WHAT DEGREE DO I GET AT WWCC?

For most Health Technology Degrees, the Associate in Arts-DTA works to incorporate prerequisite courses at WWCC in your education plan. Below are recommended courses to prepare you for this type of program. Check out www.wbcc.edu/associateinarts for specific degree requirements.

RECOMMENDED COURSES

Every program / institution may require slightly different prerequisites. It is highly recommended that you speak with a representative at the future institution to identify specific prerequisite coursework or other requirements to be ready for your program (eg-minimum GPA requirements) and work with your advisor to develop an Education Plan including proper courses.

The courses listed below are recommended only, completion of these courses does not guarantee admissions to institutions or programs.

COMMUNICATIONS (13 CREDITS REQUIRED)

- ENGL&101-Composition
- CMST&220-Public Speaking

HUMANITIES (15 CREDITS REQUIRED)

- PHIL131-Introduction to Ethics
- Select a Literature course and an additional Humanities course with your Advisor.

NATURAL SCIENCES (15 CREDITS REQUIRED)

- BIOL&160-General Biology
- BIOL&241-Anatomy & Physiology I
- BIOL&242-Anatomy & Physiology II

The AA degree requires an additional 3 credits for Physical Activity courses, First Year Experience, and a Diversity course for completion.

Important Notes:

While an advisor is available to help research and plan courses, it is the student's responsibility to research and communicate with schools and programs to which they intend to apply to verify prerequisites and requirements as these vary and are subject to change. Please check out the links to schools available at www.wbcc.edu/health-technology

SOME SCHOOLS WITH A PHARMACY TECHNICIAN PROGRAM:

Central Oregon Community College	Chemeketa Community College	Clark College
