Chad Bodnar has been at the helm of the Warrior Men’s Soccer program for six seasons. The 2011 Warrior Men won their 6th Eastern Region Championship in the past 8 years and finished the season with a 12-3-3 record. The 2008 Warrior Men won the East Region for the fifth time in seven years and also won the programs first NWAACC Men’s Championship with a 3-2 OT victory to finish with a 18-3-2 record. The Warrior women have been in the NWAACC final each of Coach Bodnar’s seven years at the helm. The 2009 Warrior Men won the East Region for the fifth time in six years and made it all the way to the NWAACC Championship game finishing with a 14-4-1 record. The 2008 men’s squad finished the season as NWAACC Champions and East Region Champions with a 18-3-2 overall record. The 2007 men’s team finished with a record of 16-4-3 and advanced to the NWAACC Quarterfinals.

Coach Bodnar was named the NE Region Coach of the year in 2005, 2007, 2008 and again in 2011 and was NWAACC Coach of the Year 3 times. He has placed over 25 players combined for the men and women at Division 1 schools in his first 7 years.

Bodnar worked as an assistant with the men’s program during the 2003-2005 seasons in which the Warriors were NWAACC finalists in 2005. He then took some time away from the program as he joined the Boise Capitals Soccer Club in Idaho as a Youth Director before he rejoined the Warriors in 2003. Bodnar also assisted the men’s program at WWCC that went to three consecutive NWAACC Final Four Tournaments.

Prior to his appointment with Walla Walla CC, Bodnar succeeded as the Head Coach of the Pasco High School boys program in the Big Nine 4A Conference in Washington. The Bulldogs qualified for State 4A tournament multiple times and finished the 2005 season as Washington State finalists after winning the Eastern Regional Tournament and Big Nine Championship. Bodnar was named the 2005 ?All Region Coach of the Year? by the Tri-City Herald for his performance.

A former Big Nine All Conference selection and USYSA Western Region IV team selection as a youth player, Bodnar went on to start four years for Wisconsin-Green Bay (NCAA Division I) and earn Midwest Collegiate Conference all-conference honors 2 years. He was named team captain his sophomore through senior seasons and was the team MVP in 1998. Upon completion of his eligibility, Bodnar played professionally for the Stanislaus United Cruisers in the Western Conference USSL League in California and for the Yakima Reds in the PDL League in Washington. Bodnar then came home to finish his schooling and graduated from Washington State University with a degree in Humanities.

Bodnar’s previous coaching experience also includes guiding the Allouez United boys club team to an appearance in the final of the Midwest Regional Championships as well as work in the Wisconsin-Green Bay Soccer Camps and with Ziemer Brothers Soccer Camps in California. Coach Bodnar holds an NSCAA Premier Diploma and a USSF A License.

Bodnar is currently a staff coach for Idaho Olympic Development Staff and is the Three Rivers Soccer Club Coaching Director. He has transferred over 60 players to 4-year schools from WWCC.

Coach Bodnar is married to wife Lindsay. They have twin girls, Brodi and Jaxi and reside in Pasco, WA.

Max Weber begins his fifth year as a member of the Warrior Soccer staff. Weber will assist both the Men’s and Women’s teams with the day-to-day operations of the program and the on field coaching. In addition, Max will continue to assist heavily with recruiting for both programs.

Prior to his coaching career Max had a very successful playing career at both WWCC and then Whitman College. A team captain at both colleges, Max was selected as Academic All-Conference in each season. Max was a two-year starter for the Warrior program and led the WWCC Men’s team to a 2nd place finish in the 2005 NWAACC Championships. Max then went on to finish his playing career at Whitman College where he captained the team and led them to one of their best finished in team history. In his senior season at Whitman, Max received the 2008 R.V. Borleske Trophy for top male athlete.

Weber currently holds a USSF B License. He is currently the Three Rivers SC Youth Director and on Professional Staff. He is the head coach for Three Rivers SC 97 and 95’ girls teams.

Quoting Coach Bodnar, “Since Max arrived as a freshman he has been a big part of our program’s success both on and off the field and we look forward to having him back in the program. His influence on the environment here has been tremendous. He’s competitive, responsible, and a very hard working individual who brings a real presence to the locker rooms and field for both teams. We are thrilled to have added such a qualified and proven individual to the WWCC Soccer coaching staff.”

Mike Pardini enters the fourth year of his stint on the WWCC staff with great knowledge of Coach Bodnar’s philosophy. A former assistant to Bodnar at Pasco high school, Pardini led the Bulldogs to a State Title in 2007 and runner up in 2009. Pardini’s duties will primarily focus on match day preparations and recruiting.

Pardini was an All-Conference performer at Pasco High School with Bodnar and then moved on to play at Seattle Pacific University where he starred for four years. Coach Pardini was drafted by the Seattle Sounders and had a brief stint with them before coming home. Pardini was named Washington State HS coach of the year in 2007.

Quoting Coach Bodnar,” Mike is a valued asset to our program. I have worked with him previously, and appreciate his knowledge for the game as a player and as a coach. We share a very similar philosophy and have shared a lot of success together. I am very glad to have him as a part of our program and look forward to working with him again”.

Pardini is currently assistant coaching director for the Three Rivers Soccer Club.
The Warrior Soccer Program is very active in the local Walla Walla community and involved in several outreach programs to work with local youth. Current and former Warrior players will be working again this school year to provide mentors for the local Walla Walla Parks and Recreation community program and also to provide technical coaching for the Blue Mountain Soccer Club. Players are licensed through the National Soccer Coaches Association of America and spend at least one evening a week with the children. In addition, coach Bodnar is an active speaker with the ‘Educational Talent Search’ and ‘Gear Up’ programs which reaches out to children in the elementary and secondary schools in the Walla Walla Valley. Coach Bodnar also hosts local coaching clinics for youth coaches around the Walla Walla Valley.

In addition, Warrior Soccer is home to the Blue Mountain Exchange held every March for girls at the TCYSA Complex in Pasco and for boys in Walla Walla, WA. Held in co-operation with Three Rivers and the Blue Mountain Soccer Club, the Blue Mountain Exchange attracted better than 100 Premier teams to the region from across the Northwest and Canada. The Exchange has grown into an annual event featuring an NCAA Showcase and lively entertainment throughout the weekend to augment the high level of play on the field. The Blue Mountain Exchange has become a vital part of the spring economy in Walla Walla and the Tri Cities and an annual event on the Northwest Soccer calendar.

With a very active scholarship initiative to reach at risk youth, the Warrior camp and academy program attracted over 150 players from ages 5-12 years of age over the 2008-09 school year. With our mentoring program entering its fourth year with Walla Walla Youth Soccer in place for this coming Fall, we hope to effect close to 1000 athletes in the Walla Walla Valley Community.

**Head Coach:** Chad Bodnar (BA, Wisconsin Green Bay- Washington State, 2002)

**Assistant Coach:** Max Weber (WWCC 2005, Whitman College, 2008)

**Athletic Director:** Jeff Reinland
IN BRIEF:
Kylie joins the Warrior program from perennial powerhouse Boise High School where she was a key contributor for one district and state championship. Kylie was the starting goalkeeper until her senior season was cut short due to injury. She played her club soccer for FC Nova in Boise where she won two Idaho State Championships. Mascol is expected to be one of the best goalkeepers to wear Warrior black and yellow. She will only be with the program for her freshman year as she will sign on to play with Boise State University following the season. Kylie’s joins the ranks of a successful crop of Warriors to play for BSU (Kati Lucas & Brittany Dugger). We look for Kylie to continue the legacy of outstanding Warrior goalkeepers during her freshman year.

IN BRIEF:
Whitney is a semi-local product from Pendleton where she was one of the most accomplished players in Pendleton High School soccer history. She was a two-time 1st Team All-Conference performer and as a senior was selected to the Oregon 1st team All-State team. Additionally, Whitney was the Columbia River Conference Co-Player of the year as a senior. We will look for Whitney to adjust to the pace and physical style of the college game during her freshman year.

IN BRIEF:
Amanda is another Warrior product from Mountain View High School. The Warrior coaching staff is very excited about the toughness and experience that Amanda has. She is another FC Nova product where she led her team to 4 Idaho State Club Championships. In her high school career, Amanda was a 5A Honorable Mention Defender as a senior. As a junior, she was a starter for the 5A runner up Mavericks. In addition, Amanda has been a two-time All Academic Award. Amanda will look to compete immediately for a starting role in a Warrior backline that lost Samantha Johnson and Heather Krebsbach to graduation.

IN BRIEF:
Jordan joined the Warrior program from Payette High School where she was the most decorated girl’s soccer player in school history. During her high school career, Jordan amassed 87 goals and 25 assists. She was the 2009 and 2010 team MVP, 2010 Tema Captain, 2008-2010 Snake River Valley All Conference, 2010 Snake River Valley Player of the Year, and a 2010 selection for the 3A Idaho All-State Team. Jordan played an integral role in leading her high school team to two 3rd place finishes at the Idaho State Championships, a 2nd place finish, and as a junior to a State Championship. Jordan brings athleticism and pace to the Warrior attack and the coaching staff looks for Jordan to take on a more goal scoring role during her sophomore campaign. Jordan will need to fill some of the void left by the graduation of Kaylie Winston and Sami Hansen from the 2011 Warrior frontline.

2011 Stats: Goals-6, Assists-2, Pts-14

IN BRIEF:
Tash joins the Warrior attack from Mountain View High School where she was a Honorable Mention All-State as a senior and Offensive MVP. In addition, Tash was a part of the 6A runner up 4x100 relay team. Tash played her club soccer for Oregon Rush where she won 5 Oregon Club State Championships. The Warrior coaching staff is very excited about the athleticism and upside that Tash brings to an inexperienced frontline. In order for the Warriors to continue it tradition of scoring at a high level Tash will need to come in and adjust to the college game quickly and put her stamp on games with her scoring ability and pace. Tash will look to compete for a starting role immediately.

IN BRIEF:
Olivia is a 1st Team CBBN All-Conference player who joins the Warrior attack from Eastmont High School. During her high school career, Olivia was a two year captain and team leader through her work rate and energy. The Warrior staff is looking for Olivia to bring the same effort and toughness to a young Warrior midfield and attack as she adjusts to the college game.
IN BRIEF:
Paige joined the Warrior program from Southridge High School. As a senior Paige led her team to a 3A 3rd place finish at the Washington State Championships. As a senior, Paige was a 2nd team WA All-State midfield selection and Big 9 1st Team All-Conference midfield selection. She captained her Sun’s team and was honored as the Washington State Athlete of the Week and Month as a senior. Paige played her club soccer for Three Rivers SC in Pasco, WA. The coaching staff was thrilled with Paige’s freshman campaign in the Warrior midfield and will look for her tenacity, work ethic, and skill to again impact the Warriors. She was a key figure in the reason the Warriors won the 2011 NWAACC Championship. She was selected as a NWAACC All-Star midfield selection. Paige’s twin sister, Meghan, also competes for the Warrior women. Paige will captain the team during the 2012 season.

2011 Stats: Goals-1, Assists-4, Pts-6

IN BRIEF:
Kat joined the Warrior program from Centennial High School where she was an integral role in the 2010-2011 District Championship teams. Kat was awarded 2nd team All-Conference and was invited to and played in the 2010 Idaho Soccer All-Star game and as a senior was the captain for Centennial. In addition, Kat was a part of two State Cup Championships while playing her club soccer for FC Nova in Boise. Kat made an immediate impact as a freshman in the holding midfield role. She was a NWAACC All-Star midfield selection as a freshman. Kat sustained a knee injury early in the 2012 season and will redshirt this season. The Warrior midfield will greatly miss Kat’s presence, but she will continue to be a leader off the field.

2011 Stats: Goals-5, Assists-0, Pts-10

IN BRIEF:
Ashley joins the Warrior program from Rogers High School. Ashley was a heralded high school athlete at Rogers where she participated and was honored in soccer, cross country, wrestling, basketball, and track. Ashley was a captain her senior season and was 2nd Team All-League as a midfielder. In addition, Ashley is a WWCC Foundation Scholarship recipient due to her outstanding high school academic achievements. Her toughness and athleticism will allow Ashley to adjust to the college game quicker than other players and we hope she will continue to grow quickly and be a contributor to the Warrior midfield.

2011 Stats: Goals-3, Assists-0, Pts-6

IN BRIEF:
Alli is another Boise product to join the Warrior program and the coaching staff is very excited about the talent she will bring. Alli was an All-League player at Centennial High School and multiple Idaho State Club Championships for FC Nova. Alli will look to compete for minutes as a freshman in a variety of roles within the Warrior midfield. A gifted technical player who will look to fill the role left by Ali Skogrand’s graduation.

IN BRIEF:
Marais joins the Warrior program from Century High School where she had an outstanding career. Hicks was a three time Idaho State Journal Player of the Week and 1st Team All-Area selection. Marais is another WWCC Foundation Scholarship recipient due to her academic achievements and joins a long list of Warrior women receiving the honor. Marais has caught the eye of the staff with her tenacity and work rate through camp and the beginning of the season. We will look for Marais to continue to grow and contribute in the Warrior midfield and attack.

2011 Stats: Goals-3, Assists-0, Pts-6

IN BRIEF:
Meghan joined the Warrior program from Southridge High School. As a senior Meghan led her team to a 3A 3rd place finish at the Washington State Championships. As a senior, Meghan was a 1st team WA All-State defender selection and Big 9 1st Team All-Conference defender selection. She played her club soccer for Three Rivers SC in Pasco, WA. The 2012 Warriors come off their third consecutive NWAACC Women’s Soccer Championship (2009, 2010, and 2011) and will look to match the success and carry on a steady tradition of excellence. The 2011 Warriors were Eastern Region Champions for the 9th consecutive season and were NWAACC Finalist for the eighth time in the programs history. The 2011 Warriors sent 4 players to four year schools including: Kaylie Winston (Seattle Pacific University) NCAA Div. 2, Ali Skogrand (Southwest Baptist) NCAA Division 2, Samantha Johnson (Concordia University Portland), NAIA National Finalists, and Shae Yuma (Evergreen State University), NAIA.

Head Coach Chad Bodnar states, “We are much younger then we have been in the past few seasons with losing such an outstanding group of sophomores who won two NWAACC Championships, but we are excited about our incoming girls and getting some players back who missed last season due to injury. There are some definite holes to be filled and we have some questions in depth in a few areas but we are excited to meet the new class. The legacy the graduating class left will be the goal for the continuing players to carry on and the new players to understand as we look to defend our NWAACC title.”

**Forwards**

The Warriors lose the NWAACC leading goal scorer a year ago and NWAACC East MVP in Kaylie Winston as she graduates and continues her playing career at Seattle Pacific University. Winston was a dominant force over her two seasons with the Warriors, so those shoes will be difficult to fill. In addition, the Warriors graduated fellow front runners Shae Yuma and Sami Hansen who both played valuable parts in the dominant strike force the Warriors had in 2011. Returning to the Warrior attack are Peyton Moon who played valuable minutes in 2011, Jordan Rodriguez who is coming off a knee injury and hoping to add depth to the Warrior frontline in 2012 and Gabi Kurz who will look to compete for a role up front. The Warriors will look to rotate several returning sophomores and some new faces and lean on depth up top from multiple places to look for goals in 2012.

Joining the Warrior attack will be some very promising prospects including a talented goal scorer Tash Anderson (Mountain View HS, Bend Ore.)The Warriors will look for Tash to add immediate goal scoring capability to the 2012 attack. Paige Ponterolo (Walla Walla HS, Walla Walla Wa.) joins the program with great excitement from the Warrior coaching staff. “Paige is a product of Three Rivers Soccer Club in Tri Cities and has played in some high level games and has the ability to score goals and strike a ball from distance. We are excited for her to come in and create opportunities for herself and others in front of goal.” Marais Hicks (Century HS, Pocatello ID.) and Whitney Hillmick (Pendleton HS, Pendleton Ore.) will both look to compete for playing time up front and add to depth in the Warrior attack.

“Coach Bodnar states: It will be an interesting dynamic for us in the front line this year. We are curious to see which of the freshman will step up and embrace that role of scoring goals. We have some talented young players who need some refining but we look forward to the opportunity to work with them and see what we can do.”

**Midfield**

The Warriors will have a mix of returning players and new faces in the midfield this year with the loss of quality players who played significant roles in both the 2010 and 2011 NWAACC Championships and two returning players who were key to the 2011 championship run. Anchoring the 2012 midfield will be Paige Sorensen, and Kat Knowlton who both played the majority of minutes for the Warriors in 2011 in the middle of the park and were NWAACC East All Stars in 2011. Sorenson is coming off an early season knee injury but looks fit and ready to regain her role in the midfield. Knowlton was a big presence in the holding Midfield role in 2011 and looks to return to do the same in 2012.

Joining the Warrior midfield in 2012 is a few solid freshman players who will all look to compete for playing time and add a different dynamic to the Warriors in 2012. Ali Madril (Centennial HS, Boise ID.) is a highly touted player from Boise who after having some knee issues looks to be healthy and has come in to good fitness and will look to contribute greatly in the midfield for the Warriors. Ashley Shatto (Rogers HS, Puyallup WA.) Olivia Rogers (Eastmont HS, E. Wenatchee Wa.), Chloe Dale (Idaho Falls HS, Idaho Falls ID.), and Julie Belden (Bremerton HS, Bremerton Wa) will all look to compete for starting spots in the Midfield and up top respectively for the Warriors and bring in an abundance of talent and athleticism.

The Warriors saw captain Ali Skogrand (Mountainview HS / Boise, ID), graduate last year and move on to Southwestern Baptist from a stingy Warrior Midfield.

Bodnar states “We have a solid returning group in the midfield and some new faces that we are hoping to add to our group. There are some questions to be answered for sure, but I am looking forward to the group that is coming in for us.”
Defenders

The Warrior back line will look to build off of the 2011 Success with the returning of three players who played the majority of minutes for the NWAACC Champions. The Warriors graduate two-time NWAACC All-Star Centerback Heather Krebsbach, and transfer Samantha Johnson who will be playing at Concordia University this fall for the NAIA National Runners up. Both players were pivotal parts of the Warrior backline in 2010 and 2011.

The 2012 backline returns NWAACC East All-Region centerback and 24 game starter Kahiesha Johnson, and Chynna Dickey who played in 23 games for the Warriors and started in the final against Peninsula. Also returning to anchor the Warrior backline is Meghan Sorensen who was a key player for the Warrior midfield and backline and also scored the game winner in the NWAACC Semifinal against Everett in 2011. Emily Jordan, and Darenda Miller will also return for the Warriors in the back and will compete for a starting position.

Joining the Warrior backline is Amanda Jones (Mountain View HS, Meridian ID) who can play as a center back or fullback and has shown a ton of tenaciousness and athletic ability.

“We are a backline with four known players and a couple young players that will have to find their way a bit. The nice thing is this group is incredibly versatile and has moveable parts all over. We will move players around and try to fit the pieces of the puzzle. Losing Sam and Heather will be tough but we return some very quality players. I am hoping we should be very strong in the back as usual.”

Goal Keepers

The 2012 Warrior Goalkeeping duties will be new faces with the loss of Courtney Hancock who played most of the minutes in 2011. Hayley Couture will return for the Warriors in 2012 and compete for a starting spot with Kylie Mascol (Boise HS, Boise ID), and Bryce Kennedy (Eastlake HS, Redmond WA.)

Coach Bodnar states “We have a good problem on our hands with three capable goalkeepers in the program this season. We look forward to seeing what shakes out and I am positive we could have any of these players step in and do well for us at any point in the season”

The 2012 Warrior Men were knocked out in the quarterfinal and with the returning players and the incoming talent will look to get the Warrior men’s program back to the Final Four in 2012. The VWCC men will also include 13 new faces that join the squad and will look to make an immediate impact for the Warriors. The blend of some experienced returners, transfers, and the addition of new faces will leave the 2012 Warrior men with the task of finding their new identity, continuing the success of the program, competing for an Eastern Region Championship, qualifying for the playoff, and returning to the Final Four.

“We have many solid returners, but we have a lot of incoming talented players fresh off high school and club careers that will have to adjust to the pace of college soccer. We have some work to do to be where we need to be at the end of the season, but we are looking forward to the challenge with a new group of young men.” (Coach Bodnar)

**Forwards**

The Warrior attack returns the very talented and highly touted Kyle Menchaca (Meridian HS / Meridian, ID). Menchaca was the 5A Idaho Co-Player of the Year and was an ESPN Rise Selection, honoring his talents as one of the best in the country. His freshman season saw Kyle lead the Warriors in goals and assists until an injury derailed his season. He is looking healthy through camp and looking for Kyle to return to top form. In addition, Jonathan Rodriguez (Connell HS / Connell, WA), Rodriguez was a SCAC 1st Team forward and 2009 SCAC MVP and also led his Connell team in scoring. Jonathan had a very successful freshman campaign and the coaching staff is looking for further production from Jonathan with his pace and scoring ability. Also returning to the Warriors is Evgeny Potanin (Sentinel HS / Missoula, MT / Vishney Volochok, Russia) who will look to bring leadership to the team.

Max Smith (Juneau-Douglas HS / Juneau AK) has joined the Warrior program as a transfer from Concordia-Portland University in the spring and has looked very good. “Max has a knack of scoring goals. He did it in two state championship games in high school and we are very eager to see if he can continue that at our level “ (Coach Bodnar).

The Warrior frontline will look completely different then the past few years with a large group of talented freshman coming into the fray. The lone loss for the Warrior frontline was local talent Rene Saldana (Walla Walla HS / Walla Walla, WA) who gave the Warriors depth and provided some key sparks during his time in the program. Leading the charge for the 2012 campaign will be freshman Mario Guizar (Kamiakin HS/ Kennewick, WA) who comes off a very successful high school career where he was an all CBBN selection. Andres Idoeta (Borah HS / Boise, ID) also joins the Warriors and will look to add depth in the attack.

“We have a few different goal scoring threats in the dynamic players we have brought in and return. There are a lot of guys competing for a few spots. We have recruited all kinds of different front runners and we are thrilled to have the depth up top that we lacked in previous years. We are excited to see what happens and definitely think it will make us a better team as we will look to score more goals then in years past and be more dangerous in the attack” Coach Bodnar.

**Midfield**

The Warrior midfield will be lead by two older players in NWAACC All-Star returner Kentaro Bodzewski (Ballard HS / Seattle, WA) who was a 1st Team King-Co selection and will look to immediately impact the Warrior lineup. “Ken had an outstanding freshman season and through spring and camp has looked even stronger and better. He will captain the 2012 Warriors and be a key figure in the Warrior midfield” (Coach Bodnar). Joining Bodzewski is returner Hugo Monroy (Corvallis HS / Corvallis, OR) who will look to impact the midfield as he did his freshman season. Monroy is a large, technically gifted midfielder who will be key to the Warriors success. As a transfer, Ivan Chamorro (Las Vegas HS / Las Vegas, NV) has been a bright spot for the Warriors in camp and will look to compete for a starting role with his work rate and experience.

Continuing in the long line of successful Tri-Cities players to have gone through the Warrior program are Colten Sullivan (Kamiakin HS / Kennewick, WA) and Zach Russell (Southridge HS / Kennewick, WA) who were club teammates, along with McNamar, for the Washington State Champion Three Rivers SC squad. Sullivan and Russell were both CBBN All-Conference selections and Russell was the leader for his Southridge Suns 4th place finish in 3A. Both players got significant minutes as freshman and will look to compete for minutes and roles again as sophomores. Additionally, Jake Helm (Bishop Kelly HS / Boise, ID) returns to the Warrior midfield and backline. Jake provided depth in both lines last year while scoring some big goals and contributing good minutes.
Furthermore, the Warrior midfield adds Nevada product **Sergio Burgos** (Valley HS / Las Vegas, NV) and **Jovan Rojas** (Pasco HS / Pasco, WA) who will all vie for roles in the Warrior midfield and provide depth to many areas as they all adapt to the pace and physicality of the college game. Burgos has looked very impressive in camp and will add a different style of attack out wide for the Warriors. Rojas is another Pasco product in the long line of Pasco players Coach Bodnar has brought into the program. **Ariel Gonzalez** (Chiawana HS / Pasco, WA) is a recruit the coaching staff is very excited about with his qualities that can help the Warriors in many positions. Gonzalez will also vie for minutes as a outside back for the Warriors. **Brandon Babinski** (West Valley HS / Spokane, WA) joins the Warriors after a very productive high school career and will look to add depth in both the midfield and backline as he adjusts to the physical style of the college game. Lastly, **Erdal Hanic** (Centennial HS / Boise, ID) will compete for minutes out wide in the midfield.

Coach Bodnar states, “We are very excited about the size, athleticism, and overall talent of our 2012 Warrior midfield. There will be a lot of talented guys competing for minutes and our depth will allow us to do a variety of different things with shape and attacking preferences. We will look to replace **Mikey Luhrs** (Meridian HS / Boise, ID) who was a two year contributor for the Warriors. We have a good mixture of young players and quality returners to the midfield, but we feel that the players we have brought in will provide us more depth and flair.”

### Defenders

The Warriors see the departure of centerbacks **Martin Ramirez** (Pasco HS / Pasco, WA) and **Tony Garey** (Borah HS / Boise, ID) who were key contributors to the Warrior defense for two seasons.

The 2012 Warrior backline returns a duo from the 2011 backline in **Connor Cravens** (Southridge HS / Kennewick, WA) and **Perry McNamar** (Richland HS / Richland, WA). Perry returns after having an outstanding freshman season as an outside back. He also contributed up top for the Warriors. The coaching staff looks for Perry to have an all-star caliber season with his pace, toughness, athleticism, and experience. **Sean Gillam** (A.J. Diamond HS / Anchorage, AK) also returns after red-shirting last year while coming off an ACL tear. Sean will look to compete for minutes and provide depth to the Warrior backline.

Joining the Warrior backline are some talented young men who had accomplished high school and club careers. Leading the way is **Jhony Mendoza** (Davis HS / Yakima, WA) who may be one of the most decorated defenders to join the program. Jhony is a product of the Crossfire Academy and will look to gain valuable experience as he is expected to compete for a starting role as centerback for the 2012 Warrior defense. In addition, **Geo Vazquez** (Kennewick HS / Kennewick, WA) joins the Warrior program after a tremendous high school career. Geo’s experience playing for Warrior coaching staff Mike Pardini at Three Rivers SC will allow him to compete immediately for a starting role. His pace and strength are qualities the coaching staff sees in Geo that will allow him to be a very successful fullback in the program.

“We have a mix of returners and new faces that will anchor the backline for us this year. They are all very experienced in terms of having played in very high level club games, and high school finals. With the graduation of Martin and Tony we are going to have fresh faces anchoring the Warrior defense, but we are positive we will be very solid after we get some experience. The one thing we have added this year that was missing last year was some size in our backline. I am hoping this makes us a more rounded group.” (Coach Bodnar)

### Goal Keepers

The 2012 goalkeeping duties will be down to two freshmen in **Daniel Romero** (Eastmont HS / East Wenatchee, WA) and **Ulisses Faurietta** (Redmond HS / Redmond, WA). Graduation sees the absence in **Josh Lindsay** (Boise HS / Boise, ID) and **Emmanuel Martinez** (Pasco HS / Pasco, WA). Both young men have had tremendous high school and club careers. Daniel is a big, physical, athletic goalkeeper who with some refining technically can be a very steady presence between the pipes. Romero was a Washington All-State Honorable Mention and CBBN 1st Team honoree while leading his Eastmont team to the 3A Final Four. Faurietta has won numerous accolades as a goalkeeper in Oregon. He was selected to 6A Special District All-Conference performer at Redmond High School. The battle during their freshman year will be fierce as the coaching staff looks for the pecking order.

She is a physical player, who is good in the air and tackles hard.” Marianne will team up with former Warrior standout Dashaia Huff (Southridge HS, Kennewick, WA) who during her junior year received All-Big Sky Honor's.
