

WALLA WALLA COMMUNITY COLLEGE

WE ARE WARRIORS

We are Warriors

Walla Walla Community College offers an affordable, high quality education whether you plan to pursue a bachelor's degree, transfer to a university, train for a technical career, take classes to upgrade job skills, or learn for personal enrichment.

WWCC has a student population of just over 2,000 across campuses and online. With smaller class sizes, our exceptional faculty are able to provide personalized support and attention.

The college also offers excellent English language and GED® programs, a variety of community education and personal enrichment classes, outstanding athletic programs, and a diverse array of student organizations.

Students can enjoy the free activity center, library, tutoring center, computer labs, fitness areas, and outdoor spaces, as well as the bookstore.

Undocumented Students

WWCC enrolls and supports students whose status in the U.S. is undocumented. We recognize that everyone should have a right to access higher education. Undocumented students make essential contributions to our campus, community, and nation.

As an undocumented student, you are a member of our community and your wellbeing and ability to learn and contribute are our concern. We have developed resources with you in mind.

Walla Walla

Incorporated in 1862, Walla Walla was one of the first sizable settlements in Washington Territory. Today, it's a vibrant city that combines a small-town atmosphere with world-class amenities. Visitors come here to experience the area's celebrated wine and cuisine, and the local hospitality industry offers numerous employment opportunities for graduates of WWCC's Culinary Arts and Enology & Viticulture programs. Walla Wallans enjoy an easygoing pace of life, served by a city government that aims to provide residents with a safe, well-maintained place to live, work, and play. Many of WWCC's programs equip students with skills and training they need to obtain local and regional jobs after graduation, and current students can get on-the-job professional experience through jobs and internships. There are jobs with numerous state and federal agencies

as well as private companies in the Walla Walla region.

Athletics

The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.

Women's Sports:

Basketball, Rodeo, Soccer, Softball, Volleyball

Men's Sports:

Baseball, Basketball, Rodeo, Soccer

Get involved

Campus life provides many ways for you to join in on the fun from fun activities like Trivia Night and Glow in the Dark Roller Rink, to student clubs, Student Government, and more.

Dual Credit for High School Students

509.527.4262 (Walla Walla)
509.758.1700 (Clarkston)

High school students can earn college credits, tuition-free, while finishing their high school education through CTE Dual Credit and/or Running Start. Some high schools also partner with WWCC to offer *College in the High School* at little to no cost to the student.

wwcc.edu/high-school

Career and Academic Preparation

Career and Academic Preparation (CAP) is designed to enable those who have not completed high school to earn their degree or to earn the General Education Development

(GED®). It also serves those needing a review of skills needed to be successful in college programs.

wwcc.edu/cap

Open Doors

Open Doors provides Washington students an educational opportunity outside the traditional high school setting. It is designed to allow students that are credit deficient or have dropped out of high school an opportunity to earn their diploma or GED® within the college setting. Students between 16 and 21 years of age who have not earned a high school diploma may be eligible to participate to earn a high school diploma, work toward a GED®, or even complete an AA or other college program.

Clarkston Campus

Walla Walla Community College's Clarkston Campus offers students the benefit of an 11-acre friendly campus with small class sizes and exceptional faculty.

Clarkston Campus offers a wide range of programs for workforce training, transfer, and/or Bachelor of Applied Science completion.

The Campus also features tutoring services, a library, and a bookstore with a modern Workforce & Business Development Center and a Health Science Building.
