

2024-25 Quarterly Final Exam Schedule

ALL INSTRUCTORS ARE STRONGLY ENCOURAGED TO:

- Provide multiple scheduled exams across a variety of start times/days for maximum flexibility, including proctored exams.
- Provide a minimum of 48 hours for students to access exams.
- Set the final exam date during the first week of class and post for students so they can address any exam conflicts.
- Begin exams on or after the first day of exams (some exceptions for Workforce programs) on Wednesday, December 11th, Wednesday, March 19th, or Monday, June 16th.
- Withhold correct answers and exam scores until all have taken the exam to improve integrity.
- Require final papers or projects be submitted by the end of the second day of finals (Thursday evening) to ensure adequate time for grading.
- Utilize the recommended testing schedule for on campus courses when opting to proctor in person final exams (see below).

INSTRUCTORS CANNOT:

- Provide accommodations to a student without confirming an official accommodation is in place; this includes students who indicate a COVID-related reason for missing an exam.
- Allow students from one section to “join” the exam of another section as an alternate exam option; laws protect student privacy, including fully online classes.

STUDENTS MUST:

- Check for exam information in course syllabi and Canvas announcements.
- Notify their instructors early if they cannot make a scheduled exam time/day.
- Provide accommodation information to instructors early in the quarter so there is adequate time to put appropriate supports in place.
- Abide by all guidelines and maintain the highest level of ethical standards for all coursework and assessments.
