**WWCC Library Resource Login**

**Process for Accessing Library Databases:**

Enter your personal NetID (SID#) here.

Enter your personal Password here.

NOTE:

We’ve updated our database access procedure as of August 2017. You must be a currently registered student or employed staff member to access our WWCC Library databases. If you have not yet established, or have forgotten, your password then visit the following web page to activate/change your password. Once you have completed the activation process, then try accessing our databases with your new password:
