

**Culture: Impact on Organizational Strategies
Worksheet**

Section 1: Your Culture

a. What is the best thing, culturally, about working in or governing your nonprofit?

b. Identify a barrier to progress that comes from your organization’s culture.

Section 2: Select one of the barriers identified in your group.

What tools could be used to promote cultural change to address the barrier identified above?

What issues or concerns might be encountered?

How might you address the issues or concerns?
