

Master List of Transfer Courses

How to use this guide

Refer to this guide when selecting courses to fulfill specific requirements for your transfer degree. For instance, when the degree requires a Humanities course, go to the "Humanities [H]" and/or the "Humanities/Performing Arts [HP]" sections for courses that qualify.

This Master List of Transfer Courses is applicable for the following degrees:

Associate in Arts – DTA¹

Associate in Science, Option I

Associate in Science, Option II

Associates in Biology – DTA¹/MRP²

Associates in Business – DTA¹/MRP²

Associates in Math Education – DTA¹/MRP²

Associates in Nursing – DTA¹/MRP²

The Symbols

Ⓧ **Diversity Course.** These courses meet the WWCC Diversity Requirement and are distributed throughout the general education categories and are double-designated with other distribution requirements.

Ⓧ **Cross-Listed Course.** This course is listed under two or more subject areas.

For example: HIST& 116, Western Civilization can count as either a Humanities course or a Social Science course. **Once a cross-listed course has been successfully completed, it may only be credited towards one subject area.**

C Evening Course: These courses may also be offered in the evening for flexible learning options*.

📺 Online Course: These courses may also be offered online*.

& Common Course: These courses share the course number and title with other Washington State Community and Technical Colleges and transfer seamlessly between institutions.

⚡ Non-Lab Science course.

** Note: not all classes are offered every quarter.*
