RE: Addendum to Nursing Student Handbook and Nursing Admission Guide:
Correct announcement of ACEN Accreditation contact information

The WWCC Nursing Program has had the correct ACEN contact information on its website and in the Nursing Admission Guide and the Nursing Student Handbook, however, we learned yesterday that there is exact verbiage that must be stated on our website and our publications.

The verbatim contact information statement required by ACEN has been changed on our Nursing Education website and is as follows:

Nursing Program Approval and Accreditation

The Associate nursing program at Walla Walla Community College at the Walla Walla, WA and Clarkston, WA campuses located in Walla Walla, WA and Clarkston, WA is accredited by the: Accreditation Commission for Education in Nursing (ACEN).

3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326
(404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the Associate Degree nursing program is continuing accreditation.
