she tore her ACL. Sami had a good recovery and we look forward to her to build where she left off as a freshman. Sami is also a recipient of the WWCC Merit Scholarship.

2010 Stats: Goals-2, Assists-0, Pts-4, YC-0, RC-0

She played her club soccer for Three Rivers SC in Pasco, WA. We are very excited about the addition of Chynna to our program and look for her to compete instantly for a role in the Warrior backline. With her pace, size, strength in the air Chynna will be a force for the Warriors for the next two seasons.
IN BRIEF:
Gabriella (Gaby) comes to the Warrior program from perennial power Kamiakin High School. She played her club soccer for Three Rivers SC. While at Kamiakin, Gaby also played an integral role for the basketball team. Gaby was a Honor Roll student all four years in high school. The pace and physicality of the college game will take time for Gaby to adjust to, but we look for her to grow and develop as she looks to add depth to the Warrior attack.

IN BRIEF:
Hayley joins the Warriors from Moscow High School where she follows in the footsteps of former Warrior Lydia Beyerlein. Hayley was the 2009 1st Team Goalkeeper of the Year. In addition, Hayley captained her Moscow team to 2007, 2008, and 2010 State appearances. Hayley played her club soccer for LMC Alliance and led her team to a 3rd place State Cup finish. She was awarded the Distinguished Team Scholastic award three times during her high school career. We will look for Hayley to grow and adapt to the college game under Warrior starter Courtney Hancock.
The 2011 Warriors come off their second consecutive NWAACC Women’s Soccer Championship (2009 and 2010) and will look to match the success and carry on a steady tradition of excellence. The 2010 Warriors were Eastern Region Champions for the 8th consecutive season and were NWAACC Finalist for the seventh time in the program’s history. The 2010 Warriors sent 7 players to four year schools including; two to Division I programs in Dominique Alston (Boise State University) and Marianne Johnson (Eastern Washington University), two Division II transfers in Lena Miraglio (Grand Canyon University) and Jordan Simkins (Metro State), and three NAIA transfers in Margo Hickman and Justine Jones (Westminster College) and Brittny Lacey (College of Idaho). The 2010 Warriors also added 7 players to the NWAACC East All-Conference team. The 2011 version will look to continue the success and will be very gifted in terms of ability.

Head Coach Chad Bodnar states, “We are much younger then we have been in the past few seasons with losing such an outstanding group of sophomores who won two NWAACC Championships, but we are excited about our incoming girls and getting some players back who missed last season due to injury. There are some definite holes to be filled and there will be plenty of competition to see who earns minutes where and when. The legacy the graduating class left will be the goal for the continuing players to carry on and the new players to understand as we look to defend our NWAACC title.”

**Forwards**

The Warriors lose the NWAACC leading goal scorer a year ago and NWAACC East MVP in Margo Hickman (Mountainview HS / Boise, ID). Hickman scored 46 goals over her two seasons with the Warriors, so those shoes will be difficult to fill. In addition, the Warriors graduated fellow front runner Justine Jones (Borah HS / Boise, ID) who was the 2010 NWAACC Final Four MVP. Returning to the warrior attack are Kaylee Winston (Pasco HS / Pasco, WA) who during her freshman campaign scored 18 goals and had 7 assists and was a NWAACC East All-Star. The Warriors will lean on Winston to carry the offensive load with a very young Warrior attack as she will captain the team in 2011. In addition, Sami Hansen (Borah HS / Boise, ID) will return to the Warrior frontline after suffering a season ending injury that cut short her very promising freshman season. Hansen looks good in training camp and it is the hope that she can regain her form. Shae Yuma (Roseburg HS / Roseburg, OR) will also be looked to contribute in the goal scoring category with her pace as she contributed 7 goals as a freshman.

Joining the Warrior attack will be some very promising talents from around the Northwest. Peyton Moon (Skyview HS / Nampa, ID) is a talented goal scorer (4A 1st Team All-Conference Forward and Idaho “Top 5 Players to Watch”). Moon also was a prominent figure for a very talented FC Nova (Boise, ID) club team. The Warriors will look for Peyton to add immediate goal scoring capability to the 2011 attack. Jordan Rodriguez (Payette HS / Payette, ID) joins the program with great excitement from the Warrior coaching staff about Jordan’s pace and goal scoring record in high school. Rodriguez was the most decorated player and goal scorer for Payette and although it will take time to adjust to the college game the Warriors are very excited about the addition. Gabriella Kurz (Kamiah HS / Kennewick, WA) will look to bring her athleticism and skill to the Warrior frontline and she will challenge for minutes up front as she adapts to the physicality of the college game.

“Coach Bodnar states: It will be an interesting dynamic for us in the front line this year. We are curious to see which of the freshman will step up and embrace that role of scoring goals. We will look for Kaylee to have another great season up front for us. We have a number of versatile players that can play in the midfield or in the frontline, so this will add much needed depth. We have some very talented players and we are hoping to see them play to their full potential.”

**Midfield**

The Warriors will have a very young an inexperienced midfield in 2011 with the loss of quality players who played significant roles in both the 2009 and 2010 NWAACC Championships. Anchoring the 2011 midfield will be Ali Skogrand (Mountain View HS, Boise, ID) who sat out her freshman year due to injury. Skogrand looks fit through preseason and is getting better with each passing day. Kara Churichman (Borah HS / Boise, ID) will also look to regain her form after sitting out her freshman season with injury and the Warrior midfield could be strengthened significantly if Kara’s ability is regained.

Joining the Warrior midfield in 2011 is a few heralded freshmen. Paige Sorenson (Southridge HS / Kennewick, WA) was a consistent force in the CBWN during her high school career and was a repeat selection as a CBWN All-Conference selection due to her constant work rate and toughness. Paige also captained and led her Southridge

Suns to a 3A State Final Four appearance as a senior and was a Washington State 3A 1st Team All-State selection. Twin sister, Meghan Sorenson (Southridge HS / Kennewick, WA) will join her sister Paige and the Warrior midfield this season. Meghan was a 3A Washington All-State defender, but due to her versatility she will see minutes alongside her twin in the midfield and also in the Warrior backline. The Warrior coaching staffs are looking for the Sorensons twins to bring their toughness and work rate to fill some of the holes left by graduation. Another midfield standout joining the Warriors is Kathryn Knowlton (Centennial HS / Boise, ID) and with her size, strength, and aggressiveness she will be an immediate presence in the midfield. Knowlton comes from a long line of FC Nova players to join the Warriors. Another FC Nova product, Marie Monastario (Boise HS / Boise, ID) will look to compete for minutes in the Warrior midfield. Monastario was a key cog for one Idaho State Championship during her high school career. Darena Miller (Columbia HS / Nampa, ID) will look add depth to the Warrior midfield as she adjusts to the college game.

The Warriors saw Marianne Johnson (Pasco HS / Pasco, WA), Becky Ryser (Mountavinview HS / Boise, ID), Jaymie Balcom (Central Valley HS / Spokane, WA), and Brittney Lacey (Capital HS / Boise, ID) all graduate, with Johnson playing at Eastern Washington University and Lacey at the College of Idaho.

Bodnar states “We also very young in the middle of the park this season after losing such talented players. Although we are young, we have a lot of options in terms of what we can do with our shape and adjustments to what the match may require. I am excited about this group of midfielders because there is a great mix of very technical players and players with motors that don’t stop. I am very curious to see how things shake out in our starting eleven because any one of these players could be on field on a given day.”

**Defenders**

The Warrior back line will look to build off of the 2010 success in only allowing 10 goals on the way to the Warrior second consecutive NWAACC Championship. The Warriors graduate two-time NWAACC All-Star Centerback Lena Miraglio (Grand Canyon University) and two-time NWAACC All-Star Fullback Dominique Alston (Boise State University). The 2011 backline returns NWAACC East All-Region centerback and 24 game starter Heather Krebsbach (Sentinel HS / Missoula, MT). In addition, Samantha Johnson (University of Nevada-Reno / Woodriver HS / Ketchum, ID) will again anchor the Warrior backline and will provide an instant attacking presence with her pace. Johnson was a NWAACC All-Star as a freshman as well.

Joining the Warrior backline are some very highly touted defenders in Kahiesha Johnson (Hanford HS / Richland, WA) and Chyann Dickey (Richland HS / Richland, WA). Johnson was the 3A CBWN Co-Conference Player of the Year and we are thrilled to have Kie bring her toughness, athleticism, and skill to fill the role vacated by Lena Miraglio. Kie will play alongside Krebsbach in the center of defense. The Warriors are figuring on Dickey coming in and earning a spot as an outside back with her pace and skill on the left side. Emily Jordan (University HS / Spokane, WA) also joins the Warrior backfield and will look to provide depth. The Warrior coaching staff do not figure to have a let down in the back with the loss of key players and are excited about the additions.

“We are a backline with 2 known players and some very young players that will have to find their way a bit. The nice thing is this group is incredibly versatile and has movable parts all over. We will move players around and try to fit the pieces of the puzzle, Sam and Heather will have to lead by example to strengthen the group. But we should be very strong in the back as usual.”

**Goal Keepers**

The 2011 Warrior Goalkeeping duties will be held by Courtney Hancock (Southridge HS / Kennewick, WA) who played significant minutes as a freshman behind two-time NWAACC All-Star Jordan Simkins (Bozeman HS / Bozeman, MT) who is now playing at Metro State. We look for Courtney to continue to improve every practice and bring her leadership and experience from her goalkeeping position to the Warrior defense. Joining Hancock is Hayley Couture (Moscow HS / Moscow, ID) where she was the conferences Goalkeeper of the Year. Hayley will look to learn under Courtney and gain experience in the minutes she earns.

“We will look to Courtney to continue in our programs legacy of having one of the best goalkeepers in the NWAACC. She had a very good spring and we are excited about her development and believe she will be another good Warrior goalkeeper” states Coach Bodnar.

The 2011 Warrior Men return 8 players from a 2010 squad that was 9-5-3. The 2010 Warrior Men did not make the playoffs and the incoming talent and returners will look to get the Warrior men's program back on track in 2011. The WWCC men will also include 28 new faces that join the squad and will look to make an immediate impact for the Warriors. The blend of some experienced returners and the addition of new faces will leave the 2011 Warrior men with the task of finding their new identity, continuing the success of the program, competing in the Region, and qualifying for the playoffs.

“We have a few solid returners, but we have a lot of incoming talented players fresh off high school and club careers that will have to adjust to the pace of college soccer. We have some work to do to be where we need to be at the end of the season, but we are looking forward to the challenge with a new group of young men.” (Coach Bodnar)

Forwards

The Warrior attack graduated high school teammates Marco Acevedo (Pasco HS /Pasco, WA), and the Warrior midfield will be anchored by Erik Vaught (Timberline HS /Boise, ID) who is coming off a red-shirt season due to a foot injury. Erik has worked hard to get back to the field and we are very excited about his size, passing ability, and crafty ability in the attack. Also returning to the Warriors are Evgeny Potanin (Sentinel HS /Missoula, MT /Vishney Volochok, Russia) who red-shirted his freshman year. The Warrior front line will look completely different than the past few years with a large group of talented freshman coming into the frame. The lone returner for the Warrior frontline is local talent Rene Saldana (Walla Walla HS /Walla Walla, WA) who gave the Warriors depth and provided some key spark during his freshman year due to his motor. Leading the charge for the 2011 campaign will be Erik Vaught (Timberline HS /Boise, ID) who will look to score more goals than in years past and be more dangerous in the attack. We are excited to see what happens and definitely think it will make us a better team as we build on our program, competing for an Eastern Region Championship, and qualifying for the playoffs.

The one thing we have added this year that was missing last year was some size in our backline. I am hoping this makes us a more rounded group.”

Coach Bodnar states, “We are very excited about the size, athleticism, and overall talent of our 2011 Warrior midfield. There will be a lot of talented guys competing for minutes and our depth will allow us to do a variety of different things with shape and attacking preferences. We will look for Mikey to provide some experience and leadership to the young midfield, but we feel that the players we have brought in will provide us more depth and flair even with the loss of Mikey Ramos to graduation.”

Defenders

The Warriors see the departure of Brady Espinoza (Pasco HS /Pasco, WA) who was a NWAC All-Region backline and now Tyler Lawton (Mountain View HS /Boise, ID) another NWAC All-Star. The 2011 Warrior backline returns a duo from the 2010 backline in Martin Ramirez (Pasco HS /Pasco, WA) and Tony Garey (Borah HS /Boise, ID). Ramirez and Garey will have a lot on their shoulders as they look to anchor the young Warrior backline. Ramirez will captain the Warriors this season. The coaching staff will look for more consistency from them. Ramirez is a returner from last year and the Warrior backline is Charlie Redline (Post Falls HS /Post Falls, ID) who has improved immensely and is a leader for the Warriors. Louis Poepell (Pasco HS /Pasco, WA) also returns to the Warriors after a injury shorted freshman season and will look to recover from a mini-camp injury to compete for the Warriors.

The Warriors have added some talented young men who had accomplished high school and club careers. Leading the way are Jesse Macias (Pasco HS /Pasco, WA), Armando Escobedo (East Valley HS /Yakima, WA), Jake Helm (Bishop Kelly HS /Boise, ID) Connor Cravens (Southridge HS /Kennewick, WA), and local talent Lupto Salazar (McLouglin HS /Milton-Freeewater, OR). Macias looks to regain his form from sitting out last season due to injury, but has come back healthy and strong. Escobedo and Helm were both 1st Team All-Conference selections and will look to add immediate depth and quality for the Warrior backline that needs to fill some holes alongside Ramirez and Garey. Cravens, also a Three Rivers SC player and State Champion will provide size and strength to the backline. Salazar, whose brother Esteban won a NWAC Championship with the Warriors in 2008, will provide pace and toughnes to the left side of the backline. Furthermore, the Warrior midfield will feature Washington products Alexio Garcia (Davis HS /Boise, ID) and Thomas Belcher (Anchorage, AK) and Eli Seymour (Robert Service HS /Anchorage, AK) will look to compete for depth in a few roles for the Warriors as they adapt to the college game. Gilman is shorty out of recovering from a knee injury that derailed his senior season, but has looked strong in mini-camp. The WWCC coaching staff agrees that these two Alaska players are the strongest in the programs history. Lastly, local product Adrian Telio (Walla Walla HS /Walla Walla, WA) will join the Warriors, and although may be away from finding the field is a talent that the Warriors are very excited about.

Goal Keepers

The 2011 Goalkeeping duties will again be down to sophomores Josh Lindsay (Boise HS /Boise, ID) and Emmanuel Martinez (Pasco HS /Pasco, WA). Both had tremendous high school and club careers. Josh is a big, physical, athletic goalkeeper who with some refining technically can be a very steady presence between the pipes. Martinez has every accolade that a goalkeeper can receive in the state, region, and country. He was selected to ESPN High Rise High School All-Stars as a senior and is a two-time WIAA State performers at Pasco High School. Martinez won a state championship in goal as a freshman and led his team to another final as a junior. The battle, as during their freshman year, will be fierce as the coaching staff looks for better form from the goalkeeping position.

“For the second straight year we will look to see who wins the competition between Josh and Manny for us at goalkeeper. Both had significant minutes as freshman and had their share of good play and mistakes. We look for both to be better during their sophomore seasons and anchor the Warrior defense” Coach Bodnar

Jones Decides On Minnesota-Crookston
Justine Jones has committed to D-II Univ. of Minnesota-Crookston. The Golden Eagles are part of the Northern Sun Intercollegiate Conference. In her freshman year Jones scored 14 goals and had 3 assists and earned All-Conference honors as a midfielder. Her sophomore year she was named a team captain and again earned All-Conference honors as she had 12 goals and 12 assists from her midfield position. Jones was a Big Nine All-Conference selection and a 4A All-State selection as a senior at Richland HS.

“I was really impressed by Candice because she can score goals, but she also does a nice job setting up other people. She’s another woman who is a great fit for our program as well as a brilliant attacking player,” says CSU-Pueblo head coach Dave Morris.

Duffy Second Warrior To Choose CU-Pueblo
Candice Duffy has committed to D-II CU-Pueblo. The Thunderwolves are part of the Rocky Mountain Athletic Conference. She joins teammates Taylor Sinclair who committed a few weeks ago. As a freshman Duffy earned All-Conference honors as a forward when she scored 20 goals and had 13 assists. Her sophomore season she was named East Region MVP as she led the NWAACC in goals scored with 32 and contributed 9 assists. In high school, Duffy was a 2-time player of the year for her 5A Conference at Idaho Falls HS in Idaho Falls, ID.

“I was really impressed by Candice because she can score goals, but she also does a nice job setting up other people. She’s another woman who is a great fit for our program as well as a brilliant attacking player,” says CSU-Pueblo head coach Dave Morris.

Neal Chooses BYU-Hawaii
Sophomore midfielder Bryan Neal has chosen to continue his soccer career at Division II BYU-Hawaii. Neal was a vital part of the first Warrior Men’s team to make a final four appearance. In 2004 Neal started 20 games and was the anchor of the Warrior midfield before going on his mission in England for 2 years. He contributed 2 goals and 3 assists for the 2007 Warrior squad that finished 15-4-3. Neal was a Big Nine all conference selection 3 years at Eisenhower High School and was a member of the Yakima Reds in the PDL League.

Foster Signs Letter Of Intent
Kyle Foster (West Valley HS '05 / Walla Walla CC) signed his letter of intent to play at The Evergreen State College in 2008. As a defender, where he started 18 games, Foster played at fellow Cascade Conference member school Northwest University in Kirkland during the 2005 season. In 2007 he transferred to Walla Walla Community College and was elected captain of the team.

Young Chooses Concordia
Warrior sophomore midfielder Alex Young, from Flathead, MT, has committed to Concordia University to continue his soccer career next season. Young scored three goals and had two assists as a freshman and scored one goal as a sophomore from his midfield position. Young prepped at Flathead HS where he led his team to a Montana State Championship his senior season. Concordia University is an NAIA program located in Portland, Oregon. The Cavaliers finished last season as Cascade Collegiate Conference Champions for a sixth straight year with a 16-4-0 record.

Beyerlein Signs With UW-Green Bay
Warrior Sophomore Lydia Beyerlein has signed a letter of intent to continue her soccer career at the University of Wisconsin-Green Bay. UW-Green Bay is a Division I program that is headed by Quinn Ross, and Green Bay is the former home of Warrior Coach Chad Bodnar who was a standout on the soccer team there. While coach Bodnar was a member of the Phoenix, he was coached by Coach Ross.

Beyerlein is part of an impressive recruiting class for the Phoenix. “You never really know the impact of a recruiting class until two or three years into the process, but this is definitely one of the deepest we have signed,” said Ross. UW-Green Bay finished the 2006 campaign with an 8-7-2 record.

Beyerlein was a 2-time All-Conference selection as a defender while a member of the Warriors. She was credited with 6 goals her freshmen year and 2 assists as a sophomore. A 3-time All-Conference selection at Moscow High School in Idaho, Lydia was a Defensive MVP of the league her senior year and an Idaho ODPS selection.

Coach Bodnar’s Comments:
“I am extremely proud to send an athlete like Lydia to UWGB. I had a great experience as a Phoenix athlete and love coach Ross. He will enjoy having Lydia, and although I am sad to see her leave WWCC, I am excited for her future.”
**Koelzer becomes 4th Warrior in 2 years for EWU**

Warrior Sophomore Forward Lauryn Koelzer has chosen Eastern Washington University and signed a letter of intent to play for the Eagles. She will join 3 Warriors from the Class of 2005 on the Eagle roster; Forward Shelly Ikerd, Goalkeeper Ashley Renz, and Defender Carrie Conners.

Koelzer had an amazing 2 years at WWCC as she was a 2-time All-Conference selection and was named NWAACC MVP in 2005 when she notched 31 goals and 21 assists, a Warrior freshmen record. Koelzer added 21 goals and 9 assists for the Warriors in 2006 as they reached the NWAACC Championship Game for the 2nd straight year.

Coach George Hageage comments on Lauryn: “Lauryn has a tremendous work rate and will be able to plug in up top or as an attacking center midfielder. She was a late addition to our recruiting class; however, I am reminded about the saying, "saving the best for last." Lauren could be a huge impact on our ability to score goals and gives us the best depth up top we have ever had.”

Koelzer was a 2-time 2A Washington State player of the year in high school and helped lead Connell to 2 state championships.

Coach Bodnar’s Comments:

“Lauryn is one of my favorite athletes I have ever coached and I am excited for her to have the opportunity to get to play D-1 soccer. Coming from such a small high school, I feel good about the fact she came here and has a chance to enter the big stage and see what she can do. If she approaches things right, she will be on the field a lot this fall.”

**Pulse to join S. Florida College**

Daniel Pulse will play at South Florida College next year. Pulse played in 21 games as a freshman in 2004 and scored 1 goal from his midfield position. He missed the entire year in 2005 due to an injury. In 2006, Pulse played in 23 games and started 19 as he recorded 1 goal and 2 assists. Pulse was a All-Conference selection and a senior captain for 4A Eisenhower HS in Yakima, WA.

**Crim signs with Chico State**

Sophomore Midfielder Zach Crim has signed a letter of intent to play at Chico State University, a Division II program in Chico, CA. Crim will join former Warrior Ian Hilgart with the Wildcats who are coached by Mike O’Malley. “We are very excited about acquiring Zac,” O’Malley said. “He’s very strong in the air all over the field. His athleticism and fitness allow him to compete at a high level.”

Crim was a 2006 All-Conference selection for the Warriors when he scored 5 goals and tallied 21 assists. He scored 15 goals to go with 7 assists in a strong freshmen season.

Crim has several records for WWCC. He holds season and career records for assists with 28 and 21 respectively. He also holds the record for total career starts and consecutive starts with 51.

Coach Bodnar’s comments:

“Zac is a good player with a ton of ability. It is good to see him go to such a quality program. He will enjoy his time in Chico, and I fully expect him to be a valuable asset to their program.”

**Sinclair to play at D-I Maine University**

Warrior Sophomore Corey Sinclair has signed a national letter of intent to further his soccer career at NCAA Division I University of Maine. The Black Bears are coached by Pat Laughlin. “Corey is an outstanding athlete who brings experience and collegiate success with him to Maine,” said Laughlin. “I expect him to come in and make a contribution immediately.”

Sinclair started in all 25 games for the Warriors from his centerback position. Sinclair was a transfer from Northwest University where he started 13 games and played in 14 for the Eagles as a freshman. A product of Richland HS, he was a 2-time All-Conference selection, named to the Tri-City Herald’s All-Area team, and a Co-MVP his senior season.

Coach Bodnar’s comments:

“I am glad Corey gets the opportunity after being unhappy with his first four year college choice. It makes me feel good to give a kid another chance, and a chance at the highest level of collegiate soccer in the US. I hope Corey goes in and works hard and does well for himself.”
