

Definition: Student groups are used for several functions in CTC Link. Some student groups are informational, so that users can identify specific student characteristics. Other Student Groups are attached to functions like financial waivers.

Users must have row level security to view or update Student Groups, please contact your security administrator if you need view or update access to a specific student group code.

Add, Updating, and Viewing Student Groups: <https://ctclinkreferencecenter.ctclink.us/m/79558/l/971056-9-2-adding-updating-and-viewing-student-groups>

Student Group Code (4 characters)	Description (30 characters)
