## WHAT DEGREE DO I GET AT WWCC?

For most Health Technology Degrees, the Associate in Arts-DTA works to incorporate prerequisite courses at WWCC in your education plan. Below are recommended courses to prepare you for this type of program. Check out [www.wbcc.edu/associateinarts](http://www.wbcc.edu/associateinarts) for specific degree requirements.

## RECOMMENDED COURSES

Every program / institution may require slightly different prerequisites. It is highly recommended that you speak with a representative at the future institution to identify specific prerequisite coursework or other requirements to be ready for your program (eg-minimum GPA requirements) and work with your advisor to develop an Education Plan including proper courses.

The courses listed below are recommended only, completion of these courses does not guarantee admissions to institutions or programs.

### COMMUNICATIONS (13 CREDITS REQUIRED)

- ENGL&101-Composition I
- ENGL&102-Composition II
- Select speech course with your Advisor.

### HUMANITIES (15 CREDITS REQUIRED)

- 

### NATURAL SCIENCES (15 CREDITS REQUIRED)

- BIOL&160-General Biology
- BIOL&241-Anatomy & Physiology I
- BIOL&242-Anatomy & Physiology II

*The AA degree requires an additional 3 credits for Physical Activity courses, First Year Experience, and a Diversity course for completion.*

### Important Notes:

*While an advisor is available to help research and plan courses, it is the student's responsibility to research and communicate with schools and programs to which they intend to apply to verify prerequisites and requirements as these vary and are subject to change.*

*Please check out the links to schools available at [www.wbcc.edu/health-technology](http://www.wbcc.edu/health-technology)*

*Some programs may have specific courses other than those listed above.*

## SOME SCHOOLS WITH A ULTRASOUND & DIAGNOSTIC SONOGRAPHY PROGRAM:

Bellevue College	Boise State University-Bachelor's	Oregon Institute of Technology-
Seattle University-Bachelor's	Program	Bachelor's Program
Program	Spokane Community College	Tacoma Community College

*This is general guide for planning purposes and does not include specific dates for specific schools; that information must be obtained from your prospective colleges and universities. For more Planning Tips and Resources for this pathway, see the other side.*
