- C. To request to donate shared leave hours, an employee must submit an [Application to Donate Leave for Shared Leave](#) form to the Payroll and Benefits Office. The Assistant Director of Payroll and Benefits or designee will review the donor's leave balances to verify that the employee is eligible to donate shared leave.

- A. The calculation of the recipient's shared leave value will be determined in accordance with Office of Financial Management (OFM) regulations. In transferring leave from the donor to the recipient, it is the donor's dollar value of the leave that transfers and purchases shared leave for the recipient at the recipient's salary rate.

X. RETURN OF UNUSED SHARED LEAVE

- A. When the recipient of shared leave no longer has a qualifying reason, when employment with WWCC is terminated, or when the recipient voluntarily stops using the shared leave, any remaining shared leave will be returned to the donating employees. If there are multiple donors, the shared leave that was donated is prorated among those employees.
- B. Before unused shared leave is returned in connection with an illness or injury, the employee must submit a written statement from a licensed physician or health care practitioner verifying that the illness or injury is resolved.

XI. TREATMENT OF EMPLOYEES USING SHARED LEAVE

- A. An employee using shared leave will continue to be treated as an employee and will receive the same treatment regarding salary, wages, and employment benefits as the employee would receive if using accrued vacation or sick leave.
- B. An employee receiving shared leave is eligible for all regular leave accruals while receiving shared leave. Leave accruals earned while receiving shared leave must be used before additional leave is used.

- C. An employee who uses shared leave while on probationary or trial service status will have his or her probationary or trial service period extended by the number of calendar days he or she is on shared leave unless the shared leave is based on the employee's call to service in the uniformed services.

XII. SHARED LEAVE RECORDS

- A. Shared leave balances are maintained separately from other leave balances.
- B. Requests for shared leave will be maintained in the employee's Occupational Health Record.
- C. Employees receiving shared leave shall report use of such leave in accordance with the College's leave reporting process.
