GUIDELINES FOR MAKING A PLAN

- List specific courses by department and course number when known (ie: BIOL&260 vs. "Microbiology"), otherwise general requirement categories (Natural Science, Humanities, etc.) are acceptable.
- All courses must meet degree requirements for the student's listed program/degree. Check ctcLink to make sure the student's program is correct. To make changes, fill out the Program Change Request form.
- List at least one alternate course each quarter to allow flexibility for course enrollment issues.
- Reduce a student's credit load when applicable. Financial aid will be awarded based on the credit load laid out in this plan. Students changing their enrollment status (full-time to part-time) need to inform the Office of Financial Aid before the 5th day of the quarter to allow for an award adjustment.
- ***This education plan must <u>match</u> the student's schedule each quarter to allow financial aid to disburse.*** If any changes are made, this plan must be updated and submitted to Financial Aid prior to the start of the quarter to prevent delays in funding.

PLEASE USE THIS TEMPLATE FOR ALL FINANCIAL AID REQUIRED EDUCATION PLANS
