Literary Arts

Story Writing II

Item # 3000 Max Students: 14 \$109.80

Story is the fabric of life and each of us has one to tell. Whether your story is fiction, memoir, creative nonfiction, or essay – the elements of excellent writing are the same. Class members work on different writing elements each week. They will share their writing aloud and critique the work of other class members. All levels of writing experience are welcome. **No class held April 27.**

Allen Kopf Health Sciences Bldg. E 1835
April 6-June 15 Fri., 9:15am-11:15am

Advanced Story Writing II

Item # 3702 Max Students: 30 \$82.35

Take your writing to a new level with this advanced writing class! In this course students will apply mythic structure in order to build plot lines and experiences which can help resound even deeper in the consciousness of the reader. Students can come with pre-existing drafts or begin entirely new works.

John Remington Main Bldg. D 242
April 3-June 5 Tues., 2:00pm-3:30pm

Masterworks of Russian Literature: Gogol

Item # 3703 Max Students: 25 \$109.80

This course will explore the brilliantly inventive works of Nikolai Gogol (1809-1852). We will begin with his early local color stories of life in rural Ukraine; his bizarrely absurd, grotesque stories "The Nose" and "The Overcoat"; his play *The Inspector General*, about a hilariously incompetent small town bureaucracy (featuring trenchant political satire that remains relevant today); and finally his celebrated novel *Dead Souls*.

Richard Middleton-Kaplan Main Bldg. D 103
April 2-June 11 Mon., 5:30pm-7:30pm

Reading Graphic Novels

Item # 3712 Max Students: 30 \$109.80

The graphic novel, also known as sequential art, represents a relatively new literary form, perhaps the last to emerge during the heyday of print-and-ink media. It thrives on paper despite today's ever-more-digitized modes of cyber-publication. "We can all visualize a comic BOOK or a comic STRIP," writes Scott McCloud, "but...what – IS – COMICS?" We will explore

these novel, hybrid genres and media across history, before sharing three masterpieces of the graphic novel published since the 1980s.

James Winchell

April 12-June 14

Main Bldg. D 103

Thurs., 1:30pm-3:30pm

Humanities

Crime in WW-What to do if it Happens to You

Item # 3012 Max Students: 15 \$54.90

Meet your local law enforcement professionals. Learn about gangs and drugs in our community. Protect yourself from identity theft, fraud, and scam. Learn about personal safety to keep yourself and your loved ones from being victimized and much more. These classes will be taught by knowledgeable individuals from our local area, as well as the state.

Wanda Galland Walla Walla Police Department

April 5-May 10 Thurs., 1:00pm-3:00pm

Friday Films: Americana

Item # 3701 Max Students: 30 \$87.84

In this class students will explore cinematic representations of Americana in both classic and contemporary films. American directors such as Gordon Parks, John Ford, Frank Capra, and many others will present their view of a fascinating and relevant subject. The films will also contain adaptations of the works of John Steinbeck, Thornton Wilder, Tom Wolfe, and Sherman Alexie.

John Remington Main Bldg. D 242

April 6-June 8 Fri., 3:00pm-5:30pm

Successful Aging Strategies

Item # 3705 Max Students: 30 \$54.90

As we grow older it helps to have specific strategies and goals in order to age successfully. In this course we will discuss and share insights on how to live longer and with more happiness and meaning. Each student will create unique plans and goals to improve five basic parts of their human nature: physical, mental, social, moral, and artistic. As a result, you will be able to achieve a longer, happier, and more meaningful life.

Allen Jorgensen Main Bldg. D 103

May 16-June 13 Wed., 3:30pm-5:30pm

Science

Earthquakes!!

Item # 3704 Max Students: 30 \$54.90

Have you ever felt the trembling vibrations of an earthquake? This course will take you on a journey below the earth's surface to better understand this natural phenomenon. Emphasis will be put on the Northwest region, but we will venture to other areas as well. Learn about measuring the strength of earthquakes and their intensities, as well as our own region's seismic activity. Questions and discussion will be encouraged.

Earl Burnett Main Bldg. D 114

April 23-May 21 Mon., 3:00pm-5:00pm

The Psychology of Decisions

Item # 3706 Max Students: 30 \$54.90

In this course we will examine the science behind human choice by looking at the science of decisions model, as well as five independent variables that affect decision making. Students will draw from their own experiences and share these insights with the class. Discussion of real life applications of these methods will help students use what they've learned to make more thoughtful and purposeful decisions in everyday life.

Allen Jorgensen Main Bldg. D 103

April 11-May 9 Wed., 3:30pm-5:30pm

Einstein for Everybody

Item # 3716 Max Students: 30 \$54.90

This course offers a quick - yet accurate - introduction to Einstein's special and general theories of relativity, up to and including curved space-time. There will be some mathematics involved, but it will be easy, and mostly done on graph paper with straight lines.

John Jamison Main Bldg. D 109
April 9-May 7 Mon., 1:00pm-3:00pm

Technology

Digital Workshop

Item # 3018/3019 Max Students: 10 \$25.00

This hands-on workshop will help you upload, organize, and troubleshoot managing your photos using the online program Shutterfly. *Prerequisite: students must have taken the Managing Your Photos class before enrolling in this class.*

Jodi Worden Main Bldg. D 101
#3018: April 9 Mon., 4:00pm-6:00pm
#3019: June 11

Facebook Basics

Item # 3714 Max Students: 10 \$46.70

This class will show you how to create, use, and maintain a Facebook page. Learn how to use Facebook to connect with your friends and family. Share stories, pictures, videos, and ideas through this free social media platform. We will also learn how to hide things we don't want to see and create a customized user experience.

Blaire Stock Main Bldg. D 115
May 15-June 12 Tues., 10:30am-12:00pm

Android Mobile Operating System

Item # 3718 Max Students: 15 \$109.80

This course will demonstrate the capabilities of Android devices on the market today, focusing mainly on Samsung and Google devices. We will use and practice security features, camera functions, texting, emailing, accessing contacts, and calendar applications. The settings within the operating system will be explained, as well as practical training of Wi-Fi and Bluetooth capabilities as they relate to use with external devices.

Michael Kiesbuy Main Bldg. D 243
April 2-May 2 Mon. & Wed., 1:00pm-3:00pm

Arts & Music

Paper Crafting Workshop

Item # 3015 Max Students: 10 \$25.00

Whether you prefer traditional scrapbooking or card making and stamping, this workshop is a chance to work on your projects with paper craft experts who can guide you through the process. Use this workshop time to create beautiful keepsakes that will last forever. *Prerequisite: students must have taken the Managing Your Photos class before enrolling in this class.* Crafting tools will be available for use.

Jodi Worden & Bri Renwick Ceramics Bldg. S
#3015: April 16 Mon., 4:00pm-6:00pm
#3016: May 7
#3017: June 4

A History of Jazz: 1890-1950

Item # 3700 Max Students: 30 \$82.35

One hundred years after its first commercial recordings, jazz remains our premiere cultural gift to the world. Where did this uniquely American art

form come from? Why did a regional African-American style become the sound of the 20th century? And how did Dixieland rhythms help redefine American pop? From ragtime to bebop, we'll trace the first half-century of jazz in all its glory, breaking down legendary cuts bar-by-bar and celebrating the music's major (and minor) figures. It's swing time!

Jason Gubbels Health Sciences Bldg. E 1835
April 17-June 19 Tues., 10:00am-12:00pm

Intro to Photography

Item # 3710 Max Students: 15 \$82.35

This course will provide students with an introduction to photography while covering the basics of capturing great images. Students will learn how to shoot excellent portraits and landscapes. Class will finish with creative photography lessons designed to teach students how to set their photography apart from the rest.

Daniel Biggs Main Bldg. D 115
April 9-May 7 Mon., 6:00pm-9:00pm

Creative Collage

Item # 3713 Max Students: 10 \$70.00

We will learn how to bring together our "trash treasures" to create a collage as small as a necklace or as large as a wall hanging. Students are encouraged to bring various scrapbook items like lace, ribbon, and paper, as well as dimensional pieces such as shells, belt buckles, or bottle caps - just about anything that can be adhered to a smooth surface. Most materials provided.

Joyce Klassen Main Bldg. D 116
April 20-21 Fri. & Sat., 10:00am-4:00pm

Personal Enrichment

Managing Your Photos

Item # 3014 Max Students: 10 \$25.00

Digital photos are wonderful for many reasons - However, do you have them scattered on different computers and storage systems? Does getting them into an album seem overwhelming? We will go over two options that will work well to help keep your photos safe so you can access them from any digital device for years to come.

Jodi Worden Main Bldg. D 101
April 23 Mon., 3:30pm-5:00pm

Beginning Fly Casting

Item # 3708 Max Students: 12 \$45.00

This course will cover the basics of fly casting. We will start in the classroom with rods, reels, and how to set up your fly rod, and then move outdoors to learn to cast without catching your neighbor or a tree. The class will finish on the creek, putting your new skills to use! All equipment will be provided. *Last class session will meet from 2:30pm-4:00pm.*

Diane Briggs Main Bldg. D 107
May 3-17 Thurs., 2:30pm-3:30pm

Pétanque 101

Item # 3711 Max Students: 24 \$30.00

Pétanque is a fun, outdoor, low-impact activity that is played all over the world with steel boules. We will give you the history of the game, instruction on how to become a champion, and then on to play some games. Learn and play at the same time! If you are hooked, you will be able to join our Walla Walla Pétanque Club.

Ryan Raber Tertulia Cellars-1564 Whiteley Rd
April 14 Sat., 11:00am-2:00pm

= See book/supply list on website

30-Day Business Boost

Item # 4504 Max Students: 15 \$55.00

Proven, practical, personalized: whether you are starting your own business now, planning to in the future, or want to give your existing business a boost, this class will provide you three things: a safe place to work on your personal business plan with the help of a professional business instructor and entrepreneur, a "mastermind" group of like-minded business people with whom to share ideas, and a 30-day action plan for success.

Joseph Cooke Main Bldg. D 214
April 16-May 21 Mon., 7:00pm-8:30pm

Getting Published: Pods, Blogs, and e-Books

Item # 4505 Max Students: 14 \$45.00

Want to see your books in print or in digital form? Discover how to get your words to your chosen audience, spending little to nothing and earning the best percentages. Learn how to choose between traditional and new publishing options including blogging, self-publication, and eBooks.

Ariele M. Huff Main Bldg. D 102
June 11 Mon., 2:00pm-6:00pm

Intro to Forklift Operation

Item # 4501 Max Students: 6 \$125.00

This class is for those who have never driven a forklift before but are interested in becoming certified. Gain an understanding of the current regulations that govern forklift operation and learn techniques for safety. Practice driving and maneuvering to enable you to meet a basic measurable level of skill. At the end of this class you will be tested on an obstacle course. Must be 18+ to sign up. 

George Klein Craik Bldg. V
April 24-May 10 Tues. & Thurs., 4:30pm-6:30pm

Forklift Operator Certification

Item # 4510 Max Students: 6 \$75.00

This is a two-day certification for those that already have basic forklift driving skills and are ready to take the certification test. The first day will take place in the classroom, where you will sign up for an individual one-hour test time. Must be 18+ to sign up. 

George Klein Craik Bldg. V
May 15 Tues., 4:30pm-6:30pm

Learning to be a Baseball Umpire

Item # 4515 Max Students: 15 \$99.00

This course is designed specifically for those who wish to enter the field of officiating baseball or for those who wish to improve their competence. Emphasis will be on the two-man system with an introduction to the three-man system.

Greg Tate Main Bldg. D 241
April 2-May 14 Mon., 6:00pm-8:00pm

Arts

Advanced Wood Carving

Item # 4203 Max Students: 12 \$54.90

This course will enable the student to carve and wood burn a Native American shield with a buffalo skull, the skull being carved in-the-round. Some extra carving (homework) will be required between weekly classes. 

Van DeWitt Main Bldg. D 116
April 5-May 31 Thurs., 1:30pm-4:30pm

Beginning Wood Carving

Item # 4204 Max Students: 10 \$54.90

Create your own masterpiece in wood! In this session, we will be carving a hummingbird over a branch, with a few flowers. This project will help

you to learn the techniques and applicable steps for carving.

Richard Poolman & Gary McAlvey Main Bldg. D 116
April 4-May 30 Wed., 1:30pm-4:30pm

Beginning Watercolors

Item # 4210 Max Students: 20 \$87.84

Eight weeks is all it takes to discover what makes watercolor such an amazing medium! A variety of techniques will be introduced to provide students with the ability to create the luminous, transparent glow that only watercolors can provide. At the end of the session you will complete and take home three watercolor projects. No experience necessary. 

Joyce Anderson Tech Bldg. F 1108
April 3-May 22 Tues., 5:45pm-7:45pm

Intermediate and Advanced Watercolors

Item # 4211/4212/4213 Max Students: 20 \$90.20

This class is intended for those with some watercolor experience who want to continue learning and growing as an artist. Explore the properties of this unique medium. We will be exploring a range of techniques and subject matter, including portraits, florals, buildings, and animals. Three watercolor projects will be completed in each eight-week class, which you will be able to take home! 

Joyce Anderson Walla Walla Senior Center
4211: April 5-May 24 Thurs., 1:00pm-4:00pm
4212: April 6-May 25 Fri., 1:00pm-4:00pm

Joyce Anderson WWCC Tech Bldg. F 1108
4213: April 2-May 21 Mon., 5:45pm-8:45pm

Mixed Media Drawing

Item # 4512 Max Students: 12 \$85.00

This class will give you an introduction to drawing and painting using a variety of mediums. Six weeks is all you need to learn the basics! We will be using ink, paints, and even coffee to make art. All skill levels are welcome. 

Craig Meldahl Main Bldg. D 116
May 8-June 12 Tues., 5:00pm-8:00pm

Wire Wrapping a Stone Pendant

Item # 4518 Max Students: 12 \$125.00

In this class students will learn how to make beautiful pendants by learning two new methods! Make beautiful stone pendant jewelry by learning to cut, shape, and polish semi-precious stones such as agate, jasper, and petrified wood. Then you will learn to wrap them in copper or silver wire; ready to hang from a chain. Students will finish two to three pendants. Supplies will be discussed at the first class.

Warren Rood Rock & Gem Club-6522 Old Highway 12
April 4-June 6 Wed., 6:00pm-8:00pm

Pets

Growly Dog

Item # 4506 Max Students: 6 \$110.00

Do you have a growly or reactive dog? In this class you will learn how to read and communicate with your dog effectively as you learn skills that can help you and your dog feel calmer. You will learn the basics of clicker training, why dogs exhibit aggression, and the tools we use (and don't use) to rehabilitate aggression and fear in dogs. Do not bring your dog to the first class. 

Steve Barer Blue Mountain Humane Society
April 2-25 Mon. & Wed., 6:00pm-7:00pm

Puppy Kindergarten

Item # 4507 Max Students: 10 \$90.00

Start your puppy off with the much-needed socialization that all puppies need to become behaviorally healthy adults. Your puppy will learn basic training for manners and obedience too! This class is designed for puppies 8-20 weeks of age. 

Dawn Barer Blue Mountain Humane Society
May 1-June 7 Tues. & Thurs., 6:00pm-7:00pm

Pet CPR/First Aid

Item # 4508 Max Students: 12 \$35.00

This course will teach the CPR and First Aid techniques needed to help your pet in an emergency. Both minor and major injuries will be covered, as well as what to keep in a well-stocked pet first aid kit. CPR techniques will be practiced, with an official demonstration, to give you hands-on experience. All supplies provided. Do not bring your pet to class.

Dawn Barer Main Bldg. D 106
April 27 Fri., 6:00pm-7:30pm

Adult Dog Training

Item # 4509 Max Students: 10 \$90.00

This 5-week introductory class for dogs will help you to better communicate with and train your dog. Dogs will learn leash walking skills and commands such as sit, down, come, and stay. Challenges such as barking, digging, jumping, and chewing will be addressed. Little or no previous training needed. Current vaccine records are required. 

Jennica Chryst Blue Mountain Humane Society
May 9-June 6 Wed., 6:30pm-7:30pm

Fitness

Dance to Fitness!

Item # 4199 Max Students: 16 \$85.00

This is a line dance style exercise class with music that inspires you to move! A variety of dances and music styles are part of this class, joined with stretching and strengthening. This is an easy to moderate workout class.

Elena Enriquez Walla Walla Senior Center
April 9-June 13 Mon. & Wed., 9:00am-10:00am

All Levels Hatha Yoga

Item # 4209 Max Students: 20 \$109.80

This class is designed for anyone wanting to enhance balance, gain strength, improve grace in their body, and promote mindfulness and spiritual awareness. We will focus on the foundations of yoga postures with movement and flow, as well as emphasize the benefits of yoga to the body and mind. 

Rob Robinson Main Bldg. D 185B
April 10-June 14 Tues. & Thurs., 9:00am-10:00am

Food & Wine

Na Na Na Naan, Hey Hey Hey, Good Bread!

Item # 4516 Max Students: 16 \$45.00

Naan, literally meaning bread in Arabic, is one of the world's oldest breads. Naan bread is great stuffed with aromatics, topped like a pizza, used in Indian cuisine, or frozen for later use. In this hands-on class, students will make naan from scratch, learn a variety of ways to serve the bread, and take some home for later use.

Greg Schnorr Main Bldg. D 140-Titus Creek Kitchen
April 19 Thurs., 5:30pm-7:30pm

Indian Cuisine: Masters of Seasoning

Item # 4517 Max Students: 12 \$45.00

In this course our chef instructor will demonstrate classical dishes from the Punjab region of India. The chef instructor will guide you through the makings of a traditional samosa filling, the cooling effects of raita's and chutneys, and the ever-popular tandoori chicken.

Jay Entrikin Main Bldg. D 140-Titus Creek Kitchen
April 28 Sat., 10:00am-12:00pm

Olé Mole!

Item # 4520 Max Students: 16 \$50.00

In this class we will discuss the origins of mole and the many variations distinct to each region. Roll up your sleeves and come prepared to toast and grind chilies, spices, and chocolate. We will make mole negro, roja, and verde. Olé! 

Robin Leventhal Main Bldg. D 140-Titus Creek Kitchen
April 14 Sat., 1:00pm-4:00pm

Wine Marketing Roundtable

The Wine Marketing Roundtable, a project of Walla Walla Community College's Enology & Viticulture program and Department of Continuing Education, is a regular gathering of people involved with wine marketing and sales. This program allows people within the industry a chance to learn current best practices from local/regional experts. Full agenda to be announced.

May 21 Enology & Viticulture Bldg. T 1608/1609
Mon., 4:00pm-6:00pm

Music

Guitar and Ukulele Fun

Item # 4206 Max Students: 12 \$54.90

Learn the fundamentals of playing guitar and/or ukulele. You will learn basic chords, strum patterns, and fingerpicking accompaniment patterns in the context of simple folk/pop songs. If you have a little experience, join in as we learn to put music components together and start a group. 

Phil Lynch Prof-Tech Bldg. J 303
April 23-May 21 Mon., 6:30pm-7:30pm

Build Your Own Strummer Guitar

Item # 4513 Max Students: 10 \$120.00

This course will cover the history of the three-string-strummer guitar, setting up and tuning your guitar, applying finish, and playing some fun simple songs on your new creation. During this course you will build a guitar from a kit. All supplies included.

Lars Smith Walla Walla Senior Center
April 18-May 23 Wed., 8:30am-10:30am

Survey of Latin Dance

Item # 4514 Max Students: 24 \$49.00

This class will cover the basics of Merengue, Bachata, Salsa, and Cumbia. These four dances encompass the majority of Latin styles that are currently seen in our area and around the globe. We will focus on improving rhythm, posture, and footwork. No partner or prior dance experience necessary.

Ian Gregoire Bldg. A 005-Dome Dance Studio
May 2-30 Wed., 6:30pm-7:30pm

Hobbies

Dirty Dancing: The Classic Story

Item # 4236 Max Students: 10 \$75.00

Seen by millions across the globe, this worldwide smash hit tells the classic story of Baby and Johnny, two fiercely independent young spirits from different worlds who come together in what will be the most challenging and triumphant summer of their lives. Ticket and roundtrip transportation included. Meet at the flagpole in the WWCC main parking lot.

April 25 Wed., 5:15pm-11:45pm

Spanish for Real Life

Item # 4500/4521 Max Students: 35 \$54.90

Learn Spanish for the first time or refresh your skills with this course designed to teach conversational, or "real life," Spanish. Come join us for relevant, rigorous, and engaging activities to learn and apply Spanish in a conversational setting. 

Julie Perron Main Bldg. D 114
#4500: April 12-May 10 Thurs., 4:30pm-6:30pm
#4521: May 17-June 14 Thurs., 4:30pm-6:30pm

Photoshop Basics

Item # 4511 Max Students: 10 \$85.00x

Learn to enhance photographs, manipulate images, and a whole lot more. Some computer familiarity is needed but no skills in Photoshop are necessary; just a desire to learn something new and fun.

Craig Meldahl Tech Bldg. F 1204A
April 30-June 11 Mon., 5:00pm-8:00pm

NONPROFIT AND COMMUNITY LEARNING CENTER

The Nonprofit and Community Learning Center, sponsored by WWCC and Sherwood Trust, exists to provide ongoing networking, education, and training to nonprofit staff, board members, and community members on ways to be involved in strengthening local organizations and communities throughout our region. Sessions take place at the William A. Grant Water & Environmental Center (Bldg. R) at WWCC. More information available online at www.wvcc.edu/community.

What You Need to Know About Board Governance and Building a Stronger Board

WEC Bldg. R 2023/2024

Are you new to being a board member or just never got a good overview of what it means to serve on a board? Are you a seasoned board member who needs to help your newer board colleagues understand their role? Participants will learn how to run a thoughtful board recruitment and governance process that will yield results. In addition, we'll touch on engagement and retention strategies to make sure you are able to keep and benefit from the talented people serving on your board. Lastly, we will spend time discussing the working relationship between the board and the executive director.

May 9 Wed., 5:30pm-8:30pm

LEADERSHIP WALLA WALLA

The Leadership Walla Walla Class of 2017-2018 is in session at this time. We are now accepting Class of 2018-2019 applications from current and future leaders in our community.

Applications due by August 1, 2018.
