Your application was selected for review in a process called verification. In this process, the financial aid office will compare information from your FAFSA with your 2018 IRS tax information. The law gives the college the right to ask you for this information before awarding Federal Aid. If there is a difference between your FAFSA and IRS tax information, the college will make the correction electronically.

Complete this verification form and submit it to your financial aid administrator as soon as possible. The financial aid office cannot process your application without this information.

If we have reason to believe that any of the information provided is not accurate, we may require you to provide additional documentation to our office.
