NOTICE OF PHASE 2 INSTRUCTIONAL ACTIVITIES

WALLA WALLA COMMUNITY COLLEGE

COVID-19 PHASE 2 - EXPOSURE CONTROL, MITIGATION, AND RECOVERY PLAN FOR HIGHER EDUCATION WORKFORCE TRAINING

Walla Walla Community College takes the health and safety of our faculty, staff, students and the general public very seriously. With the spread of the coronavirus or “COVID-19”, a respiratory disease caused by the SARS-CoV-2 virus, we must remain vigilant in mitigating the outbreak. In order to be safe and maintain operations, we have developed a comprehensive COVID-19 Exposure Control, Mitigation, and Recovery Plan to be implemented for each instructional program that operates on-campus during this phase.

Walla Walla Community College certifies compliance with a comprehensive COVID-19 Exposure Control, Mitigation, and Recovery Plan, which meets the health and safety criteria outlined under the State of Washington’s COVID-19 Phase 2 Higher Education & Workforce Training Requirements. These requirements were announced by Governor Jay Inslee on May 30, 2020. Walla Walla Community College commits to adhere to the requirements set forth in these plans and WWCC’s Phase 2 Reentry Plan is available for review upon request.

Dr. Chad Hickox, President
