

WHAT IS SOCIOLOGY?

Sociology provides a framework to understand how societies and social life in general are created, maintained, and changed. Students of sociology gain an appreciation of why it is that we do things one way, while other cultures do things differently. Topics and issues in Sociology include: family, gender, race and ethnicity, human ecology, community, religion, government, globalization, social problems, social deviance, social welfare, social change and social stratification.

WHAT DEGREE DO I GET AT WWCC?

For transferring to a university to pursue a major in Sociology, you may want to complete an Associate in Arts-DTA at WWCC. Below are recommended courses to prepare you for this major. Check out www.wbcc.edu/associateinarts for specific degree requirements.

RECOMMENDED COURSES

Every university and major may require slightly different prerequisites. It is highly recommended that you speak with a representative at the future institution to identify specific prerequisite coursework or other requirements to be ready for your major (eg-minimum GPA requirements) and work with your advisor to develop an Education Plan including proper courses. The courses listed below are recommended only, completion of these courses does not guarantee admissions to institutions or programs.

COMMUNICATIONS (13 CREDITS REQUIRED)

- ENGL&101-Composition I
- ENGL&102-Composition II
- Select a Communications course with your Advisor

HUMANITIES (15 CREDITS REQUIRED)

- PHIL&101-Introduction to Philosophy
- Select a Literature course and an additional Humanities course with your Advisor

NATURAL SCIENCES (15 CREDITS REQUIRED)

- Select 3 Natural Sciences with your Advisor

The AA degree requires an additional 3 credits for Physical Activity courses, First Year Experience, and a Diversity course for completion.

QUANTITATIVE (5 CREDITS REQUIRED)

- MATH&146-Intro to Statistics

SOCIAL SCIENCES (15 CREDITS REQUIRED)

- SOC&101-Intro to Sociology
- PSYC&100-General Psychology
