The program is a partnership with the Walla Walla School District and covers the cost of tuition and books for program participants. All students must apply for admission to the College as part of the enrollment process.

Credit and tuition eligibility are determined by the number of courses the student is enrolled in at his/her public high school.

Home-schooled and private school students must enroll in a public high school to participate in this program. Running Start students qualify by completing the WWCC placement process and meeting with their high school counselor in addition to a WWCC advisor. Running Start students pay quarterly fees to the college based on their course load and must pay for textbooks; additionally, students may be charged tuition based on the number of credits they are enrolled in at their high school.

GET SIGNED ON!
All students accepted to Walla Walla Community College (WWCC) can access the student portal (pictured left). You can designate your password and activate your portal account by choosing MyWWCC on our web site at http://wwcc.edu. WWCC students enrolled in courses gain elevated privileges that include the ability to login to campus computers, print on campus printers, and access the college’s online learning management system. Students no longer enrolled in any classes can access MyWWCC, but cannot login to campus computers, print, or access the online learning management system.

MyWWCC provides access to the Student Portal Communicator where timely and targeted messages and information will appear. For example, enrollment in a wait-listed class, personal information, student email access, posted grades, class schedules, registration, online classroom login (also available at http://online.wwcc.edu), progress towards degree, grades, and transcripts. In addition, students can save and edit their NETID passwords used to login to most campus resources including MyWWCC and webmail.

To access MyWWCC - the student portal - go the Walla Walla Community College home page at http://wwcc.edu. Click on the MyWWCC link in the upper right corner of the page and follow the instructions at the bottom of the next page to activate your account.
You will need:

1) Student ID Number
2) Date of Birth
3) Social Security Number (if you did not provide a SSN to the college, call the help desk to activate your account).
4) Select a password

Students have access to a 1TB OneDrive via O365. You are able to use this space for saving homework files and access them both on and off campus 24 hours a day. In addition, you can access class assignment folders and class-shared work folders instructors might set up for your class on any campus PC by going to the K: drive.

EMAIL and STUDENT PORTAL COMMUNICATOR

Enrolled students are provided email accounts. Your instructor will inform you if they use your college email address to communicate with you. Many will use the online learning management system (Canvas) for this purpose. You can access your email account at http://wwcc.edu/webmail.

We recommend all students use MyWWCC to activate their NETID account and choose a password, as this account is used for local PC login, WWCC Email access, and Canvas online class access.

Using MyWWCC regularly is valuable because it allows easy access to a wealth of resources. We also recommend every student access the student portal communicator tool from MyWWCC. Click on one of the message icons and then SETTINGS to view/update your profile information. One can unsubscribe from broadcast channels that are not relevant to you (such as messages addressed to another WWCC campus) and provide another email address to which directed (non-broadcast) portal messages will be forwarded.

Note these important points:

- Your NetID is your 9 digit WWCC Student ID number.
- You need to activate your NetID account before logging into WWCC resources such as local workstations, MyWWCC, webmail, and Canvas.
- When you activate your NetID account, you will be given your email address. You can also see your assigned email address in the MyWWCC student portal under “My Profile”.
- Refer to the following page for mobile device setup: http://www.wwcc.edu/CMS/index.php?id=3231
- Refer to the following page for access to the wireless network: http://www.wwcc.edu/tech-services/networks-and-wireless/

**Confidentiality of Student Records (FERPA)**

In accordance with the federal Family Educational Rights and Privacy Act (FERPA), Walla Walla Community College enforces guidelines concerning information about the student’s permanent educational record and governs the conditions of its disclosure. Except as otherwise indicated, the college will not provide information contained in student records in response to inquiries unless the student has given consent to the college in writing using the form at [www.wwcc.edu/CMS/fileadmin/PDF/OAR/Release_of_Information_Form.pdf](http://www.wwcc.edu/CMS/fileadmin/PDF/OAR/Release_of_Information_Form.pdf).

Exceptions will be made if knowledge of the information is necessary to protect the health or safety of the student or other individuals or disclosure is required by law.

The following information may be released without notification to the student on a need-to-know basis, as it is representative of public directory information:

- Student’s Name, Address (street & e-mail), and Phone Number
- Field of Study
- Enrollment Status (e.g., full-time or part-time)
- Athletic Information
- Dates of Attendance and Completion
- Degrees and Awards Received.

The college provides additional information to military recruiters in compliance with federal Solomon Act requirements. Students wishing to be excluded from the student directory information as defined in PL.93-380 must file a quarterly non-disclosure request with the Registrar to seal their records. Walla Walla Community College assumes that failure on the part of any student to specifically request the withholding of “Directory Information” indicates individual approval for disclosure. By sealing your records, WWCC will be unable to verify degrees, graduation, or any other requested information. Call 509-527-4283, Office of Admissions and Records, if you need further information.
Grading Policies
Grades and Grade Reporting
The WWCC grading system provides a permanent record of grade evaluations which reflects the student’s course achievement. The following grades are used:

Outstanding Achievement
A 4.0 points per credit hour
A- 3.7 points per credit hour

High Achievement
B+ 3.3 points per credit hour
B 3.0 points per credit hour
B- 2.7 points per credit hour

Average Achievement
C+ 2.3 points per credit hour
C 2.0 points per credit hour
C- 1.7 points per credit hour*

Minimum Achievement
D+ 1.3 points per credit hour
D 1.0 points per credit hour

Unsatisfactory Achievement
F 0.0 points per credit hour

Grades not included in G.P.A. calculation
I Incomplete (see description below)
N Audit - Course not taken for credit (does not appear on transcript)
P Passing - Used for short courses, workshops and where deemed appropriate by the Vice President of Instruction.
W Withdrawal (see description below)
Y In progress (not a final grade) - Used in courses that allow enrollment on a continuous basis. Students who enter such courses after the quarter has begun and need additional time to complete course requirements may be given time in the subsequent quarter to the equivalent of a quarter. Students do not re-enroll for the time allowed in the subsequent quarter. The “Y” grade will be changed to an appropriate letter grade at the end of the equivalent quarter through the grade change process. Students needing more than the equivalent of a quarter must be given a grade and be required to re-register for the course.
Z No credit - Student has not met minimal objectives due to extenuating circumstances (accident, illness, death in family, etc.). The faculty member initiates this grade. This grade is not computed in the grade point average and cannot be changed unless instructor error has occurred.
S/U Satisfactory/Unsatisfactory - Used in a limited number of courses where students will not have their work recorded on their transcripts.

*Some departments do not consider a C- grade as sufficient to satisfy course requirements or to progress to the next level.

The Incomplete (I) Grade
The grade of “I” may be assigned only upon the request of the student and with the concurrence of the instructor. It is given to the student who is doing passing work and has
completed at least two-thirds of the course when a circumstance arises that prevents normal completion. Neither lateness in completing work nor the desire to do extra work to raise a poor grade is considered an extenuating circumstance. A student must obtain an Incomplete Grade Contract from the Office of Admissions and Records and negotiate a formal agreement with the instructor specifying the work done, the work remaining to complete the course and the time allowed to do the work. If the incomplete is to be made up in any other than the subsequent quarter, excluding summer quarter, the student must re-register for the course. If a student does not make up the incomplete grade, the instructor will change the incomplete grade to the grade and credits agreed to in the Incomplete Grade Contract. If the instructor has not specified the grade and credits that the incomplete grade will revert to and the student does not honor the Incomplete Grade Contract, the incomplete grade will remain permanently on the student record and “0” grade points are earned.

**Prerequisite Course Incompletes**

A student may enroll in a course that has a prerequisite course for which the student has negotiated an incomplete grade. However, the student must successfully complete the required work for the requisite course and replace the incomplete with a grade that meets the prerequisite requirement during the first three days of the subsequent quarter. If the student does not complete the prerequisite course in the first three days of the subsequent quarter, the college will withdraw the student from the current course.

**The Withdrawal (W) Grade**

If students feel that they are improperly enrolled in a course, they should initiate withdrawal as soon as possible. See the quarterly class schedule for the last day to withdraw. Withdrawals after the 10th day of the quarter will become part of the student’s transcript. Students are not eligible to receive the Withdrawal (W) grade after the last day to drop (see quarterly course schedule). See the section on adding or dropping courses.

**Grade Point Average (G.P.A.)**

The grade point average indicates the general achievement of a student. It is calculated by multiplying the number of credit hours for a course attempted by the grade points assigned to the grade for that course, taking the sum of products calculated and dividing by the total credit hours attempted. The calculation does not include courses in which the student received grades I, Z, N, Y, W, S or P.

**Quarterly Grades**

At the end of each quarter, grades are processed for each student enrolled for credit. Students may get their quarter grades and grades for the previous quarters by getting an unofficial copy of their transcript online at [www.wwcc.edu/sos](http://www.wwcc.edu/sos) or by leaving a self-addressed and stamped envelope at the Office of Admissions and Records.
Grade Change
Once a grade has been filed with the Office of Admissions and Records, it is regarded as final. Except for the conversion of Incomplete (I) and In-Progress (Y) marks, grade changes are accepted only under restrictive circumstances. These circumstances include:

1) Clerical error in transcription or recording of grade
2) Instructor error in computation
3) Decision as the result of a grievance procedure
4) Grade resulted from academic dishonesty

At the end of each quarter, grade reports are available on the web for each student enrolled for credit. If an error or omission should occur on a student’s grade report, the registrar must be notified no later than the last day of the subsequent quarter.

Repeating A Course—Grade Forgiveness
A student may request grade forgiveness when repeating any course for which a grade of “C-” or lower was received. Students must submit the online Grade Forgiveness/Repeat Class Request to have the highest grade calculated into the WWCC grade point average. Grade forgiveness is only granted when both courses are taken at WWCC and can only be granted twice, if necessary, beyond the original course. If approved, the course(s) with the lower grade will have an “R” posted next to the grade in the permanent transcript.

All courses repeated for which a grade of “C” or better was earned will remain as part of the student’s record, and an average of those grades will be reflected in the cumulative grade point average.

The course must be repeated at WWCC or the repeat will not be shown on the WWCC transcript, and the grade point average will not be recalculated.

Note: Students planning to transfer to four-year institutions should be aware that many four-year institutions have strict policies on course repeats. We recommend checking with the transfer institution before repeating a class to determine course transferability.

Students receiving financial aid or veterans benefits should consult the respective office prior to repeating a course as financial penalties may be imposed. This procedure has no effect on admission criteria and procedures established for selected program areas.

Frequently Asked Questions...

✓ **What is the difference between my Global PIN and my quarterly PIN?**
   
   Your Global PIN (Personal Identification Number) is used to access general information about yourself such as grades, financial aid records, and unofficial transcripts from the WWCC website. Your global PIN number is initially assigned as your date of birth in six digits (MMDDYY). Your Quarterly PIN (registration access number), obtained through your assigned advisor, is a number allowing you to register for, add, and drop classes each quarter. This number changes each quarter.

✓ **How do I get a transcript?**
   
   To request an official, or access an unofficial transcript, go to http://www.wwcc.edu/transcripts/ and follow the instructions. There is a $5.00 processing fee for each official transcript ordered. For same day processing, the fee is $15.00.

✓ **What is the cost of tuition and fees?**
   
   Tuition and fees for one year for a Washington resident enrolling in 12 credits per quarter, is approximately $3,900.00. Books, supplies and tools are an additional cost, depending on classes and program.

✓ **When is tuition due?**
   
   Tuition is due 10 days before the first day of each quarter.

✓ **How long do I have to withdraw and still get a 100% refund?**
   
   You have until the 5th business day of the academic quarter (4th day in summer quarter) to withdraw and receive a 100% refund for credit courses. See quarterly schedule for actual 100% refund dates.

✓ **Do I have to enroll full time to receive financial aid?**
   
   You do not have to be enrolled full time (12 or more credits) to receive aid. However, if you enroll for less than full time, your grant award will be pro-rated for part time attendance. Your student loan amount remains the same as long as you enroll and complete at least 6 credits. If you have a student loan and enroll for less than 6 credits, you will not be eligible for the loan portion of your financial aid. However, you may still be eligible and able to receive a small amount of grant aid.

✓ **What is the application fee at Walla Walla Community College?**
   
   Nothing, nada, it’s FREE!!!

✓ **When and how do I get my Student Identification Number?**
   
   When you apply for admission, you will be assigned a 9 digit Student ID number (SID) on a temporary card. It is not your social security number.

✓ **How do I sign up for the WWCC placement test?**
   
   If you have submitted your application for admission, and been assigned a Student ID number, you will be asked to complete the Placement Application Tool online. The responses you provide will determine if you will require a placement test. If you need a placement test, you will receive instructions on how to sign up. The placement test is free. Go to www.wwcc.edu/placement for more information.

✓ **How do I get disability services at Walla Walla Community College?**
   
   To request accommodations due to a disability, contact the Coordinator of Disability Support Services at 509.527.4262 (Walla Walla Campus).
