Dr. Marleen Ramsey  
Vice President of Instruction, Chief Instructional Officer  
Walla Walla Community College  
500 Tausick Way  
Walla Walla, WA 99362

Dear Vice President Ramsey:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that Walla Walla Community College, located in Walla Walla, Washington, has been accredited continuously by NWCCU since receiving initial accreditation in 1969. The Northwest Commission on Colleges and Universities accredits Walla Walla Community College at the associate degree level. The Commission most recently reaffirmed the accreditation of the College in fall 2015 on the basis of a comprehensive Year Seven *Mission Fulfillment and Sustainability* evaluation. The College's next comprehensive evaluation is scheduled for fall 2022.

The institutional accreditation of Walla Walla Community College includes all its educational offerings.

I hope this information is helpful. Please contact me if you have questions regarding the College's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

A handwritten signature in blue ink that reads "Elsa J. Gossett".
